### TO MAKE BUNDLE DAY BREAK ALL RECORDS

### Club Has Done Its Part and Its Up to Citizens To Do Theirs

Special effort is being made by the Social Service center of the Salem Commercial club to make bundle day next Saturday the most successful in the history of the club.

During the past season this organization was able to keep the children of families in public schools and Sunday schools, who otherwise would have had to remain away from school for lack of proper clothing.

The work of the organization is thorough and systematic. Every case is investigated thoroughly and relief given as conditions demand and the relief is more than temporary.

### FOR ALL COMPLEXION ILLS

If the skin be colorless, sallow, muddy, over-red, blotchy or freckled, nothing will so surely overcome the condition as well as ordinary mercurozinc wax. It literally takes off a bad complexion—absorbs the dead and near-dead particles of surface skin, gently, gradually, causing no inconvenience at all.

Probably two of the most important things accomplished by this organization during the last year was the establishing of a visiting nurse and a dental clinic in the public schools. These were brought about through a co-operation of the Salem Womans club and the school board.

The organization is maintained by membership and through the benefits of their annual charity play.
