Jury Acquits Mannoch
 C. H. Mannoch, the Dallas druggist, who was indicted by the recent grand jury on a charge of selling a larger quantity of alcohol than the law allows to one party during one month, was acquitted by the jury at the trial yesterday. The case went to the jury just before noon and a verdict of not guilty was returned about three o'clock. Mr. Mannoch claimed that the prohibition law does not prohibit a druggist from selling alcohol in quantities to parties for use in manufacturing purposes, the cause of his arrest being that he did so, in letting the manager of the Adjustable Electric Socket company have six quarts of the liquor in one month.

Chamberlain Here Tomorrow Night
 United State Senator George E. Chamberlain of Oregon will be in the city tomorrow and will address a crowd of democrats in the armory. Plans are being made for a big rally to precede the speaking.

Macleay News

(Capital Journal Special Service)
 Macleay, Oct. 19.—Several of the Macleay young people are attending high school in Salem, among them being Reno Young and Howard Frink at Washington junior high; Opal Garrett, Wilma and Marjorie Miller and Pansy Nieswander at the senior high and Inis Russell at Washington junior high. W. W. Taylor, who has been residing on the Edmiston place, recently purchased by J. M. Martin, will move soon to the Garber ranch near Pratum. As soon as Mr. Taylor has moved out Mr. Martin is intending to move in on his new farm and already has several truck loads of furniture from his houses in Salem on the place. Miss Alta Matten was a visitor at the D. J. Miller home Sunday afternoon.

Splendid for Bad Coughs, Colds, Bronchitis

An Inexpensive Home-Made Remedy—Gives Relief, Quick Relief.

Anyone who tries this pleasant tasting home-made cough syrup, will quickly understand why it is used in more homes in the United States and Canada than any other cough remedy. The way it takes hold of an obstinate cough, giving immediate relief, will make you regret that you never tried it before. It is a truly dependable cough remedy that should be kept handy in every home, to use at the first sign of a cough during the night or day time.

Any druggist can supply you with 2 1/2 ounces of Pinex for 50 cents worth. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents and you have a full pint of the most effective remedy you ever used.

The quick, lasting relief you get from this excellent cough syrup will really surprise you. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, whooping cough and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, combined with guaiac and is famous throughout the world for its healing effect on the membranes.

To avoid disappointment ask for "2 1/2 ounces of Pinex" and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

Miss Byers spent Sunday at her home in Portland. Since the departure of Mr. and Mrs. H. O. Taylor for the Dallas last Friday, Miss Marian Taylor has been residing at the H. E. Martin home. O. B. Chapman assisted Roy Marechal and Bethel in the potato patch last week.

The county truck is hauling gravel for extensive repairs in road district No. 40. John Tekenburg was a Salem visitor Saturday. Donald Murphy and mother were Salem visitors Monday of this week.

White hunting pheasants a few days ago... E. Martin and Ivan Beers had occasion to pass through H. B. Hoffman's truck patch in Bethel, and, seeing what appeared to be a fine large watermelon, approached it and talking it to the auto which was near they motored home, handing the melon to the ladies with instructions to have it for supper, the men hurried to the evening work in pleasant anticipation. Imagine their surprise and eagerness when, after supper, the ladies carried in large slices of—very green and dry pumpkin. The story is of course persistently denied by the men, but then, they were the victims and so are not qualified to answer.

Ruby Magee and mother called at the Fred Magee home last Wednesday afternoon. The family cow, belonging to Mrs. J. R. Crook, strayed from home last Thursday evening and at the last report had not been found.

At a meeting of the young peoples class after Sunday school last week, the following were appointed on committees to take charge of the Halloween entertainment to be given soon to the rest of the Macleay Sunday school. Refreshment committee, Miss Elena Bartels, Miss Alma Russell and Frank Nieswander; entertainment committee, Mrs. Delbert Mackenzie, Miss Russell and Harlan Hoffmann. The refreshment committee has whispered that there will be cider and pumpkin pie and—but a word to the wise is sufficient and those who wish to learn more must come to Sunday school next Sunday when more complete details will be given.

Mr. Lovell will preach next Sunday at 3 p. m. Many of the Macleay notables spent some time at the Albany road last week. Among them were Mrs. Mercer, Jess Yeager, Wilbur Morris and C. E. Cory. Mr. and Mrs. H. E. Martin, Alta Martin, Marian Taylor, Mrs. C. C. Witzel and daughters Hilda and Beulah motored to Perrydale, Polk county, last Saturday where they spent the day at the Will Stapleton home. The Parent teachers association will meet Friday evening for the first meeting of the season. The president of the county association will be present.

U. OF O. ELEVEN IS PICKED AS WINNER

Outweighs California by Six Pounds to the Man—and Is Well "Seasoned"

Berkeley, Cal., Oct. 19.—When California's inexperienced varsity football squad meets Oregon on California field Saturday it will face not only an eleven of veteran gridiron warriors but a team that outweighs it six pounds to the man. What plans Coaches Smith and Mahan have to meet this advantage for Oregon has not been disclosed here.

The Oregon line, according to advance "dope" reaching here, will average 172 pounds, against 170 for the blue and gold. In the backfield, however, the northerners will have an enormous advantage of weight. The regular California backfield averages only 160 pounds, while Oregon's averages 173.

That the Bear coaches are taking the situation very seriously was indicated by the fact that they called a morning practice of the squad for today. Inasmuch as Sharpe, the speedy quarterback was the most brilliant performer for California in last Saturday's game, it is believed that Smith and Mahan will center their hopes in him.

The Oregonians will reach Berkeley tomorrow morning and will be taken at once to California field where they will have an opportunity of tearing the turf and getting familiar with the "lay of the land."

Oregon on the Way.
 Eugene, Ore., Oct. 19.—Oregon university's 19 football players, their trainers and their official rooters are en route to Berkeley today on the Shasta Limited. They meet California there Saturday.

In departing, Coach Bezdek said: "I don't see where we have a chance with California. We are fighting on the enemy's ground, outweighed, and the dope is against us."

Whereas a mighty shout arose from the 500 rooters on hand to give the team a send-off. Aside from official prognostications of disasters, the team is in excellent shape and expects to win.

A Pick-Up Nebraska Team.
 Portland, Ore., Oct. 9.—Nebraska will clash with a team of Oregon Aggies drawn from almost as far away as

Greenland's icy mountains and India's coral strands on Multnomah field here next Saturday afternoon.

Alec McNeil, 185 pound left tackle, comes directly from Scotland. This is his first year at American football. George Conn, right half, hails from Pasadena, and Beverly Anderson, left half, is from Long Beach, Cal.

Millard Webster, substitute end, is a pilgrim from Milford, Utah. Charles Howe, sub fullback, is at home in Seattle. Clyde Hubbard, at quarter, lives in Weiser, Idaho.

The Nebraska eleven is expected here tomorrow, with a crowd of rooters. It is traveling on a special train.

Angels Have Pennant Clinched
 Los Angeles, Cal., Oct. 19.—Figuring percentages on their fingers has become a popular sport among Angel rooters at Washington Park lately, as Frank Chance's crew draws nearer and nearer to the pennant pedestal.

Local fans consider the championship clinched beyond a doubt as a result of yesterday's victory over Portland. The Angels now lead the Vernon Tigers more than eight games.

Should Vernon take the next five straight from Oakland, it will be necessary for Los Angeles to take the next four out of five from Portland in order to clinch the pennant, even should they drop every game of the final season end series to Vernon.

If the Angels become the champions, it will be for the first time in eight years. The last Angel pennant was won in 1908.
