CARD OF THANKS

I wish to thank my friends and neighbors for the many kindnesses shown me during my recent bereavement and especially the Woodmen of the World. Mrs. L. M. Herreg-

Armstrong's Musical company enter- tained the members of the Elk Lodge Albany. Tonight they appear at the lodge is preparing to put on a special program every other Thursday evening. On the evening of Thursday, November 2, an entirely different kind of an entertainment will be presented.

Col. C. E. S. Wood, of Portland, will speak Saturday evening at the opera house at 8 o'clock on the present issues of the campaign supporting President Wilson. Col. Wood is an entertaining speaker and those who heard one side of the great problems last Saturday evening will be given an opportunity to hear an authority on the other side.

During the present year \$1,200 has been spent by the public library for books and magazines. Now that the city council has reduced the appropria- tion for the library \$500, there will be this amount deducted from the fund for book purchases. Nor will there be any improvements in the library as the over- head expenses will run just the same as last year.
