Election times means busy times at the Salem postoffice. In order that the electors of the state may vote intelligently and post themselves on the various measures to be acted on one week from tomorrow, 325,758 pamphlets have been mailed at Salem to all parts of the state. The postage on each of these pamphlets is one cent, thereby swelling the receipts of the local office this month to the extent of \$3,027.58. Portland received \$2,344.84 postage for postal pamphlets mailed from that post. Every candidate is given the pleasure of paying for his page or half page telling of his personal qualifications, and the amount so paid is fixed by law. There are 236,007 registered voters in Oregon. The last pamphlet was mailed at the Salem office Saturday evening.

TWICE PROVEN If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders. Don't experiment. Read this twice-told testimony. It's Salem evidence—doubly proven. J. H. Penton, 1405 Lee St., Salem, says: "On several occasions a cold settled in my back, across my kidneys, causing pain that extended into my joints. I knew from other disorders that my kidneys were to blame and started using Doan's Kidney Pills. I found them just the thing to rid me of the pain and disorders." (Statement given December 11, 1912.) On April 12, 1916, Mr. Penton said: "I have never found a more reliable medicine for backache and kidney disorders than Doan's Kidney Pills. Whenever my kidneys get out of fit, they soon put them right." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Penton has twice publicly recommended. Foster-McLiburn Co., Props., Buffalo, N. Y.

At the next regular meeting of the city council, November 6, a resolution will be introduced providing for an amendment to the rules of the council whereby important legislation and bills for ordinances may be placed on final passage at the same meeting of the council at which they are introduced, without the unanimous consent of the council. According to the present rule, one member can delay the passage of any important legislation until the next meeting of the council, thereby giving one member the power to block for two weeks legislation that may require immediate action. DIED. PERSONALS

McDONALD—At the home of her sister, Mrs. E. M. LaFore, 340 North High street, October 29, 1916, Mrs. Nellie F. McDonald, in her 53d year. Besides her sister, Mrs. LaFore, she is survived by her mother, Mrs. Daniel Delaney, of Salem, and a sister, Mrs. Ora Brown, of Los Angeles. The body was taken today to Scio where the funeral will be held from the family residence. TRAGLIO—At his home, 1031 North Seventeenth street, October 29, 1916, Pierre Traglio, in his 86th year. He is survived by four sons: Pascal and Paul Traglio, of Salem; Peter Traglio, of Washington; also two daughters, Mrs. Adel Sellers, of Baker City, Ore., and Mrs. Dina Wilkening, of Rose-dale. Eighteen grandchildren and two great-grandchildren also survive. Funeral services will be held Tuesday afternoon at 1:30 o'clock from the parlors of Rigdon and Richardson. Interment will be in the City View cemetery. Pierre Traglio was born April 2, 1830, and was married to Pauline Nicolet, November 15, 1830. They left Switzerland in 1838 and arrived in Salem November 12, 1839. They lived for a time on a farm in Folk county. Children's Eyes—My 34 years of practical experience is at your service. Some children inherit defective vision, others have it thrust upon them by study in schools where the light is not all it should be. Statistics show that most children whose poor work is attributed to "idleness" suffer from eyestrain rather than lack of intelligence. Correct any defect in vision and you will at once notice an improvement in school work. I have made the study of children's eyes a specialty and I do not experiment with your children's eyes. My scientific examination is a guarantee to you that your children's eyes will be correctly fitted at my office. Dr. M. P. Mendelsohn, rooms 209-210-211 U. S. Nat'l Bank Bldg.

IT'S YOUR KIDNEYS You have swollen feet and hands? Stiff, achy joints? Sharp shooting rheumatic pains torture you. You have aching back, pain in the lower abdomen, difficulty when urinating? Look out! These are danger signals. Trouble is with your kidneys. Uric acid poisoning in one form or another, has set in. It may lead to dropsy or fatal Bright's disease if not checked. Get some GOLD MEDAL Haarlem Oil Capsules immediately. They are an old preparation, used all over the world for centuries, combining natural healing oil and herbs, well-known to physicians and used by thousands in their daily practice. The Capsules are not an experimental, makeshift "patent medicine," or "salt," whose effect is only temporary. They are a standard remedy, and act naturally, gently and quickly. But when you go to the drugist, insist on getting the pure, original Haarlem Oil in Capsules. Be sure the name GOLD MEDAL is on the box, and thus protect yourself against counterfeits.

Once in a while when people in the east want Oregon views and do not know where to get them, they send to the Woolworth stores. E. H. DeVore, manager of the Salem store this morning received a letter from Columbus, Ohio, enclosing 15 cents, with the request that he send the most interesting views of Salem and vicinity, showing landscape and buildings. Mr. DeVore went out better and sent some literature from the Commercial club, besides the 15 cents worth of view cards.
