State House News

Members of the Oregon supreme court are sitting in Pendleton this week on the semiannual visit to eastern Oregon. It is expected they will return by the latter part of the week.

Articles of incorporation were filed this morning with the corporation commissioner by the Irving-Eugene Telephone company with a capital of \$1,250. The principal office is at Irving, Lane county.

The report of the Great Northern railroad, filed this morning with the public service commission, shows that in Oregon it has a total mileage of 30,750 of both steam and electric roads. Segregating this it gives 13,950 miles of steam and 16,800 miles of electric road.

J. A. Churchill, state superintendent of public instruction, and E. P. Carlton, assistant state superintendent, will be in eastern Oregon the remainder of the week attending institutes of the eastern division of the State Teachers' association.

The railroad car shortage reached its highest point yesterday when the number was 2,664 and the number available 275.

Forest fires, according to State Forester Elliott, are practically all out now on account of the recent rains. In the south he says the precipitation was not very heavy and barely laid the dust.

Dr. Lytle, state veterinarian, reports that the rain in and near Heppner has relieved the situation caused by the long period of drought, during which about a thousand head of sheep died because of alkali and other poisoning.

The street detectives went to his house and claim to have found there loot from many robberies. The goods in the house included a \$200 phonograph, a small clay crucible for melting up gold jewelry, and a vial of acid for testing gold, were also confiscated.

J. E. Scott Returns Home From Eastern Trip; Says Oregon Is Best

This information is especially for those who have been complaining of the conditions in Oregon.

"I have been traveling for the past two months in twelve states investigating general business conditions, and I can truly say that I have nowhere found general business and farming conditions as favorable as we now have in the Willamette Valley."

This is the opinion of J. E. Scott who left August 28 on an extended tour on real estate business covering twelve states and a short visit into Ontario.

The down town shopping district of Salem will be the attraction for those looking for entertainment Wednesday evening.

For several days the prize window dressers of the larger stores have been putting on special displays showing what is the correct thing in fall styles, and the window that is the most artistic will be awarded the prize, the Hartman Bros. trophy.

For one minute before 7:30 in the evening, the business section will be in total darkness. As the lights are switched on, whistles will blow, auto horns will toot and there will be a general demonstration as the windows are unveiled and the public permitted to gaze on the best that can be done by the window dressers of the city.

The high school band will lead the students of the school and the Willamette Glee club will do their share of the entertaining. After the unveiling of the window, other entertainment of the evening will be the style show at the Oregon theatre and Newcomers' night at the Commercial club. D. I. Howard, director of the social department of the Commercial club, extends an invitation to all to visit the club and make themselves at home for the evening.

Short talks will be made by the Rev. Carl H. Elliott, Prof. J. O. Hall, John H. McNary, P. H. D'Arcy and the Rev. George F. Holt.

Reall Stores Predict Victory for Wilson. The Reall stores in the United States, 8,000 in number are sending in daily reports to the Boston head office of straw votes taken on the two leading presidential candidates.

These votes are taken in all their stores and are cast by customers who are asked to express their preferences. On October 28 Hughes 53,136 votes and Wilson 64,200. According to the electoral votes as shown by the preference of the states, Hughes would receive 220 votes and Wilson 250. Of

in a roped off area on Liberty street. Yell King Steeves is in charge of the demonstration.

The first number of this winter's series of free public lectures to be given by the various members of the Willamette faculty will be an address by Pres. Carl Gregg Dunoy on "Marks of the Educated Man." It, as well as all others of the series, including the original recital, will be given in Waller chapel at eight p.m. President Dunoy's address is scheduled for November 6.

A jolly aftermath to Willamette's victory over the Columbia university team occurred Saturday evening when a party of eight students hiked far into the Polk county forests for a picnic supper. After a sumptuous repast on Indian blankets spread on the ground, a marshmallow toast marked the waning hours of the night and loathe to return, the party did not dissolve until late. Those enjoying the diversion were the Misses Gertrude Cunningham, Barbara Steiner, Carolyn Dick, Lucile McCully and the Messrs. Lloyd Shisler, Earl Flegel, Warren Booth and Grover Gates.

Possibly alarmed over the marked activities of supporters of Charles E. Hughes for president of the United States, a highly successful attempt was made to organize a Woolrow Wilson League yesterday noon by admirers of the present incumbent of the highest office under the flag. Initiated by Earl Flegel, the meeting resulted in the adoption of a constitution and the laying of plans for an election of officers tomorrow. Over 70 students have already signed up as members of the league, according to James Ewing, one of the most ardent boosters of the new movement. A significant feature of the league is its non-partisan basis, the sole desire, irrespective of party, is to assist in the re-election of Mr. Wilson to the presidency. The members plan to hear Senator Gore as a university unity when he speaks this evening.

Announcement was made this morning in chapel by Arlie Walker, manager of athletics, that Willamette will play Mt. Angel College Saturday afternoon on the local field. As Pacific university and Mt. Angel battled to a close score last Saturday, the game promises to be interesting.

"Goodnight Corns! We Use 'Gets-It!'" 3 Drops in 2 Seconds. That's All. "GETS-IT" Does the Rest. Never Fails.

"Really, I never could see how some few people use the most difficult and painful way they can find to get rid of corns. They'll wrap their feet in bandages into a package that fills their shoes full of feet and makes corns so painful they've got to walk sideways and wrinkle up their faces. Or they use salves that eat right into the toe and make it raw and sore, or they'll use plasters that make the corns bulge, or pick and gouge at their corns and make the toes bleed. Fanny, isn't it? 'GETS-IT' is the simple, instant wonder for corns. Just put 3 drops on it. It dries instantly. No pain, fuss or trouble. The corn, callus or wart loosens and comes off. Millions use nothing else. 'GETS-IT' is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price, by E. Lawrence & Co., Chicago, Ill.

Sold in Salem and recommended as the world's best corn remedy by J. C. Perry, D. J. Frye, Opera House Pharmacy.
