WESTON PRESIDENT FAVORS PENDLETON

PROF. R. C. FRENCH, FORMER HEAD OF WESTON NORMAL, IS BOOSTER FOR PENDLETON AS NORMAL LOCATION.
Portland, Ore.—Professor R. C. French, ex-President of the State Normal School at Weston, Oregon, prefers Pendleton to Weston as the facilities for practice teaching at Pendleton make it the logical site for the Eastern Oregon Normal School.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a Glass of Salts to Flush Kidneys If Bladder Bothers You—Drink Lots of Water
Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

WOODROW WILSON President of the United States

"HE HAS KEPT US OUT OF WAR"

This is the face of a man strong, courageous, patient and kindly, a man— Always alert to the aspirations of his fellow-man and sympathetic toward their fulfillment; Never complacent toward the encroachments of privilege nor tolerant of social wrong; Always seeking to enhance the dignity of labor and better the state of the toiler; Never lending an ear to the sophistry of exploitation or the blandishments of expediency; Always patient to hear and weigh, to appraise and analyze, and passionate to find the way of right; Never premature in purpose nor prejudiced in judgment, and never headlong in decision— Such is WOODROW WILSON.

GORE NICKNAMED TEDDY

San Francisco, Nov. 3.—United States Senator Thomas P. Gore of Oklahoma today has given Colonel Roosevelt a new nickname. "That distinguished fugitive from Armatogodon" was the way the blind statesman dubbed T. R. in an address here.

H. W. ELGIN Candidate For City Recorder A Letter to the Public

There are seven candidates for the nomination for the office of City Recorder. The fitness for the office and the personal record of the candidate should determine the way each person should vote, and to put you in possession of facts which I hope will influence you to vote for me I am addressing you in this manner as my routine work as deputy recorder prevents me from making a personal appeal to many people; and it is also necessary that I should appeal to you in the most economical manner.

For the past six years I have been the clerk in charge of the books and accounts of the city, and during this period more business has been done than covering a period of many years previously. If I may be permitted to say with modesty the work has been more fully and painstakingly executed than during any other period in the city's history. Each year the books have been audited and their accuracy proven publicly. I have from time to time performed the duties of Recorder and all of the city business has been closely under my observation and attention. My experience has therefore fully qualified me to do the work of City Recorder. My faithful service to the city and experience are my main recommendations to you in this contest for the office.

Most of my life has been spent among you, and my personal reputation needs no comment from me or anyone else to satisfy you. I therefore confidently submit my candidacy to you in the hope and expectation that you will put the seal of your approval upon my work and either nominate or elect me at this time to the office of City Recorder as a reward of faithful service rendered to you. Respectfully submitted, H. W. ELGIN.

Walnut Growers Will Meet at McMinnville

North Yakima, Wash., Nov. 3.—The Western Walnut association opened its session in the assembly room of the Commercial club Wednesday morning with a fair attendance from Washington and Oregon. After the official reports of the secretary and standing committees, H. E. Dosh read a paper on "Development of the Walnut Industry in the Northwest." F. A. Wiggins of Toppenish followed with a talk on "Walnut Culture in the Yakima Valley."

In the afternoon, A. E. Larson of North Yakima gave his experience in growing walnuts in the vicinity of that city, and a paper by Professor C. I. Lewis of Corvallis on "Pruning the Walnut," was read in his absence by the secretary of the association. In the evening the association was given a reception in the rooms of the Commercial club. The program for Thursday includes an excursion to the walnut orchards of the Yakima valley. McMinnville has been selected for next year's meeting place. The officers were all reelected for another year and T. A. Harper of Dundee, Or., was added to the list of vice-presidents.

Prize Winners In Composition Contest

When it comes to writing essays on Salem week and what should be done for the city, the pupils of the upper six grades of the city schools are genuine patriots, as evidenced by the 1500 compositions turned in by the pupils of these grades in competition for the three five dollar prizes offered by the Commercial club. The winners are: Catherine Vincent of the seventh grade; Lucy Leonard of the tenth grade and Esther Garge of the junior high school class. Each of these pupils will be \$5 ahead for their ability in telling what is best for Salem. The teachers of these six grades are entitled to credit for their interest in the contest, as it was for them to look over the 1500 essays turned in and to select fifteen to be passed on by the committee selected by the Commercial club.

Monster Gas Well On Fire in Kansas

Arkansas City, Kans., Nov. 3.—The big oil and gas field southwest of this city last night was lighted for miles around from the burning of a monster gasser on the Gypsy lease, which caught fire from a short wire circuit last night while the crew were changing, all having escaped injury. It is estimated that a flow of twenty five million cubic feet of gas is burning, and today the fire is so hot that

Election Predictions That Do Not Agree

New York, Nov. 3.—Postmaster General Burleson and his predictions of a Wilson victory Tuesday almost completely filled democratic national headquarters today. Burleson said New York is uncertain of either side to talk about it.

His black slouch hat set back on his head, his overcoat collar turned up and his hands jammed deep in his pockets, the giant southerner explained how he believes the middle west farmers and the women will elect Wilson.

"I don't know the outward manifestations at republican headquarters," said Burleson. "But I do know the inward feeling there."

"They feel like they're in a morgue. They have visions of mummies and marble slabs."

"The middle west's the big answer. The farmers and women of Kansas are going to carry that state for Wilson and the farmers are going to give him the middle west."

New York, Nov. 3.—Hughes will be elected with 258 electoral votes to Wilson 119, leaving 24 doubtful, Hughes National College League Campaign Manager C. B. Compton predicted at republican headquarters today.

"Wilson will carry only Kentucky and Oklahoma in addition to the solid south," said Compton, who has made a nation-wide canvass. "Missouri will be republican by 25,000 and Hughes might even carry Kentucky."

"Illinois, Indiana, New York, New Jersey and Ohio are the pivotal states this election. Wilson could not get more than 20 per cent of the progressive vote in any of these. Hughes should carry Illinois by 80,000."

WHY I AM FOR WILSON By James Kennedy

Former Congressman From McKinley's Old District in Ohio.

It is with great reluctance that I am compelled to abandon the party with which I have been affiliated all my life, but a sense of duty compels me to take the position I have. I shall vote for Woodrow Wilson for President solely because he recognized fully the fact that the great instruments of interstate commerce should be regulated by the people acting through Congress, and not by a labor union and an association of railroad presidents.

It is almost impossible to get in working distance of it. Several boilers are being moved to the scene and an effort will be made to put the fire out with steam.

Farmers' Union Has Not Denounced Law

New York, Nov. 3.—The attempt of republican managers to deceive farmers by the circulation of an attack on the Adamson law, written by H. N. Pope of the Texas Farmers' Union, is denounced by that organization in the following telegram sent to the democratic national committee: "Gravette, Ark., Nov. 1, 1916. 'I have that in justice to all concerned you will make it clear to the people of the United States that the National Farmers' Union has not passed resolutions denouncing the Adamson eight hour law. Any reports to the contrary are pure fabrications. We are not playing politics. Signed, 'Secretary National Farmers' Union.'
