Spring Valley News

(Capital Journal Special Service) Spring Valley, Nov. 4.—Mr. and Mrs. R. C. Shepard have completed their new home, a handsome structure, all modern, situated upon a slightly eminence of their farm. On Friday evening at their invitation, their friends gathered for a house warming, and much praise was heard as to the beauty and convenience of the new home. The house was gayly lighted with many candles, which with the open fire, added much to the festivities. A humorous pantomime was presented by Mr. Shepard and a few friends which caused much laughter. A number of the ladies sang a few verses of the music of a college song, wishing the Shepards much joy in their new home. Rev. G. A. McKinlay read a poem from the "Outlook" entitled "Hoosier," a tribute to James Whitcomb Riley. Other stunts added to the pleasure of the occasion. Refreshments were served by the hostess, assisted by Mrs. John Phillips and Miss Ruth Shepard, a sister. It was at a late hour that the guests departed for home, feeling that "event though it was storming, eve gave the house a thorough warming."

Mr. and Mrs. W. Harvey Crawford entertained relatives from Salem at dinner Sunday. The guests being Mr. and Mrs. Frank Wells and children, Willard and Leonard, Mrs. J. L. Miller and children, Dorothy, Robert and Fern. Frank Haina had the misfortune to lose, a few weeks ago, a purse containing over one hundred dollars in money, besides a check, and has not heard of any trace of it.

Ray Nash of Spring Valley and his brother, George of Hopewell, have returned from a motor trip to Lake county. The crops there are quite good, although a frost injured the grain so it did not fill out as well as expected. When he left last week the farmers had just finished stacking. W. L. Cook and family, who formerly lived here, are well pleased with their farm there.

The recent rains are a benefit to the farmer as the ground has been too dry to plow, unless one used an engine. Harvey Crawford has purchased a three bottom plow to go with his engine, and with a harrow hitched behind, finds that the ground works up rapidly.

Mr. Rickett, who has spent the summer here visiting his sister, Mrs. C. A. Taylor, has returned to his home in Nebraska.

BANK CASHIER RESIGNS

S. L. Stewart has resigned his position as cashier of the Farmers & Merchants bank, and the board of directors unanimously chose J. W. Mayo to succeed him. Mr. Mayo needs no introduction to the people of Stayton and vicinity, as he has been a successful business man here for the past six years. Mr. Stewart is undecided as to his future course, but will probably be in Stayton for several weeks yet. Wherever he goes, he can be assured of the good wishes of the people of Stayton and the surrounding country.—Stayton Mail.

Youkum have died within the past several days. The cases have been called to the attention of the state veterinarian but he has been unable to diagnose the disease. Notes of Interest Among Hop Growers

Harry Evans, who is sampling for Henry L. Beets of this place, writing from Sheridan under date of October 26, says in a letter to Mr. Beets: From the yards I saw yesterday and today, you will have to cut down the current estimate of the hop crop. At Forest Grove, Hoar did not pick 18 acres, Nichols left unpicked 14 acres, Love 22 acres, Meredith 10 acres, Crabtree 7 acres, Haines 13 acres, Reuter 5 acres. What they picked they have not yet baled. At Cornelius, Sushauer picked only one yard—14 acres out of 38, and not all the hops on the 14. There was only one crop picked at Gaston, besides Joe Williams', and that (the J. R. Johnson crop) was only 22 bales from 18 acres. At North Yamhill only one grower, H. Westerman, picked his crop. He won't bale until it rains. John Perkins picked 7 bales and quit, selling them to Bishop early, at 7 cents. Paul Weidner has picked up his big yard and there and gone east. Not a yard out of 12 on the "Pike," as the hill country back of Yamhill is called, was picked. Last

year the crop was 2264 bales. At Carlton, 8 yards that last year had 671 bales are plowed up. Two yards that had 20,000 pounds contracted picked 12,500 pounds, and quit. Two remaining yards there had 90 bales between them (144 last year.) They sold at 8 cents. Only one crop was picked at Lafayette, the Old & Mattie yard. They had a good crop and got 11 1/2 cents two weeks ago. At Dayton Dr. Swisk picked 22 bales and sold at 10 cents—the only crop there. Around McMinnville, some were rejected on account of mold. Lalliberte picked his contract of 10,000 and then quit. John Fletcher has none. Hackett did not pick a hop, and has his old yard. Jacobson, Morris, Insner, Massey, Dr. Cook, Wilbur Cook, Bertram, Vincent, DeHaven, Barry and Olsen have all plowed up. At Sharidan the association is "busted" so far as the members here are concerned. The crop is away below last year. The Paul place is raising Holstein cattle. Brown has only 10 acres out of 32. This will give you a first hand report of hop conditions Wilsonville to Willamina and Newberg to Banks.—Aurora Observer.

Every grocery store has its customers who order POSTUM regularly instead of coffee.

They are former coffee drinkers who, for health's sake, changed their table drink.

If you suspect that coffee contributes to your discomfort or illness, ask the grocer for the names of several POSTUM users in your neighborhood; get in touch with them and hear their story.

Or, secure a tin of INSTANT POSTUM and try it on the family table for ten days instead of coffee.
