

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

IGNORING HIRAM

of rule which they claimed the G. O. P. of the state sought to enforce. Then came the peace of Chicago and Governor Hiram Johnson, progressive of progressive, four years ago Roosevelt's running mate, returned to republicanism with most of his followers. Johnson announced for the senatorship and started active campaigning for Hughes and himself.

The first Californian whom Hughes met on his tour of the Pacific coast was Chester H. Rowell, a member of the republican campaign committee, former ardent progressive and former bitter enemy of the "regulars." Rowell made a special trip to Oregon to meet Hughes and inform him that the "regulars," headed by National Committeeman William H. Crocker and former State Chairman Francis V. Keesling, planned to adopt the candidate and guard him from all contact with their former enemies, the progressives.

Wanted to Get Johnson Rowell told Hughes Crocker was the same man who last December, at the meeting of the republican committee, pleading against compromise with the progressives and begged for "one more chance to get Johnson." But Hughes adhered to his policy of keeping hands off state rows. The committee which met his train was composed exclusively of "regulars" with a few picked progressives—progressives whom the real progressives refused to recognize as of their kin.

In San Francisco it developed that no arrangements had been made by the Crocker-Keesling committee for Hughes to meet Johnson. Progressives said they had been told they were "not wanted" at the Massachusetts meeting which Hughes attended.

Progressives Were Sore Hughes immediately dispatched an emissary to see Johnson and explain that he did not know the governor was present—but progressives throughout the state considered there was a slight to Johnson, knowing that Hughes' tour through the state was managed by Crocker and Keesling, Johnson's foes at heart, though in the same party with him. Hughes left California without seeing Johnson, whose engagements to speak for Hughes and his own senatorial candidacy took him to other parts

Results of Election In City Primaries

As a result of the special recount of the ballots of ward four at the special meeting of the council last night, as demanded by James V. Hartwell, one of the three candidates for alderman from that ward, the final count of the judges of election were confirmed. In the primary the vote stood as follows: Paul Johnson 184; A. B. Hudson 181; and James D. Hartwell 177. The 556 ballots were counted in about 45 minutes. In regard to the tie in ward seven between Elbert Thompson and Mr. Stubbs, the two having 118 votes each, Thompson resigned. This leaves the contest in the election of December 2 to Stubbs and Millet.

Throughout the state Hughes was greeted by enormous audiences. Probably the biggest meeting he had during his entire experience as a presidential campaigner was at San Diego, where there were at least 20,000 people assembled in front of the music pavilion. He spoke mainly on Americanism, the tariff, the ship purchase bill and industrial efficiency. That was before the Adamson law was enacted.

When Hughes left the state, Chester Rowell was outspoken in his criticism of the candidate's failure to protest against his "kidnaping" as well as against Hughes' omission of any word of thanks for work which progressives had done. One of Rowell's condemnatory phrases was that Hughes' speeches had been like "feeding infant food to real progressives."

Later came returns from the senatorial primary showing an overwhelming plurality for Johnson. Hughes from Colorado wired him congratulations and thanks for his speeches. This was the only communication between the two men which found its way into print during the campaign.

Beats Hughes Nearly 300,000 San Francisco, Nov. 10.—Governor Hiram Johnson, in his candidacy for United States senator, ran nearly 300,000 ahead of Charles Evans Hughes for president, incomplete official returns from all sections of California showed today.

While Hughes was running a few thousand votes behind President Wilson, Johnson, running on the same republican ticket, was burying his democratic opponent, George S. Patton, under a veritable avalanche of votes. Johnson's plurality is variously estimated at between 275,000 and 290,000.

Crocker Beat Hughes Everywhere he went, Hughes was attended by William H. Crocker, who was opposing Johnson, and the other anti-Johnson men. At Long Beach, where Hughes spent a day, Johnson was in the same hotel with the presidential candidate but they did not meet.

It was asserted by many of Johnson's friends at the time that Johnson had been snubbed by Hughes, who declared in a speech here that he could not dabble in factional fights. There came the primaries and Johnson's sweeping nomination. The state republican committee was reorganized by the Johnsonites, Francis V. Keesling, state chairman, was ousted and Chester Rowell was put in his place.

Through his campaign, Johnson has steadily advocated the election of Hughes, but his advocacy failed to swing to Hughes thousands of progressive republicans who supported Johnson for senator.

Normally California is strongly republican, but the old split between the stand patners and progressives, which began when Colonel Roosevelt insured four years ago, apparently has not yet been healed.

the republican national committee intends taking in regard to proposed recounts. Hughes attended the theater last night with Mrs. Hughes and a party of friends, to see William Collier in "Nothing But the Truth." Mrs. Hughes apparently forgot all about the election in her interest in the show, but she showed plainly the effects of the strain. Governor and Mrs. Hughes walked the two or three blocks to and from the theater. Few recognized them on the streets, but they were accorded an explosive ovation in the building.

If Too Fat Get More Fresh Air

Be Moderate in Your Diet and Reduce Your Weight, Take Oil of Koraia

Lack of fresh air it is said weakens the oxygen carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs is hindered thereby. The heart action becomes weak, work is an effort and the beauty of the figure is destroyed.

Fat put on by indoor life is unhealthy and if nature is not assisted in throwing it off a serious case of obesity may result. When you feel that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Spend as much time as you possibly can in the open air; breathe deeply and get from any druggist a box of oil of koraia capsules; take one after each meal and before retiring at night.

Weigh yourself every few days and keep up the treatment until you are down to normal. Oil of koraia is absolutely harmless and even a few days treatment has been reported to show a noticeable reduction in weight. Central Pharmacy can supply you.

German Newspapers Take Fling at Wilson

By Carl W. Ackerman.

(United Press staff correspondent.) Berlin, Nov. 9.—Realizing the bearing of the election in the United States on the war, the report of Governor Hughes' election hailed here by Reuters brought out many pronounced opinions in the newspapers.

"The republican victory must be ascribed," said Vorwarts, "first to a united party and second to the German and Irish-American tactics employed. Since 1891 there have been only two democratic presidents, Cleveland and Wilson, who were the only American presidents in that time to threaten America with a European war.

"Only England's backdown in the first instance and Germany's in the second maintained peace. The election has proved that no other American statesman will ever again dare to alienate the hyphen voters."

The Morgen Post after qualifying bulletins regarding the election had followed Reuters first flat announcement of Governor Hughes' election, saying: "The dispatch saying election is in doubt is not true, because Washington has already officially notified Secretary Green of the American embassy that Governor Hughes is elected."

Sweet Caporal cigarettes have been on the market for over forty years, and are more popular today than ever. This wonderful record has never been duplicated by any other cigarette. SMOKERS INTERESTED IN CIGARETTE DEMONSTRATION

There has never been a more striking demonstration of cigarette purity than the novel burning tests of Sweet Caporal cigarettes now being given by a trained corps of demonstrators. These men first burn a piece of ordinary paper and call smokers' attention to the heavy smoke, odor, and black, soot-like ash.

They next produce a roll of the high-grade, imported French cigarette paper used on Sweet Caporal cigarettes and burn a piece of this paper. It burns evenly, completely, and leaves only a few tiny particles of pure white ash. This explains the pure tobacco flavor of Sweet Caporal.

UNIQUE IN FLAVOR

That is one reason for the perennial popularity of Sweet Caporal Cigarettes. No other cigarette has ever duplicated the pure tobacco flavor of Sweet Caporal—the mellow, sweet, nature-made taste of ripe tobacco. This is why smokers always come back to Sweet Caporal—no other cigarette gives them the same enjoyment.

That is the wonderful tribute the record of the No. 1 Sweet Caporal cigarette has won. This is the only cigarette that has been recommended by thousands of physicians.

Sweet Caporal cigarettes are the favorite brand of medical men everywhere. Over fifteen thousand physicians in the United States are Sweet Caporal smokers. No greater tribute could be paid to the purity of Sweet Caporal cigarettes than this. Physicians know Sweet Caporal is good, pure tobacco—that is why they smoke "Sweets."

approximately 40,000 in figures announced today. The prohibitionists declare their defeat is due to illegalities and they are preparing to make this the basis for a demand for a federal investigation. They reiterate their charges of ballot box stuffing; and are showing photographs of a tully sheet from a San Francisco precinct showing 180 as the total vote cast, and the vote 180 to 37 against prohibition. Registrar Zemansky, whose attention has been called to the charges today declared both the "wets" and "drys" made charges of irregularities and that his investigations found them all groundless. AN INSURANCE AGAINST SUDDEN DEATH For Sufferers From Backache, Rheumatism and Kidney Trouble

Before an insurance company will take a risk on your life the examining physician will test the urine and report whether you are a good risk. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dippy spells, or the twinges and pains of lumbago, rheumatism and gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed two or three times a night. This is the time you should consult some physician of wide experience—such as Dr. Pierce of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Send 10c for large trial package of "Anurie." Write your symptoms and send a sample of urine for test. Experience has taught Dr. Pierce that "Anurie" is a most powerful agent in dissolving uric acid, and is endowed with other properties, for it preserves the kidneys in a healthy condition by thoroughly cleansing them. Being so many times more active than lithia, "Anurie" clears the blood and filters out those deposits of lime-salts which cause so much pain, and prevents dropsical conditions such as swollen hands or feet and the bag-like appearance under the eyes. "Anurie" is a regular insurance and life-saver for all big meat eaters and those who deposit lime-salts in their joints. Ask the druggist for "Anurie" put up by Dr. Pierce, in 50-cent packages, or send \$1.00 to Dr. Pierce for full treatment by mail.

Dr. Pierce's Pleasant Pellets for the liver and bowels have been favorably known for nearly 30 years.
