

Why the Sumatra wrapper?

Look at the brown outside covering of your OWL. That wrapper was imported from Sumatra, nearly ten thousand miles away.

Why does the manufacturer import wrappers for the OWL cigar? Here's the reason why:

The wrapper of any cigar should be as mild as possible in flavor, so as not to overthrow the balance established by the carefully blended leaves of the filler.

Sumatra wrappers are the mildest grown.

The wrapper should burn "true" in perfect time with the rest of the cigar.

The Sumatra wrapper of the OWL burns true, as it should.

Add to this the fact that Sumatra wrappers are the silkiest and best-fitting possible, and that they help to make a well-appearing and well-drawing cigar—and you get the final reason why the OWL is made, always, with an imported Sumatra wrapper.

YALE AND HARVARD PREPARE FOR CLASH

Annual Event Is Called by Expert, a "Football Fuss" which Is Suggestive

By H. C. Hamilton. (United Press staff correspondent.) New York, Nov. 20.—Yale and Harvard today began final preparations for the football fust of the year. Points will be driven home by the rival coaches, secret practices will be held and every energy will be bent toward turning up victory Saturday.

But the glory of victory this year will be empty. At Providence, R. I., there are justified claims that top those of Yale, Harvard, Princeton and all the rest of the gang. Brown, with the husky negro, Pollard, as a minisay, has whipped both Yale and Harvard, who have victories to their credit over Princeton. Brown still has a game on its schedule and it is a tussle of considerable importance. In Colgate the Providence eleven will find a worthy opponent on Thanksgiving day.

It is unfortunate that schedules did not call for a meeting between Pittsburg and Brown. These two elevens are the class of the east right now. Neither has seen its standard trailed in the dust this year and what is more they have won their games by a preponderance of figures that leaves no room for argument. Pittsburg hasn't met Harvard nor Yale, but it probably is just as well for the elevens of those two chesty universities that she didn't. The principal winter sport probably will be deciding whether Brown or Pittsburg is entitled to the title.

Yale's victory over Princeton by a touchdown and a field goal gives the Blue a decidedly advantage in fixing a basis on which to spread the dope for the meeting next Saturday at New Haven. Harvard was unable to cross the Tiger goal line. The best that could be accomplished was a field goal and Yale was good enough to register one of those also. Yale's attack proved stronger against the Princeton defense than did Harvard's and Yale showed to a better advantage in picking up the Tiger misplays.

After Thanksgiving Game. Berkeley, Cal., Nov. 20.—Victory on Thanksgiving day was the slogan of the California student body today when the Bear football squad resumed its training and preparation for the final contest of the season. Coaches Smith, Mahan and Ziegler, whose work transformed in two weeks a squad of indifferent players into a fighting, speedy pack, do not expect to defeat Washington when the two elevens have their second game of the season at Seattle, November 30. They do believe, however, that Saturday's contest, which Washington won by a score of only 13 to 3, will fill the Bears full of confidence and "pep" and sent them into the next game determined to do or die.

Albany High Too Speedy For Salem High Boys

Albany, Or., Nov. 19.—Albany high school smeared their lighter opponents from Salem high yesterday afternoon with mud and a score of 24 to 0. Round Up field was a wallow, making good football impossible. Albany got the breaks and scored 18 in the first half. Salem fought hard in the last and all Albany could do was one touchdown, which was made after Tub Davis intercepted a forward pass and ran 40 yards to Salem's three yard line. On the next play Miller fumbled, the ball bouncing over the line and was finally recovered by a blue and gold player.

The game was closer and harder fought than the score indicates. While Albany could not make yardage consistently, they held Albany many times and played a great defensive game. The first score came in five minutes after Eastburn's 25 yard return of the kick off, his 25 yard end run, and after two 15 yard gains by Schultz Bilyeu went seven yards for the goal. The next score came in the second quarter, after Salem had held Albany's 40 yard line and Pete Miller ran 60 yards on a fake punt. The next score was made soon after Albany kicked off again. Miller punted 20 yards, Salem fumbled and Captain Schultz recovered and ran 35 yards. The second half was a see-saw, both sides being in danger.

Dobie's Worriers Win Victory Over California

California Field, Berkeley, Cal., Nov. 19.—G.H. Dobie's gloomy forecast failed as usual to come true yesterday afternoon on California field and Washington's football eleven took from California by a score of 13 to 3. The blue and gold men fought valiantly but were vanquished by a strong eleven. Washington scored a touchdown in the first quarter when Murphy was pushed over. Faulk failed to kick goal. Three minutes after the second quarter opened, California, by a series of pretty passes, carried the ball to Washington's 10 yard line, where Montgomery put a pretty field goal between the posts.

Washington scored again in the third quarter when Grimm recovered a blocked kick and three line smashes by Hainesworth over a touchdown. Faulk kicked goal. It was a contest of straight football against the open game and the former won. Only once during the entire contest did the northern eleven attempt a forward pass and that one was smeared. They confined their efforts to powerful plunges through the line and skirting of ends.

Multnomah Defeats Whitman College Team

Portland, Or., Nov. 19.—Displaying an offensive punch that ripped big holes in the Missionaries' line and putting up a wonderful defensive game, the Multnomah Amateur Athletic club crowned itself with glory yesterday afternoon in the "Winged M" stadium with a 6 to 0 victory over the Whitman college aggregation.

College Frosh Teams Play Scoreless Tie

University of Oregon, Eugene, Nov. 19.—In one of the best games played on Kinkaid field this year, the Oregon Aggie frosh played the University frosh to a scoreless tie yesterday afternoon. Each team appeared on the field in excellent condition, and despite the muddy gridiron the teamwork was of regular machine fashion.

FAYS FREAK BET

Joe Chown and W. R. Reeves, of Buena Vista, made a freak bet on Wilson and Hughes, Chown being on the Wilson side. The loser was to ride a trailer attached to an automobile from Buena Vista to Independence and return without cushions or blankets. As Reeves lost, he took the ride last Saturday afternoon and up until this time as far as known has not had a call in a physician.—Independence Monitor.

EVERETT KILLING STIRRING SEATTLE

Mass Meeting Forwards Bitter Resolutions to President and Congress

Seattle, Wash., Nov. 20.—Resolutions, adopted by the largest mass meeting ever held in Dreamland pavilion here, were forwarded today to President Wilson, congress, Secretary of Labor Wilson, United States Senator Miles Pomfret of Washington and Meyer London, socialist congressman of New York, urging congressional investigation of the killing of seven and the wounding of 50 men at Everett, Wash., on Sunday, November 5, when the steamer Verona carrying 250 I. W. W. members from Seattle was met by citizen deputies in Everett.

The meeting held Sunday afternoon was called by the Central Labor Council jointly with an Industrial Workers of the World, as a demonstration in behalf of the right of free speech, which, the speakers contended, was lawlessly abridged by the authorities at Everett. A crowd of 5,000 persons participated. Mayor Gill's statement that the sheriff, mayor and citizen deputies of Everett had no right to prevent the Verona from landing its passengers, was enthusiastically endorsed by the speakers. The report of the federal industrial relations committee was cited several times in support of the contention that the Everett incident was similar to other cases where employers, aided by the authorities, trampled on constitutional rights, law and order. The latter were denounced as the real anarchists who resort to "direct action." In this class was included the "law and order" committee organized last week in Seattle by 100 prominent citizens who denounced Mayor Gill.

Society Dancers Come To Ye Liberty Theatre

Maurice and Florence Walton, the internationally celebrated dancers who are making their motion picture debut in the Famous Players production "The Quest of Life," have the distinction of having overcome the prejudice of the Queen of England against the tango. Her majesty had only seen the dance performed by people of inferior ability who had accentuated the objectionable

features of the show to such an extent that she banned it in London society. It was at a big concert function that Maurice and Miss Walton were dancing by invitation when Queen Mary was persuaded to allow them to do their version of the dance. At the completion of the performance her majesty applauded the dance and the ban was immediately lifted, with the remark that she had never dreamed that it could be performed so gracefully.
