The general opinion among lawyers is to the effect that if the proposed bonding of the city for street improvements is to come before the voters of the city at the December 4 election, that the supreme court will have to hurry in rendering its decision. The legal men say that notices of election must be posted before an election and such being the case, this must be done before Thursday of this week, the 24th. The city recorder refused to place on the ballot the initiative measure for bonding the city for paving, basing his refusal on legal grounds and mandamus proceedings were brought before the supreme court to compel him to place the measure on the ballot for the December 4 election.
