Barring the streets as jitneys, the auto bus operators have disguised their vehicles as taxicabs and made 50 cent and \$1 trips for a nickel.

Have Row Over Grimm.
Seattle, Wash., Nov. 23.—An entirely new football team, whipped into shape from class elevens, may have to meet California here Thanksgiving because the first squad men have declared a strike.

They walked out yesterday after the faculty had refused to rescind the ruling that big Bill Grimm, varsity tackle, could not take part in the contest here. Although Grimm had not violated any conference rule, his scholastic work has been low. He got a late start in college along with the other national guardsmen who came from border duty, and football kept him from hitting the line very hard in the classroom.

One of Big Bill's note book accounts of the reign of a medieval European king stated: "He led a fast life and so did his horse."

The faculty has so far refused to reconsider its action in declaring Grimm ineligible. The team is serious in its intention to refuse according to Captain Seagrave. The men failed to show up for practice yesterday afternoon. They say they, and not Grimm, are punished by the ruling at this stage of the season.

Thinks Team Will Play.
Berkeley, Cal., Nov. 23.—John Stroud,

GRADUATE MANAGER OF ATHLETICS AT THE UNIVERSITY OF CALIFORNIA, TODAY REFUSED TO VIEW SERIOUSLY THE THREATENED CANCELLATION OF THE SECOND CALIFORNIA-WASHINGTON GAME AT SEATTLE THANKSGIVING BECAUSE OF THE DISBANDING OF THE WASHINGTON VARSITY ELEVEN. HE STATES THAT IN SO DOING, THE WASHINGTONIANS WOULD LOSE THE BIGGEST GATE RECEIPTS OF THE SEASON, AND CONTENDS THAT THE MOVE IS NOT FOSTERED ONLY BY THE PLAYERS THEMSELVES, OVER THE DISBANDMENT OF WILLIAM GRIMM-TACKLE, BECAUSE OF EXAMINATION DIFFICULTY.

To California, the cancellation of the game means only the loss of a chance to play Washington again, visiting college athletic teams getting only expenses. There is confidence expressed here that before Washington cancels the game scheduled a week from today, students and faculty will cause the players to change their minds and play.

Harvard Goes to Ground.
Boston, Mass., Nov. 23.—Harvard's husky football squad, comprising two full teams and nine extra subs, left on the Bay State Limited for New Haven today. This afternoon the Crimson warriors will have their first workout of the year in the Yale bowl.

Mathewson for President.
New York, Nov. 23.—The New York Sun today declared that Christy Mathewson, now manager of the Cincinnati National league club, may be made president of that club to succeed Garry Hermann. Hermann, it was said, is expected to retire in order to become a touring chairman of the National commission.

Not in Ritchie's Class.
Seattle, Wash., Nov. 23.—Sid Mitchell, Australian welterweight, lacked class enough to show to advantage with Willie Ritchie here last night in their four-round bout. The former champion displayed his old time speed and cleverness and scored two knockdowns. Ritchie won all the way.

On the same card Frank Farmer, of Tacoma, had the better of Valley Trambitas, Portland middleweight, by 15 pounds and copped the decision after the Portlander put up a tough battle. Billy Nelson, Spokane featherweight, won in four rounds from Leo Houck, of Seattle.

PROSPERITY IN CANADA—Thousands of farmers in Western Canada have sold their crops this year for more than the total cost of their land. Land at \$15 to \$30 an acre has produced crops worth \$40 to \$75 an acre. Stock raising and dairying are equally profitable—hogs and beef highest in country's history. Irrigation districts producing more alfalfa and fodder crops than ever before. Get your farm home from the Canadian Pacific Railway. Last year I asked you to take advantage of this opportunity—you might have paid for your farm with the 1916 crop—again I extend the invitation. Good land from \$11 to \$30 per acre; irrigated land from \$35; 20 years to 100; government guarantees land and water titles. Pay in full at any time if desired. We will lend you up to \$5,000 in improvements in certain districts. With no security other than the land. Ready made farms sold on special easy terms. Loan for live stock after one year's occupation, subject to certain reasonable considerations explained on request. Low taxes, no taxes on improvements. Free schools; full religious liberty; good climate, and the best neighbors in the world. Other farmers becoming rich in Western Canada; you have the same opportunity. Buy direct from the Canadian Pacific Railway. Write for free book and full information. J. S. Dennis, assistant to the president, Canadian Pacific Railway, 77 Ninth Avenue, Calgary, Alberta, Canada.
