### PHYSICAL DIRECTOR GETS BETTER JOB

### David Bruce To Have Charge of Physical Work in China College

David K. Bruce, physical director of the Washington junior high school and in his resignation to the school board of directors as he has been offered a position as director of physical education in the higher normal college of Peking, China. This school is about 100 miles from Peking.

Mr. Bruce was offered a two year contract and a salary double the amount paid for his work here. According to the custom of teachers' resignations the school board will be obliged to accept it within 30 days.

Mr. Bruce is a graduate of Reed college of Portland. He was married about a year ago to Dorothy Walton of Portland.

### RAILROADS WILL

(Continued from page one.)

supplemental to the resolution already adopted criticizing Secretary Baker for agreeing to furnish military instructors to all schools that desire them.

Adoption of a resolution followed several heated speeches--all favoring the embargo.

"The motto of the profiteers," shouted

### Stomach Sufferers

MAYR'S Wonderful Remedy. One Dose Will Convince You.

Mayr's wonderful Remedy is well known throughout the country. It rarely ever fails and those afflicted with Stomach, Liver and Intestinal ailments, Indigestion, Gas in the Stomach and Intestines, Dizziness, Fainting, Constipation, etc., should by all means try this remedy. Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distressing after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee--if not satisfactory money will be returned. J. C. Perry, 115 S. Com'l St.

### GRANDMA USED SAGE TEA TO DARKEN HAIR

### She Made Up a Mixture of Sage Tea and Sulphur to Bring Back Color, Gloss and Youthfulness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50 cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

ed Delegate Joseph Cannon of New York, "seems to be not 'America first,' but 'starve America first.'"

Want Embargo on Wheat.

The resolution as adopted declared the American Federation of Labor urge upon President Wilson and congress "the necessity of placing embargo upon the exportation of wheat and other foodstuffs, as far as our international, legal or treaty rights will permit, until prices are restored to normal."

The resolution declared the department of agriculture estimates that the 1916 wheat crop are barely sufficient to provide bread for our own people for the coming year and that it is alleged agents of foreign countries have contracted with American grain speculators for two hundred million bushels of wheat.

"Flour is higher now than at any time since the Civil war," the resolution said and all other staples are advancing in proportion, so that it is rapidly becoming impossible for a great portion of the working people of this country to obtain sufficient and proper food for their families.

Declaring an illegal conspiracy exists to keep the price of print paper up, the federation by resolution called on the department of justice to investigate through federal grand juries in the large cities to obtain the evidence of such conspiracy "and that the printing industry may be rescued from those who are successfully manipulating prices and supplies."

Many union men in the printing industry have been forced out of employment, the resolution said, through the suspension of publications "hit by the exorbitant paper prices." The great in-

### Hayesville Ladies Give Entertainment

The Ladies Aid society of Hayesville gave a most delightful entertainment last Wednesday evening at the charming country home of Mr. and Mrs. B. J. Teel, the occasion being the annual reception of the society.

An innovation which proved to be a very departure from former years was the presence of the husbands of the members. There were nearly 50 people in attendance and a short program was given consisting of recitations and dialogues. After which a bounteous feast of good things to eat, the excellence of which was widely proclaimed by the interested parties. After lunch appropriate games were indulged in until a late hour.

**TO PROBE ELECTION FRAUDS**

Cincinnati, Ohio, Nov. 23.—A special federal grand jury to probe election frauds in Cincinnati was ordered late today by United District Judge Hollister, following a conference with Stuart Bedia, United States district attorney, and Frank C. Dales, special assistant attorney general. The jury will meet December 4.

creases in prices, it was declared, were in the face of the fact that the cost of production is lower than ever before.

### SALTS IF KIDNEYS OR BLADDER BOTHER

### Harmless to Flush Kidneys and Neutralize Irritating Acids--Splendid for System

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, stinging sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia water drink, which quickly relieves bladder trouble.

### CHARTER CHANGES TO BE VOTED ON DEC. 4

### Would Limit Contracting Power of City and Give Preference to Local Labor

In the city election pamphlets now being sent to the voters for the election on December 4 are the two measures printed in full. The first concerns the limiting of the contracting power of the city, regulation of the planting of trees and other vegetation in the city, and giving preference to local labor.

The section containing the amendment to the charter is as follows:

"Section 24. Any contract entered into for or on behalf of the City of Salem for a period of longer than five (5) years, shall be null and void from the date of such contract. In the execution of any contract for public work by the city, or by any contractor, contracting firm, or corporation, preference shall be given in the employment of labor to citizens of the United States who are bona fide residents of the city.

"The common council shall have the power to prohibit, regulate and control the planting, trimming, growing, use, preservation and maintenance of all shade and ornamental trees, shrubs, plants and flowers in the streets, alleys and public ways. The common council shall have power to provide by ordinance for the removal of weeds and all rank vegetation growing upon vacant lots and in the streets and public places of the city, and to make the expense of such removal a lien upon the property upon which such weeds and vegetation may be, or upon the property abutting upon the streets upon which such weeds and rank vegetation may be found; provided, that ten (10) days notice is first given the interested property owners."

Another Proposed Change

The second charter amendment submitted gives the council power to provide by ordinance for the collection of liens upon property that now is or may hereafter become delinquent. The text of the amendment is as follows:

"Section 35. A sum of money assessed upon property under the authority of the charter and ordinances of the City of Salem, shall not be collected until by order of the council ten (10) days notice thereof is given by the recorder by personal service upon the property owner, or if personal service cannot be had within the City of Salem, the notice may be served by publication thereof for ten (10) days in a daily newspaper published in the City of Salem, and a copy of such notice shall be mailed to the post office address or such property owner whose such post office address is known; such notice must substantially contain the matter required to be entered in the docket of city liens concerning such assessment. The common council shall have power to provide by ordinance for the collection of all liens upon property authorized by the charter and ordinances of the City of Salem which now are or may hereafter become delinquent, either by a sale of such property, or by the issuance and sale of certificates of delinquency and a foreclosure of such certificates by the owner thereof by suit in the circuit court of the state of Oregon for Marion county in the manner now provided by law for the issuance of certificates of delinquency for state and county taxes and the foreclosure thereof."

### EXPERT DOPE ON BIG GAMES TOMORROW

### Blue and Crimson Evenly Matched--Army Picked As Winner

By H. C. Hamilton  
 (United Press staff correspondent)

New York, Nov. 24.—Judging from past performances the fact that Percy Haughton is the Harvard coach and that Yale threatens to turn after being the under dog since 1911, it appears today from a casual glance that at New Haven tomorrow about 75,000 persons will see one of the hardest fought football games ever played between the Blue and Crimson.

Also, judging from the power of the Army backfield comparative records, and the fact that the Army has held it upper hand for several years, it looks as though patrons of service battles at the Polo Grounds are going to see the Army mule once more victor.

But no matter which way the tide runs and no matter how much of the old dope is kicked off the football fields, there is one portion of the well known advance news that cannot be stifled. Tomorrow will be a record breaker in the way of crowds at football games.

It doesn't make much difference what kind of weather is ground out for the fray, at New Haven at least 75,000 persons are expected to be on hand. More than 77,000 tickets have actually been sold. At the Polo Grounds upwards of 40,000 will pack and jam them selves in to watch the Army-Navy fray. This brings a grand total of about 115,000 persons who will watch forty four men mail each other.

Navy's team reached New York early and immediately went to the Biltmore hotel which will be headquarters for Coach Ingram's huskies. They will take their final workout this afternoon at the Polo Grounds.

Harvard's team left Cambridge and the men now are in New London, where they will stay until tomorrow.

**Eastern Team Will Not Play**

Berkeley, Cal., Nov. 24.—The University of California athletic directors today abandoned plans to have an eastern university football team play the California squad here. This followed a letter to Head Coach Andy Smith from the institution where he starred in football—Pennsylvania—stating that the team will play no other game except its New Year's day game with the University of Oregon when it comes to the coast. There was hope that a game with Pennsylvania could be played here shortly after New Year's.

**Oregon Accepts Challenge**

Eugene, Or., Nov. 24.—Oregon will go south to meet Pennsylvania at the Tournament of Roses "big game" in Pasadena on New Year's day. At a special meeting of the faculty the move was sanctioned. The athletic management today telegraphed the Tournament of Roses association sending acceptance of the invitation.

**All Rayless Gloom**

Seattle, Wash., Nov. 24.—Bill Doble is today again at his old job. He is imparting football knowledge to the University of Washington football team and showing them where they have no chance to hope for victory over show piece of the place—built 280 years ago—is the skeleton of Holy Victoria, the first nun in Austria, literally covered with gold bead work much of it fashioned in the eighteenth century by the hands of the empress, Maria Theresa. Opposite is the gold jointed skeleton and skull of the first Austrian archbishop.

Thursday afternoon's final bearing of the body to the grave will also be impressive in its sombre pomp. All the German princes, including many from neutral countries, are expected to attend.

The emperor's coffin will be enclosed in a silver covering before the emperor is buried in the chapel of the Capucines.

### AUSTRO-HUNGARY

comply with the dead emperor's wishes that his people might view him in death.

Many Countries Show Respect

The Hofburg Augustiner church, on the altar of which the emperor's body will lie in state, is of plain interior but rich in historical associations.

Under the magnificent altar, the

**Great Crowds Gathering**

New York, Nov. 24.—New York's hotels are crowded to their roofs today on the eve of the Army-Navy football game. Thousands of persons intent upon seeing either the game here or the Harvard-Yale contest at New Haven are here. The New Haven crowd will be jamming trains to the Connecticut city all day today and tomorrow morning. All hotels reported every room taken.

The Atlantic fleet arrived early today. Warships will remain anchored in the Hudson for the big service game. The Utah, Wyoming, New York, Texas, Oklahoma, Connecticut and Florida, battleships, were in the fleet. The dreadnaughts Arkansas and Pennsylvania; three cruisers, the Dubuque, San Francisco and Baltimore, and the colliers Jupiter and Cyclops already were in port.

Between 10,000 and 15,000 men aboard the ships will be granted shore leave while they are in the river.

**Salem Alley Team Defeated Oregons**

In an unusually close game of bowls on the Salem Alleys played last night in the city league series, the Salem Alleys team defeated the Oregons by the score of 2449 to 2414. Patton of the Salem Alleys captured high game with 212 points and high average 614. The following is the score:

Oregons	(1)	(2)	(3)	To.
Sundin	180	122	175	477
Whorley	109	142	167	478
Prank	162	145	137	444

**Salem Alley Team Defeated Oregons**

Salem Alley	(1)	(2)	(3)	To.
Campbell	150	195	151	496
Swieunik	141	124	150	415
