

# A Famous Physician's Wonderful Discovery

After a series of careful experiments and tests at the Invalide's Hotel and Surgical Institute, Buffalo, N. Y., covering many years—Dr. Pierce, the medical director of that hospital made an announcement that he could prove that a medicine which he called "ANURIC" was the best uric acid solvent now to be had. As a remedy for those easily recognized symptoms of inflammation—as scalding urine, backache and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, lumbago, sciatica, gout, it is simply wonderful how quickly "Anuric" acts; causing the pains and stiffness rapidly to disappear. Swollen hands, ankles, feet are due to a dropical condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the blood is filled

with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations. It is just as necessary to keep the kidneys acting properly as to keep the bow is active. The very best possible way to take care of yourself is to take a glass of hot water before meals and an "Anuric" tablet. In this way it is readily dissolved with the food, picked up by the blood and finally reaches the kidneys, where it has a tonic effect in rebuilding those organs. Step into the drug store and ask for a 50-cent package of "Anuric," or send Dr. Pierce 10c for trial pkg. "Anuric"—many times more potent than HTH, eliminates uric acid as hot water melts sugar. A short trial will convince you.

## ROAST DOG LEADER ON ELECTION MENU

### Humane Society Moves to Save Purp But Learns It Was Only "Hot Dogs"

Hot dogs! Hot dogs for election bets! No there will be no real dog roasted in Pitts' woods near Hayesville tonight, although it was reported a representative of the Democratic party of Hayesville was lugging a fat, sleek pup about the city last night trying to exchange it for a large boad so that the appetites of the Republicans of Hayesville might be satisfied.

John McNary, who is president of the Salem Humane Society, had an avalanche of telephone calls regarding the proposed roasting of a dog to make a Democratic holiday and demanding interference. Prodded thus, Mr. McNary went to see District Attorney Ringo, who in turn called up the boys who were to pull off the roast. And the boys explained to Attorney Ringo that the roast was not to be a real dog but merely weinies, or, in common parlance, "hot dogs."

The significance of the letters B. F. O. E. was duly impressed on Henry Andrews Keene, who was admitted into the membership of the Salem lodge of Elks last evening. The secretary reported that during the past year 100 members had been taken into the lodge and that the present membership was over 700. The attendance last night was 165.

## THAT BAD BACK

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Salem residents recommend Doan's Kidney Pills. Read this Salem man's statement.

Joseph Wint, retired blacksmith, 608 High St., Salem, says: "My back and kidneys bothered me. My kidneys were disordered and my back seemed to lose strength. Soort use of Doan's Kidney Pills soon put me right." (Statement given December 12, 1912.) On April 11, 1916, Mr. Wint said: "My opinion of Doan's Kidney Pills is just the same today as it was when I gave my first endorsement. I haven't had any of that former trouble now for several years and I give them credit for bringing such lasting results."

## CITY NEWS

A big dinner and a big time are scheduled for the boys at the Oregon State Training school for Thanksgiving day. The big dinner will come at noon and in the afternoon there will probably be a football game.

Pupils of the state blind school are working on a Thanksgiving cantata which will be presented next week. The name of the piece is a secret and will be given out only the night of the performance, which will be for the students only.

C. C. Hunt, who lived in Salem about three years ago, but who has been living in Detroit, Mich., died suddenly this week, according to news received by his daughter, Mrs. Guy McDowell, of Polk county. Friends in Salem early in the week received a letter from him and he was then in good health.

After the Woman's Relief Corps bazaar Saturday in the Moose building, a program will be given in the hall upstairs. The admittance to this program

## BREYMAN ESTATE VALUED AT \$300,000

### Is Left Share and Share Alike to His Three Daughters, Two of Salem

W. H. Eldridge, executor of the will of the late Werner Breyman, filed the will for probate today with the county court, and his papers show that the estate is estimated to be about \$300,000 and to comprise real and personal property. The heirs at law are Elva Breyman Brown of Salem, Ada Breyman Eldridge of Salem, and Anna Breyman Prael, of Portland.

The will itself is brief and gives to his three daughters, above named, his entire fortune, except what is necessary for funeral and testamentary expenses. Jasper Skafie, J. A. Baker, and E. M. LaFore, are appointed appraisers by Judge Bushby.

The ladies have planned an entertainment that is believed will be exceptionally pleasing. There will be a drill by 16 young ladies, musical numbers, and some fancy dancing.

Save the corn husks as they now have a mercantile value. The hot male business has reached such proportions that bales of corn husks are now sold by commission houses. For small amounts, the whole sale price is 15 cents a pound and in bales of 75 pounds the price is 10 cents a pound. Corn husk bales sold here are bought in Portland.

The South Salem Men's club will be organized tonight at the Leslie M. E. church, before the regular evangelistic services. The organization effected this evening will be permanent, as the men in South Salem are organizing to boost South Salem. Meetings will be held every two weeks, alternately at the Friends South Salem church and the Leslie M. E. church.

The high cost of living isn't worrying the five Wells-Fargo express employees in Salem as the company long ago established the custom of giving each employee who has seen six months' service a nice Thanksgiving bird. Those sent here will come probably from Oregon near Oakland. It requires about 35,000 turkeys as all Wells-Fargo employees in the United States and Canada will be remembered.

After the first of the year four per cent interest for money in savings accounts will be a thing of the past. An announcement will soon be made by the banks that have been allowing four per cent that after January 1, 1917, three per cent will be paid on savings accounts and three and one-half per cent on yearly certificates. This is the rate Ladd & Bush has maintained in the past and is in line with the leading banks of the northwest.

The annual tax payers' meeting held last evening in the auditorium of the high school was attended by the usual crowd of about a dozen or less. Paul Wallace was called on to preside and believing that the duty of a chairman was to get expressions of opinions Mr. Wallace called on every one present for a few remarks. The work of the school board received general commendation and the proposed levy of 63 mills was adopted. This is three mills less than one year ago.

## If Too Fat Get More Fresh Air

Be Moderate in Your Diet and Reduce Your Weight. Take Oil of Koroin.

Lack of fresh air if it is inhaled weakens the oxygen carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs is hindered thereby. The heart action becomes weak, work is an effort and the beauty of the figure is destroyed.

When you feel that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Postoffice officials are preparing to care for the usual Thanksgiving turkey rush. For those who intend to remember friends via the turkey route, it may be well to know that within 150 miles, the parcel post postage may be figured at the weight of the turkey, properly packed, plus four cents. Beyond the 150 mile limit, the postage may be figured in cents at the rate of two times the weight, plus four cents. It is rather risky to send perishable goods beyond 150 miles unless there is a quick railway service, like that to Seattle or San Francisco.

"Fair and Warmer" a play of temperament and temperament, a play that is a real one with real live people and not a movie, is the Thanksgiving attraction at the Heilig theatre in Portland. Salem people will have a chance to see this successful American farce next Monday evening at the opera house. Those who have seen the play say it is the best that has been booked for Salem for the past year. Lotus Robb, who plays the leading feminine role used to attend a seminary in Tacoma. Henry Stockbridge, one of the best comedians in the country, was an idol and played in the old Morasco stock company in Los Angeles.

The Rev. James M. Heady, recently chosen pastor of the Unitarian church, succeeding the Rev. F. F. Fischer, will present at the church Sunday evening a sermon drama entitled, "The Woman and the Covenant." In this play, Mr. Heady will act the parts of the leading characters. While pastor of a church in Oakland, Cal., he presented a series of plays, taking the leading characters in each. Acting is second nature to Mr. Heady, as he comes from a family of actors and himself was on the stage for a year and a half. Besides the practical experience on the stage, he has written a number of plays, the most successful one being "The Urchin of the Thoroughfare."
