Safety Lecture Offered To Workers in Sawmills

University of Oregon, Eugene, Nev. 25.—Thousands of needless accidents occur every year in Oregon, and several hundreds of thousands of dollars

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

must be spent to compensate for them.

"To sit idly by and view this annual waste with complacency is no longer possible. The movement for industrial safety has now spread across the country from the steel mills of the east to the sawmills of the Pacific coast. This movement has saved thousands of lives and has greatly reduced the cost of compensation in many places," says the Oregon federation for industrial safety, which was organized a short time ago to promote the safety movement in Oregon.

In Oregon a large number of serious permanent disabilities occurring on lumber knives and power-driven saws in sawmills, as well as other types of painful accidents can undoubtedly be prevented," said Ben H. Williams, secretary of the new federation and a member of the State University extension faculty.

The state industrial accident commission, the state bureau of labor under O. P. Hoff, and the University extension division. No charge is made for the lecture.

NEW SCENIC CHURCH

The new home of the Christian Science Society of Woodburn, at the northeast corner of Second and Garfield streets, was dedicated last Sunday morning in the presence of a large gathering, the seating capacity being so taxed that chairs had to be provided. Among those present were people from Portland, Salem, Silverton and Oregon City.

The regular Christian Science service was held, with first and second readers, this being the usual custom in the dedication of all Christian Science churches.

The music consisted of an organ prelude, singing by the congregation and a solo, "O Gentle Presence," by Miss Anna Ashoe, Miss McQuaid presiding at the organ. The only decoration was a vase containing beautiful yellow chrysanthemums.—Woodburn Independent.

Spring Valley News

(Capital Journal Special Service.)
Spring Valley, Nov. 25.—The reception held last Friday evening at the church was well attended. The affair was in honor of the three ministers who serve here, Rev. Pottsmith of McMinnville, Mr. Russell, a McMinnville college student and Mrs. Douglas, a Willamette university student. Rev. Pottsmith is present on the second Sunday in the month, Mr. Russell the third Sunday and Mr. Douglas on the remaining Sundays. A good program was given, Rev. G. A. McKinlay, R. C. Shepard, Rev. W. T. Scott, Mr. Douglas and Mr. Russell being the principal speakers. The McMinnville college club added much to the pleasure of the evening with their spirited singing. After the program a social hour was enjoyed, during which time a light luncheon was served. The success of the affair was largely due to the efforts of J. E. French, the Sunday school superintendent, who did most of the planning.

Wednesday evening Nov. 29 the first meeting of the parent-teachers association for this year, will be held at the school house. The school children will give a Thanksgiving program. It is hoped that all will come out and make these meetings as enjoyable and profitable as they were last winter.

Mrs. B. A. Looney entertained the Baptist mission circle on Wednesday of last week, and all passed a pleasant afternoon.

Mrs. Kate Coyle has returned from a week's visit at Newberg, and is now at Mountain View, caring for Mr. and Mrs. Wm. Patrick, who are both ill.

J. E. French was a Salem business caller on Friday.

Mrs. Lyman Purvine entertained a number of friends on Wednesday afternoon, in honor of Mrs. Frank Matthews after a short time employed in various kinds of needlework, the ladies were supplied with wire, crepe and tissue paper, and other essentials, and invited to try their skill at millinery. Very earnest were the efforts put forth, and the resulting creations were something surely never dreamed of in Paris, although several showed artistic skill. Mrs. Roland Stafford assisted Mrs. Purvine in the serving of the luncheon, and it was not until then that the guests learned that it was the birthday of Mrs. Matthews. The uniquely arranged candies topping the birthday cake told the tale, also the place cards upon which were written the birthday date of each guest. Mrs. Matthews was duly congratulated and wished many happy returns of the day.

Several guests were unable to be present, but among those enjoying Mrs. Purvine's hospitality were Mrs. Frank Matthews, Mrs. Roland Stafford, Mrs. W. D. Henry, Mrs. J. F. Purvine, Mrs. Wm. Crawford, Mrs. W. Harve Crawford, Mrs. K. C. Shepard and Mrs. Donnel Crawford.

Mr. and Mrs. Burton have moved to Portland, where Miss Mildred Burton is attending high school.

Dallas J. Sidwell, an insurance agent from Portland, was a business caller Tuesday evening of last week at the home of W. H. Crawford.

Frank Crawford has stored his Dodge touring car for the winter and has bought a Ford runabout for winter use.

Scotts Mills News

(Capital Journal Special Service.)
Scotts Mills, Nov. 25.—These are busy times. The prune packing plant is running with a full force of workers. Having to shut down on account of scarcity of cars will make the packing very late. It will take until after Thanksgiving to finish the work. Five car loads have been shipped out but this has not taken half the fruit. The prune industry is a great financial help to Scotts Mills. It is estimated that over ten thousand dollars have been, and will be paid out by the prune growers association this year for labor in harvesting and packing the prunes.

Our school is progressing nicely. The school children seem to be taking much interest in their studies.

Mr. and Mrs. Clyde Thomas, Mr. and Mrs. J. A. Taylor and Winnifred Frazier motored to Salem last Friday to attend the Friends quarterly meeting held at the South Salem Friends church. They returned Saturday evening.

Mrs. Myra Broucher Ramsey and little son returned to her home near Molalla this week.

The little son of Mr. and Mrs. S. C. Russell of Marion, who is staying with his grand parents at this place, has been quite sick with a cold but is better at the present writing.

J. A. Taylor is in Mt. Angel superintending the loading of cars with prunes for shipment to eastern markets. Last night, at the Friends church here, the mission work of Friends in Africa and the costumes of the people there, previous to the coming of the missionary, was shown by magic lantern slides. All of which was very interesting and instructive. Mrs. Tamara of Portland and Mrs. B. C. Miles of Salem had charge of the work.

The little daughter of Mr. and Mrs. Roy Rice has been so sick with a cold that she was threatened with pneumonia but is thought to be better now.

There has been considerable sickness in this vicinity on account of colds.

Jefferson News

(Capital Journal Special Service.)
Jefferson, Or., Nov. 27.—Nearly everyone in the neighborhood is laid up with the grip.

The young folks at Sunnyside are organizing a literary society.

Will Wilkening made a trip to town today.

Jesse Treisk's family has the chick-enpox.

Mrs. Fabry visited at Mrs. Crums Thursday.

The Pringle Sunday school classes held a party at Bill Grabenhorst's Friday night.

A. T. Wain and H. A. Smith made a trip to Sidney last week.

Mr. and Mrs. Niles visited H. A. Smith's Sunday.

Guy Chandler made a trip to town today.

SEMON-DRAMA AT UNITARIAN CHURCH PROVES ATTRACTIVE FEATURE

The sermon drama entitled "The Woman and the Convict," as presented by Rev. James M. Heady at the Unitarian church last night, seemingly fulfilled the expectation of the good sized audience gathered to witness this new departure in church service.

The thesis of the drama dealt with the old age question of prison reform and punishment generally as well as the theological question of whether a man who had been punished definitely for his offenses in this world was justly entitled to punishment for the same offenses in a world to come. The three characters of the production were enacted by Mr. Heady in a very acceptable way.

For next Sunday evening the subject announced is "The Choice of a Life Work," the most important choice in a person's life.

Mr. Heady was in charge of the lectures on "Vocational guidance" at the Panama Pacific international exposition in 1915, and promises that he will deliver several of the lectures at the Unitarian church, the first one next Sunday.

Arrangements are being made for a week of special meetings, one each evening beginning December 4.

Wedding invitations, announcements, and calling cards printed at the Journal Job Department—Prices right.

Book Exhibit at

Public Library

Children's books are being exhibited at the library for a week beginning Saturday, November 25th. A specialty is being made of the list "The Golden Staircase" and there are different good editions of all the books on this list. Every child wants to own some of the best books and this list "The Golden Staircase" carefully compiled by Miss Hervey the state librarian, contains some of the very best books for the child to own from the time when he begins to enjoy Mother Goose up to high school age. If you are looking for books for any of your children friends for Christmas come and see these. You will be sure to find something that will suit your little friend.

The librarians will be "at home" Tuesday afternoon in the educational room of the library to talk over the books with you and tell you about them. Come Tuesday afternoon if you can, but if you can not come then be sure

Eczema Is Conquered

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 25c or \$1.00 for extra large size, get a bottle of Zeno. When applied as directed, it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zeno is a clean, dependable and inexpensive, penetrating, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.
