Vashon Island Home Wrecked by Dynamite

Tacoma, Wash., Nov. 29.—A two-story residence occupied by a family named Loggren, at Burton, Vashon Island, was mysteriously dynamited early today, seriously injuring the father and two children.

The family of eight, including six children were asleep when a great explosion shook the home and it came crashing down on them, burying them beneath.

Tacoma police to whom the explosion was reported by one of the sons of the family, are certain that the dynamite was placed in the home by some outside person.

They are at a loss to explain a motive for the deed, however, as the boys declared the family had no enemies and that there had been no dynamite in the house to his knowledge before the explosion occurred.

The explosion has been reported to the King county sheriff who has started an investigation.

The escape of the mother and several children is declared to have been miraculous. The house tumbled down upon them like a pack of cards and was completely demolished.

Contracts Let For Four Battleships

Washington, Nov. 29.—Contracts for two battleships were awarded this afternoon by Secretary Daniels to the New York Ship Building company, and two others to the Newport News Ship Building company.

The contracts were given with the understanding that minor points shall be adjusted later. The new vessels will have electric drive.

Each ship will cost slightly less than \$11,000,000 with delivery in 40 to 39 months.

PLUGGED MILLIONAIRE

Rio De Janeiro, Nov. 29.—Capital society thrilled today discussing the killing of Carlos Silva, millionaire, by Admiral Francisco Silva to death last night in front of the national theatre, while the crowd was pouring through the doors.

Friends of the admiral declared his vindication was assured. Jealousy of his wife is said to be the cause of the tragedy.

cases when leniency could not be exercised.

Kay declared that there was such a disregard for law and its penalty that scarcely one out of every thousand auto thieves go to the penitentiary. He asserted men thought no more of stealing an auto now than a sack of flour.

He believed the judge should have power to make the sentence fit the crime, fix a just term, ten or fifteen years instead of from one to fifteen as the law provides now. He believed the prison authorities should be relieved of responsibility when men are held over their minimum sentence.

Market Is Nervous and Prices Irregular

Chicago, Nov. 29.—A general feeling of uncertainty kept the market nervous and irregular today. Much of the long wheat is now liquidated and developments at any time may start new advances after the sensational break today.

December opened steady and was later up over today's opening 1 1/4. At 1:15, May down 3/4 at \$1.75, and July up 5/8 at 91 5/8 and 91 5/8.

Corn had a better tone at the start and showed good gains on persistent buying. December was up 3/4 at 88 1/2; May up 5/8 at 91 5/8 and July up 7/8 at 91 1/4.

Oats rallied quickly after a lower opening and December was up 7/8 at 52 7/8 and May was up 3/4 at 57 1/4. Provisions were steady.

Ambassador Gerard Gets Final Instructions

Washington, Nov. 29.—Full instructions for handling different problems affecting the United States and Germany were given Ambassador Gerard today by President Wilson and Secretary Lansing.

The ambassador spent an hour with the president before taking the train for New York at 9 o'clock.

It is believed the instructions included a written memorandum on the submarine and Belgian deportation questions, although the ambassador declined to discuss the matter. He said he would sail December 5 as planned, but intimated that settling up business affairs might possibly delay him.

PROSPERITY IN CANADA—Thousands of farmers in Western Canada have sold their crops this year for more than the total cost of their land.

Land at \$15 to \$30 an acre has produced crops worth \$40 to \$75 an acre. Stock raising and dairying are equally profitable—hogs and beef highest in country's history. Irrigation districts producing more alfalfa and fadder crops than ever before. Get your farm home from the Canadian Pacific Railway.

Last year I asked you to take advantage of this opportunity—you might have paid for your farm with the 1916 crop—again I extend the invitation. Good land from \$11 to \$30 per acre; irrigated land from \$35; 20 years to pay; government guarantees land and water titles. Pay in full at any time desired. We will lend you up to \$2,000 in improvements in certain districts, with no security other than the land. Ready made farms sold on special easy terms. Loan for live stock after one year's occupation, subject to certain reasonable considerations explained on request. Low taxes; no taxes on improvements. Free schools; full religious liberty; good climate, and the best neighbors in the world. Other farmers becoming rich in Western Canada; you have the same opportunity. Buy direct from the Canadian Pacific Railway. Write for free book and full information. J. S. Dennis, assistant to the president, Canadian Pacific Railway, 77 Ninth Avenue, Calgary, Alberta, Canada.

For Itching Scalp

You do not want a slow treatment for itching scalp when hair is falling and the dandruff germ is killing the hair roots. Delay means no hair.

Get at any drug store, a bottle of zemo for 25c or \$1.00 for extra large size. Use as directed, for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is a pure, reliable, antiseptic liquid, is not greasy, is easy to use and will not stain. Soaps and shampoos are harmful, as they contain alkali. The best thing to use for scalp irritations is zemo, for it is safe and also inexpensive.

HOSPITAL WILL BE DEDICATED SUNDAY

Dedicatory Services To Be Held In Armory Morning and Afternoon

The dedication and formal opening of the Salem Deaconess hospital, of which F. B. Wedel is president, will take place Sunday at the armory with services in the morning and afternoon.

The morning services will be mostly in the German language and prominent ministers from Salem and the deaconess churches nearby will take part.

Since arriving here a short time ago from American Falls, Idaho, Mr. Wedel has purchased property on South Winter street, known as the old Waite home, which has been remodeled for a deaconess hospital and also the Kluge property on Oak and University streets which he will use for his home. Since purchasing these properties, both have been greatly improved.

An account of the large Mennonite population in the valley, Mr. Wedel hopes to soon establish a hospital in care of the Deaconesses of the church, that will be a credit to the city. In American Falls, Idaho, a town of 2,000, during the past year, the Mennonite hospital cared for 423 patients.

The program for the dedication and formal opening of the Deaconess hospital at the armory next Sunday is as follows:

10 O'clock A. M. Singing—"My Country 'Tis of Thee." Prayer—Rev. Pedree, of the Salem Baptist church. Address—Mayor Harley O. White.

Address—Rev. Carl H. Elliott, president Salem Ministerial Union. Address—Rev. Baumgartner of the Pratum Mennonite church. Address—Rev. Enns, of the Dallas Mennonite church. Address—Rev. Schlichting of Dallas.

Address—Rev. G. Koehler of the Salem German Lutheran church. Address—Rev. A. J. Weigle of the German Methodist church of Salem. Address—Rev. Kniefeld of the Park station Mennonite church.

Afternoon Services, 1:30 O'clock. Address—Governor Withycombe. Address—Rev. James Elvin of the First Congregational church. Address—Rev. George F. Holt of the First Baptist church. Address—Rev. F. T. Porter of the First Christian church.

Address—Rev. R. N. Avison of the First Methodist church. Music—Solo by Mrs. Hallie Parrish Hinges. Address—Superintendent John W. Todd of the city schools.

The needs of a Mennonite hospital will be set forth in short addresses by Dr. C. H. Robertson, Dr. P. H. Thompson, Dr. R. W. Walton and Dr. B. F. Pound.

Too Weak to Fight. The "Come-back" man was really never down-and-out. His weakened condition because of over-work, lack of exercise, improper eating and living demands stimulation to satisfy the cry for a health-giving appetite and the cry for refreshing sleep essential to strength.

A transcript of an appeal from a verdict in Justice Webster's court in favor of the plaintiff in the case of T. Poppy against W. C. and H. B. Morris, an action to recover money, was filed this afternoon in the circuit court. The amount in question is \$120.08.

The report of the appraisers of the estate of Nicholas Lambert shows that the total appraised value is \$11,318.30. The appraisers are J. T. Hunt, Joseph Heuberger, and William Van Handel.

Marriage licenses issued this afternoon by the county clerk are as follows: Edward N. Bayse, of Wafauce, Idaho, a miner, and Lillian Lee, a bookkeeper of Salem; Thomas E. Cochran, of 285 North Fourteenth street, Salem, and Ice Cream manufacturer, and Huldah E. Phillips, 285 North Fourteenth, Salem; Albert H. Clark, a freewater farmer, and Helen M. Scollard, of West Woodburn; August Leisy, 879 Junior street, Portland, a clerk, and Alma Evelyn Roth, of Salem.

Rosario Parisi, age 24, renounced his allegiance to King Victor Emmanuel III, today and took out his second naturalization papers. He arrived in the United States in June, 1910, on the steamer Christiana D. Apronimo from Naples.

Judge Galloway today issued a writ of mandamus commanding D. G. Drager to pay to Thomas B. Kay, state treasurer, the sum of \$847.70, as he longed to the exchequer fund of the state of Oregon, or show cause before the court why he should not pay it. The sum in question is the distributive share of Roy Pugh in the estate of Amanda Wheeler, who died in Salem September 5, 1911, leaving \$20,197.13. At this time Wiley A. Moores was named executor and the county court ordered payment to Roy Pugh of his distributive share. The executor reported to the court that he was unable to find Roy Pugh whereupon the court ordered him to turn it over to the county clerk. Pugh failed to apply for the sum and in June 1913 the court ordered the county clerk to turn the sum over to the county treasurer, who holds the money and fails to turn it over to the state treasurer. The writ of mandamus was asked to compel the county treasurer to turn the money over or in default to show cause why he has not done so.

There is practically no change in the sheep division. There was but a light supply offered which were eagerly taken by local packers, no strictly choice stuff has been offered the last few days. Valley lambs again brought 50 with a bunch of east of the mountain lambs at 48.50; wethers 47.75; ewes, 45.75.
