

America's Electrical Week Dec. 2 to Dec. 9

Thirty years ago there were practically no electrical home comforts. Now they are nearly unlimited---from the Electric Iron that nearly everyone has to the Electric Range or Washing Machine that everyone wants

Are You Living in 1916

Do you realize that you can do your washing with an Electric Washer for THREE CENTS A WEEK for power, and do it without any drudgery? If you don't know, ask one of the women in Salem who use one.

Is now almost as necessary as an electric iron, and costs less to use.

Let us tell you about them.

TONES sometimes wakes up feeling cross J and in consequence the family know it without his telling them in so many words.

Mrs. Jones attributes it to biliousness and if it doesn't wear off during the day she gives him a dose of liver medicine at night. The next morning he feels better and she gives him coffee for breakfast,-and the next morning,-and the next morning. And in a few days Jones has another spell.

Dear Mrs. Jones means all right, but she doesn't seem to realize that if she didn't give Jones his morning coffee she wouldn't have to give him the liver medicine and Jones would feel all right without both.

Housewives everywhere have found out that Instant Postum takes the place of breakfast coffee perfectly. And that is only one of the reasons why Instant Postum has wholly supplanted the use of coffee on thousands upon thousands of American breakfast tables.

Monmouth, Orc., Dec. 5.—About 125 students of the Oregon normal school remained in Monmouth instead of going home for Thanksgiving vacation; however these were not forgotten and no control of the control

we as a people should be thankful.

Friday morning of last week Mrs.
Theresa Castner, of Hood River, president of the Federation of Women's clubs, of Oregon, spoke at chapel, giving her views of the work heing done by the clubs of Oregon and telling of the great convention held this year in New York. From her talk the students gained a better understanding of elub work and a thorough realization of its importance. She urged every once to join in the work with the local club. Mrs. Castner was a guest at Normal hall while in Monmouth; Miss Todd giving a diamer to members of the faculty and the students from Hood Rives in her honor.

The women of the normal who live at the Griffo Rooming house which has level for the normal faculty.

The women of the normal who live at the Griffo Rooming house which has recently been so nicery minished and equipped, are so proud of their ahode that they recently gave a ten and open house to their many student friends and faculty women so that they might see and appreciate the comfert and convenience which they enjoy.

Morris and the Misses West and Butier of the normal faculty.

Bev. Fisher was very pleasantly surprised on Tacsday evening by a number of friends who came in a body to help the conference of the comfert and convenience which they enjoy.

wenience which they enjoy.

Mr. Ingram, président of the student body, represented the senior class at chapet Monday morning, taking for his subject "Vocational Training As An Aim in Education."
