Macleay News

(Capital Journal Special Service) Macleay, Or., Dec. 5.—The club which was recently organized at the Nixwander home in Macleay, met at the Matton home in Bethel last Saturday evening and chose the name, "The Macleay Good Times Club," for its official designation. Twenty-four of the members, a small part of the total membership of the club, were present, the rest remaining at home presumably on account of the inclement weather. The evening was spent in games and music and at a late hour a dainty luncheon was served. As is usual, Macleay celebrated Thanksgiving with many dinners the largest of which probably was the dinner at the P. E. Goodell home. Covers were laid for twelve. Mr. and Mrs. G. D. Bowen and daughter Merile were visitors at the J. P. C. Tekenburg home last Saturday and Sunday. The visitors are from Silverton where Miss Bowen is a teacher in the Silverton high school. A birthday party was held at the Kaiser home Sunday in honor of R. P. Kaiser. A large number of relatives and friends were present. There will be a grange meeting at the hall Friday, commencing at ten o'clock. All Grangers are urged to attend as there will be election of officers. Mrs. Harry E. Martin and daughter Alta, spent Saturday and Sunday at the Ivan Beers home in Salem. Theron Russell and family spent Thanksgiving in Shelburn at Mrs. Russell's parents' home. Pratum Items

(Capital Journal Special Service) Pratum, Dec. 6.—S. J. Yates has returned from Canada with his new bride. The Franklin Literary society held its regular meeting last Friday evening. Two debates one by the junior members furnished the program for the evening. The paper by Mr. Crahan was very interesting and entertaining. The society will meet again Dec. 13. Mr. Ed and Miss Aina Roth were united in marriage at the home of the bride's parents on Thanksgiving day. They will reside in Portland. Miss Alicia Welty spent the week end with her parents. Miss Anna Schroeder also spent the week end with home folks. The pupils of the Pratum school enjoyed a short program Wednesday afternoon. Both the school and the churches are making preparations for Christmas programs. The choir practiced Christmas songs at Rev. Baumgartner's last Friday evening. W. P. Emery took some fine Hereford cattle to the Portland Livestock exposition which will be held this week. G. W. Eyre shipped a carload of hogs and sheep. Pratum has a new stockyard which the S. P. employees put up last week. The stockyard was pressed into service almost before it was completed. The teachers' training class of the Mennonite church was organized last Sunday evening. The Mennonite hospital of Salem was dedicated last Sunday. Owing to the inclement weather very few from this community attended the services. Mr. and Mrs. Baumgartner, Mr. and Mrs. Welty and Peter Steffen and family were those who represented this community. V. J. Krebiel was a Salem visitor today. The team led by John Clark won the contest by a score of three to two. In the hundred yard dash the racers with their noses each pushed a marble three times over a course eight feet long. DRINK MORE WATER IF KIDNEYS BOTHER Eat Less Meat and Take Salts for Backache or Bladder Trouble—Neutralizes Acids

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region; you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to cleanse clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

at the home of the groom's parents near Mount Pleasant, following the ceremony at the cathedral. The bride is from Albany. Road district No. 32 has voted a three mill tax for a permanent improvement fund. "The Gift of Gifts," a Christmas mystery play, is under preparation for the Saturday night before Christmas at the Methodist church. Quite a number of people are taking part in the production which promises to be one of the big attractions during the Christmas season in Stayton. J. W. Mayo and J. M. Ringo will visit Salem Saturday evening. The Ilihee club, an organization of gleeful spirits, will meet on Thursday night of this week. The Sublimity Dramatic club which organization put on a performance here last week, is composed of young people who apparently possess some histrionic ability. On November 29 a happy bunch of neighbors gathered at the home of Lew Thomas to do honor to the fact that it was the birthday of Mrs. Thomas. They had a fine time with taffy pulling and other choice features arranged for the evening's entertainment. It was in the nature of a surprise party and according to reports was planned well. Donald Mars, of Gervais, was here last week. His father is justice of the peace, editor of the Gervais Star, chairman of the school board and a few other things in that thriving little town down the line. E. L. Small is home in Stayton from Astoria. Mr. and Mrs. James Thomas, of Salem, spent Thanksgiving in Stayton. Miss Veda Young, who is attending school at Corvallis, visited her parents of this city recently, Mr and Mrs Ed
