their troubles as well as those who are asked to pay what seems to be unleard of high prices. According to recent prices asked for raw materials, it is not the retailer who is getting the extra hold its regular meeting December 10 in money, but just simply the demand for the school house. A speaker on agriculture is promised to speak.

The basket social given at the church control of the problem of the public school. foreign governments buying all the raw materials available. For instance: Sheep skins costing eight cents a foot from 15 cents to 52 cents a foot during are to be congratulated, the year; black calf one year ago was Mr. W. F. Harris was a Salem buthe year; black eaff one year ago was Mr. W. F. Harris we quoted at 27 cents but now it is 65 ness visitor this week, cents; goat skins have advanced from H. E. Koenzh spent several days to 10 to 35 cents a foot; calf skins were 27, the Capital while there attending the cents a foot one year age, but now the school directors' convention, price is 80 cents a foot. It seems that Mr. Churles Gilmare while while the drygoods merchants have horse had be by skinned, the horse have their troubles about advancing prices, ing fell, causing the accident, the retail shoe man is up against it and. Did you have the fire wood in the dry the end is not yet in sight as raw mabefore? Oh, you snow! terials in leather continue to advance,

A prominent merchant makes the following suggestion for holiday shops Shop early, as each customer will receive more attention in the mornings *between the hours of 9 and 11. The near *hour is a bad shopping time us the *forces in all stores are reduced just *half during the lunch time. If the cus * tomer wants to get in a crowd and be & harried in the shapping, go down town & between the hours of 2:30 and 4:30 as greatest amountsof business and no customers can be given much time. Moral: Shop in the morning.

Howard Clark, who enlisted a few weeks ago for service in the U.S. regular army, writes the recruiting officer at Salem as follows: "I am in the ar my now and having a good time. They kept me at Portland three days and kept me at Portland three days and then at Vancouver one week and then I was sent to Fort McDowell, where I am now. I was kept in the awkward squad for a long time but got in good shape and now I am feeling fine and getting fat. They sare give a soldier, all he can cut and it sure is good, I am in good health and feeling fine.
