SOCIETY

By ALINE THOMPSON

"OUR City Beautiful" is the interesting subject selected by Mrs. A. N. Bush to be given at the regular meeting of the Salem Woman's club on Saturday afternoon at the Young Women's Christian association.

Messages of sympathy are finding their way to the family of John A. Carson, who passed away last night at his home on South High street.

Mrs. John Dubois has returned from Portland where she has been the guest of friends for a few days.

The many friends of Mr. and Mrs. Dubois will regret to know that they are planning to leave soon for Portland where they will make their home.

Mrs. J. W. Woodruff has as her house guest Mrs. M. S. Sanford and Miss Laura Jones of Pueblo, Colorado, who are en route to California.

Mrs. Sanford and Miss Jones have recently returned from an extended sojourn in Alaska.

Mrs. Ivana Bellinger and small son, Ivana Ellsworth, Jr., of Sweet Home are the guests of Mrs. Bellinger's mother, Mrs. W. H. Cook. They will visit in Salem for about two weeks.

Mrs. J. C. Pettyjohn has returned from Newport where she has been the guest of Mrs. A. L. Thomas and Mrs. L. C. Smith, former Salem residents.

Mrs. Pettyjohn passed several weeks

LONG SEARCH AFTER HUSBAND REWARDED

Salem Police Succeed in Finding Missing Man in California

Mrs. Franklin A. Coon, of Richland, New York, who was in the city for the past week looking for her missing husband, left for San Francisco Wednesday evening, where she expected to meet him, he having been located for her through the efforts of the Salem police officers. Chief of Police Welsh did all in his power to help Mrs. Coon, who is a refined and educated woman and who made many friends by her pleasing personality, and wired to have the officers in the south hold the husband.

Mrs. Coon's first story appeared in the Capital Journal about a week ago, and during the week bit by bit her story was revealed. It appears that in Richland, New York, they owned two houses worth \$40,000 and two dormitory buildings near a normal school. They also had a \$15,000 residence. Then Mr. Coon went into a real estate deal, which collapsed and left them with only \$150. He then secured a position with the Bates-Health Shoe company of Boston, Mass., as a salesman. He began work in Colorado and from there worked west. Occasionally she heard from him until in September, when the last letter arrived. She wrote to the shoe company and found he had resigned his position and sent in his samples from the city. She then left her home in the east and came here. She was compelled to sell her jewelry and part of her clothes in her pursuit of the missing husband. Today, in all probability, they are reunited.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

RETURNS TO STAYTON

A. A. Flood and family arrived in Stayton Saturday evening, glad to get back to old Oregon. Mr. Flood, who lived over in Linn county near Kingsburg, left for Oklahoma last spring, and after a few months' stay in that state, went to Maple Falls, Wash., where they lived until his return to Stayton.

They occupy the Van Truen house in the east part of town, and Mr. Flood is at work at the Wilbur Woolen Mills, Stayton Mill.

WOULD REDUCE SPEED OF AUTOS IN CITY

Gideon Stolz Makes Some Pertinent Suggestions About It

Gideon Stolz goes on record as against fast automobile driving, cutting close corners and the driving of autos past street cars while taking on or unloading passengers. In a communication to the city council at the last meeting, Mr. Stolz suggested that eight miles an hour should be the speed for autos in the center zone and that 15 miles an hour would be right for the outside district. The present law provides for 15 miles an hour within the fire district with 20 miles in the residence district with a limit of 10 miles passing school houses during school hours. Mr. Stolz also favors an ordinance wherein no curtains shall be allowed within two feet of the wind shield on each side of the auto. In turning corners at the intersection of business streets, he would cut the speed down to about three and one-half miles an hour. And that these laws should be enforced, he believes two plain clothes men should be added to the police force. The communication was referred to ordinance committee.

Spirits Will Tread Board at The Grand Sunday Night

Occult science and the occult are always associated together, and if there is a country where the learned men have really found the means of communication with those who passed "beyond the bourne" it is probably in India, since the demonstrations made there are sufficiently mystifying it is said to leave the scoffer undecided as to whether or not there can be anything in spiritualism. That there is something in spiritualism Dr. Eddy has recently returned from India, says that he will demonstrate beyond the point of contradiction at a seance at the Grand Sunday night. Among the features which it is said he proposes to give is that of summoning spirits among committee men from the audience. He says that the forms will appear and disappear at his command upon the stage which will be well lighted, at the command of the medium is claimed, the forms disappear, and appear again in the audience. Dr. Eddy says he is glad to have his tests investigated. Other demonstrations include slate writing, supernatural visions, floating tables and chairs.

* HOW TO PEEL OFF A *
* WEATHERBEATEN FACE *

It's really a simple matter to renovate a face soured by dirt, wind or cold. Ordinary mercurized waxed like cream, will transform the worst old complexion into one of snowy whiteness and velvety softness. It literally peels off the outer veil of surface skin, but so gently, gradually, there's no discomfort. The worn-out skin comes off, not in patches, but evenly, in tiny particles, leaving no evidence of the treatment. The younger, healthier under-skin forming the new complexion is one of captivating loveliness. One ounce of mercurized wax, to be had at any drug store, is enough to remove any coarse, chapped, pimpled, freckled, faded or sallow skin. Apply before retiring, washing it off mornings.

Many skins wrinkle easily with every wind that blows. An excellent wrinkle-remover, because it tightens the skin and strengthens relaxed muscles, is a wash lotion made as follows: Powdered saxolite, 1 oz., dissolved in witch hazel, one-half pint. This gives immediate results.

Last Indian Story To Be Told Saturday

Indian stories have filled the story hours for a month. On Saturday morning the last ones will be told and they will be of special interest in that they will be the stories of our own Indians of the coast. The names of the Oregon tribes are already familiar, as so many places are named for them. Klamath, Nez Perces, Tillamook, Clatsop and Klickitat Indians, all have left their legends and folk-lore.

All children are invited. The story hour begins promptly at 9:30 on Saturday morning at the public library. The remainder of December will be spent on Christmas stories.

If Too Fat Get More Fresh Air

Be Moderate in Your Diet and Reduce Your Weight. Take Oil of Kerein

Lack of fresh air it is said weakens the oxygen carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs is hindered thereby. The heart action becomes weak, work is an effort and the beauty of the figure is destroyed.

Put on by indoor life is unhealthy and if nature is not assisted in throwing it off a serious case of obesity may result.

When you feel that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

* AGAINST DEPORTATION *

* THURSDAY AND FRIDAY *
* THE DICTATOR—SEE IT *

* A Great Play, A Splendid *
* Cast, Proceeds to Gladden *
* Little Folks *

When it comes to play-acting no local thespian has anything on Perry Reigleman, who plays the role of "Simpson," alias "Jim" Dodd, in "The Dictator," the internationally famous farce-comedy from the pen of Richard Harding Davis which the Cherrians will stage at the Grand theatre with a notable cast of Salem actors on Thursday and Friday evenings of next week.

Perry has scored so many hits before the footlights that he has become a fixture in the local theatrical world, and people have come to expect his name on the program as a matter of course. People still remember his excellent performance of "Wilfred Kenyon" in "Brown of Harvard," two years ago, while his portrayal of "Robbins" in "The Fortune Hunter" last spring was one of the hits of the play. James Mott, who produced these two plays, and under whose direction "The Dictator" is being staged, says he would as soon think of trying to put on a play without Perry Reigleman in the cast, as he would think of omitting from the program the

JOHN A. CARSON CROSSES DIVIDE

Had Been Ill Sometime, But Was Better—Death Unexpected

John A. Carson, prominent attorney of Salem, died at his home on South High street yesterday afternoon at 5 o'clock after an illness of but one day. He had worked at his office all day Wednesday returning rather early in the evening. Although he had been ill for some time his sudden death was a shock to his many friends in the city.

Besides his wife he is survived by two daughters, Esther and Catharine, three sons, John, Allan and Wallace Carson, all living in Salem. Other immediate relatives live in Ireland, excepting a brother Adam Carson of Cambridge, Ontario, and a sister, Mrs. W. J. Rafter of Seattle.

Midnight funeral services will be held tonight at the Masonic Temple by the Scottish Rite Masons conducted by acting commandant commander George H. Burnett, assisted by the Scottish Rite brethren.

The services at the home will be conducted Saturday afternoon at 2:30 o'clock by the officers of Salem lodge No. 4, A. F. A. M., of which Mr. Carson was a member. Members of De Molay Commandery No. 5, Knight Templar, will serve as an escort from the home to Mount Crest Abbey mausoleum, where interment will take place.

The Rev. Carl H. Elliott, pastor of the First Presbyterian church will assist in conducting the services. The honorary pall bearers will be from the Marion county bar and the active pall bearers from the members of the Masonic lodge.

John A. Carson was born November 30, 1860, and was 56 years old last Thanksgiving day. His birthplace was near Belfast, Ireland. With his parents he came to Canada in 1862, living with them on a farm near Georgetown, Ontario.

He attended a private academy at Milton, Ontario, where he was graduated. In order to earn his way through college, he began teaching school at the age of 17. Later he was graduated from the department of liberal arts of Trinity college, Toronto, and from the law department of Osgood hall, at the age of 23. Later he took up the practice of law in Toronto.

On December 5, 1888, he was married at Acton, Ontario, to Helen Fraser-Allen and within a few months started for Salem, arriving here May 18, 1889. He at once took up the practice of law here and continued in active practice to the time of his death.

He was the oldest member of the Knights of Pythias in the city, and was also a member of the Masonic lodge, an Odd Fellow, an Elk and a member of the Moosebees. His church membership was with the Presbyterian denomination.

As a member of the Oregon senate representing Marion county he introduced the bill for the construction of the supreme court and state library building and assisted in legislation for the girls' industrial school. The present permanent registration law was enacted largely through his efforts.

For the past 26 years he has been active in Masonic circles and the services at the home tomorrow afternoon and at the Mausoleum will be according to the Masonic ritual.

Names of Larry Hofer, Aline Thompson, Carl Gabrielson, Marjory Marvin, George Snyder, and half a dozen others who have come to be considered the "sine qua non" in local amateur theatricals. "Sine qua non" by the way, is a highbrow term, and means in United States, "without which, nothing."

SELLS REGISTERED BULL

J. T. Hunt, proprietor of the Beaver Glen Stock Farm, northeast of Sublimity, sold Oregon Boy, a pure bred, registered Durham yearling bull, to J. D. Deansmore of Seio on Tuesday of this week.

The calf was sent to Seio the next day, and from there Mr. Deansmore will ship him to Montana, where he will head one of the Durham herds in that state. Mr. Hunt has several other young registered bulls for sale.—Stayton Mail.

FOR DRYDOCK ON SOUND

Washington, Dec. 8.—An amendment to the naval appropriations bill was offered by Senator Jones today asking for a drydock at the Puget Sound navy yard. Washington, large enough to accommodate present and future needs of the navy. The cost of constructing the dock is not to exceed \$3,000,000.

STATE HOUSE NEWS

* Because of the ruling of the Industrial Welfare commission that the compensation of telephone switch-board operators of the joint switch board of the Yachats Telephone company and the Waldport Telephone company should not be less than \$8.25 per week and the hours not to exceed 54 each week, the two companies have asked the public service commission permission to raise their rates from \$1 a month for the subscribers to \$1.25 per month. The companies allege they cannot afford to pay the amount required as it will impair the earnings. The two girls are operating the joint switch board for \$10 a month with indefinite hours. They ask the commission to investigate the rates and the service.

Articles of incorporation aggregating \$37,500 were filed today with the corporation commissioner. The largest firm is the Finley Construction company of Portland, which proposes to construct and operate skating rinks, scenic railways and dancing pavilions, with \$30,000. The incorporators are Charles A. Finley, Homer S. Finley and L. S. Fin-

THE DESCHUTES COUNTY ABSTRACT COMPANY

filed for the purpose of doing a general abstract business in Bend, Crook county. The incorporators are B. H. Peoples, Mable Peoples and J. B. Bell. The capital is \$5000. The County Electrical company of Eugene filed with Thomas Savage, P. R. Womeldorf, and Whitten Swafford as the incorporators. The capital is \$2300 and the purpose is to conduct a general electrical business.

Certificate of dissolution of the Globe Theater corporation of Portland was filed.

The car shortage situation, as shown by the reports to the public service commission, today shows that the Spokane, Portland and Seattle railroad is 447 cars short, the Oregon Trunk 77, and the Oregon Electric 141.
