Monmouth, Dec. 26.—The Christmas vacation at the normal and also at training school began Saturday morning and will last until Monday Jan. 8. There was a special train Saturday bearing nonresident students out on their way home for the holiday season; also one for those going south on Saturday evening. The special excursion trains for the return trip will come on Friday evening, Jan. 7.

The fifth game of the basketball contests between the junior and senior men of the normal was played on Tuesday afternoon. This was a lively game and one of the best of the season. The result was victory for the juniors and the guests of the series stand three to two in favor of the juniors.

Friday afternoon the children of the training school gave a Christmas entertainment consisting of dialogues, recitations and carols to which the public was invited.

On Monday and Tuesday the normal was favored by the presence of two members of the committee appointed by the last legislature to investigate the different educational institutions of the state, who were sent here to look into the financial status of the normal school and the conditions at the dormitory; Supt. W. H. Strayer of Baker and Representative Childs of Brownsville, both of whom were in the speakers' bureau during Tuesday's chapel period, giving the students many practical ideas, gleaned from years of experience in educational work.

Friday morning Senator Booth of Eugene spoke to the students and faculty on the subject of "Success in Life," which, he said, is not measured by a man's possessions, but rather by the character of his life.

There was a dancing party given in the gymnasium Saturday night and another party in the training school building on the same night. There were beautiful Christmas decorations and a huge Christmas tree at both places. The interchange of humorous gifts caused much merriment.

The Christmas entertainment given in the Christian church Saturday evening was unique in that every member of the bible school who could be present took part in the exercises, from the little tots of the cradle roll to the old men's class who represented the wise men. The exercises consisted mainly of tableaux, there being 10 in all. There was a solo by Miss Emma Parker; a duet, No Room in the Inn by Beth Ostrom and Grace Graham and another duet by Rosabelle Smith and Gaynelle Shore. Each class made a donation, either of money or toys

There is a report in the neighborhood that there was to be a Christmas tree at the school house on Christmas night, but this is like a great many other reports without foundation. The writer of this is not the one to pronounce judgment but we wish them well, and leave them in the hands of a just judge, it is not the spirit of the master to tear down men's characters, but help them if they are willing to be helped.

PROPERTY IN CANADA—Thousands of farmers in Western Canada have sold their crops this year for more than the total cost of their land. Land at \$15 to \$30 an acre has produced crops worth \$40 to \$75 an acre. Stock raising and dairying are equally profitable—hogs and beef highest in country's history. Irrigation districts producing more alfalfa and fodder crops than ever before. Get your farm home from the Canadian Pacific Railway. Last year I asked you to take advantage of this opportunity—you might have paid for your farm with the 1916 crop—again I extend the invitation. Good land from \$11 to \$30 per acre; irrigated land from \$35; 20 years to pay; government guarantees land and water titles. Pay in full at any time if desired. We will lend you up to \$2,000 in improvements in certain districts, with no security other than the land. Ready made farms sold on special easy terms. Loan for live stock after one year's occupation, subject to certain reasonable considerations explained on request. Low taxes; no taxes on improvements. Free schools; full religious liberty; good climate; and the best neighbors in the world. Other farmers becoming rich in Western Canada; you have the same opportunity. Buy direct from the Canadian Pacific Railway. Write for free book and full information. J. S. Dennis, assistant to the president, Canadian Pacific Railway, 77 Ninth Avenue, (Calgary), Alberta, Canada.
