

ANNOUNCEMENT HAS BEEN MADE FOR A BIG FEATURE AT THE BLIGH NEXT FRIDAY AND WEDNESDAY

The "Unwritten Law," a seven part photoplay adaptation of Edwin Milton Royle's well known story and play. One of the screen's best actresses, Beatrice Michelena, is featured in the role of Kate Wilson. In speaking of Miss Michelena's work in this picture, Royle, the author of the play, said recently: "Her work in the witness stand scene is the most real and convincing emotion I have seen in picture art. It is free from exaggeration and approaches artistic perfection. It is a great triumph."

"The Unwritten Law" attains a high moral level. It concerns itself with powerful human emotions. Elements of goodness and love, augmented by the showing of the contrasts of life, are the mainstays of the action.

If every man liked gymnastic exercises as well as he ought to like them, no better prayer meetings lure could be devised. But for that matter if every man liked prayer meetings as well as he ought to like them, the gymnastics lure would be needless.

### CHARLES CADMAN AND PRINCESS TSIANINA

Charles Wakefield Cadman, American composer playing his own compositions and appearing in his celebrated American Indian talks with Princess

Tsianina Red Feather, an Indian maiden, who sings "From the Land of the Sky Blue Water" and other well known and beautiful songs composed by Cadman have been offered to the Salem public in concert for the evening of March 16. The same concert to be given in Portland the 15th under direction of Steers-Coman, whose management always insures high class attractions. To obtain the Cadman concert the people at Salem must guarantee a certain amount of money by next Saturday, January 13. A subscription paper will be left at Wills' music store, Patton's book store and Commercial book store and all who desire this concert must subscribe as soon as possible as that date will be held

open for Salem only a short time. The prices will be \$1.50, \$1.75 cents, and 50 cents. The concert to be given at the opera house. Princess Tsianina (meaning Wildflower) is the only full blooded Indian to achieve artistic recognition in singing. She is a beautiful girl and will appear in full Indian costume. This concert will appeal to pianists as well as vocalists who will enjoy the Indian music talk, illustrating the Indian tribal melody-prayers, chants, etc. Mr. Cadman will play these as well as other of his own composition as no one else can play them, and the fact that he has chosen the Indian princess to interpret his Indian songs is the highest praise she could receive.

The management will not place this concert unless the amount is guaranteed by January 13. Address mail orders to Minnetta Magers, Moose building, Salem.

Simple Way To Take Off Fat  
Chicago is a healthful and cheap substitute for meats and other staple foods, according to the federal bureau of home economics. Which is very true, all except that about it's being reduced to normal. That's all—just purchase a case of Marmola Prescription Tablets from your druggist (or if you prefer, send 75c to Marmola Co., 364 Woodward Ave., Detroit, Mich.) and follow directions. No dieting, no exercise. Eat what you want—be as lazy as you like and keep on getting slimmer. And the best part of Marmola Prescription Tablets is their harmlessness. That is your absolute safeguard.
