COLONEL BISHOP ARRIVES AT YUMA
Bunch of Dried Yellow Flowers, of the Cavalry Color, Found in Breast Pocket
Yuma, Arizona, Jan. 22.—A small bouquet of half dried yellow flowers was crushed in the left pocket of Lieutenant Colonel Harry G. Bishop, army aviator, when he was found in the desert south of here, after having been lost for nine days.

With a weary smile Bishop made this explanation of the presence of the flowers in his pocket, attendants who carried him to safety told newspapermen today. It may be several days before Colonel Bishop can tell the story of his nine days wandering and of the four days when, too weak to walk, he sent his subordinate, Lieutenant Robertson on ahead of him and remained to die, as he believed, alone. Complete rest was ordered for him at the hospital here.

Physicians said that had he remained unattended ten hours more he would have died. Even now his condition is so critical that he will not be moved to San Diego for several days.

Surrounded by an eager group of newspapermen when he reached Well-ton, Ariz., after an ambulance and stretcher trip from the Mexican desert, Bishop tried to tell his story but he was only able to corroborate Lieutenant Robertson's statement before he weakened and the doctors ordered silence.

"The Lilac Domino"

Wants to Encourage Study of the Bible

For the purpose of stimulating a study of the Bible by the high school students of the state in order that they may become familiar with its literature, its stories, and its characters, superintendent of public instruction, J. A. Churchill, sometime ago prepared a suggested course in Bible study. The profane of the course very clearly sets forth that the Bible is not to be taught in the school, but that the work under the outline may be done through the Sunday school or the home by pupils who are interested in this work and wish to take it.

PURE RICH BLOOD PREVENTS DISEASE
Bad blood,—that is, blood that is impure or impoverished, thin and pale,—is responsible for more ailments than anything else.
It affects every organ and function. In some cases it causes catarrh; in others, dyspepsia; in others, rheumatism; and in still others, weak, tired, languid feelings and worse troubles. It is responsible for run-down conditions, and is the most common cause of disease.

Hood's Sarsaparilla is the greatest purifier and enricher of the blood that has ever known. It has been wonderfully successful in removing serofula and other humors, increasing the red-blood corpuscles, and building up the whole system. Get it today.

THOSE AWFUL CRAMPS

Suggestions that may save Much Suffering

Marysville, Pa.—"For twelve years I suffered with terrible cramps. I would have to stay in bed several days every month. I tried all kinds of remedies and was treated by doctors, but my trouble continued until one day I read about Lydia E. Pinkham's Vegetable Compound and what it had done for others. I tried it and now I am never troubled with cramps and feel like a different woman. I cannot praise Lydia E. Pinkham's Vegetable Compound too highly and I am recommending it to my friends who suffer as I did." —Mrs. GEORGE R. NAYLOR, Box 72, Marysville, Pa.

Young women who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

OREGON FEDERATION OF LABOR MEETS
Fourteenth Annual Convention Called To Order In Salem Today
The fourteenth annual Oregon State Labor convention met this morning in Union Labor hall on Court street with an attendance of more than 100 delegates from all parts of the state.

The convention was opened with W. B. Summerville of Salem in the chair, with an address of welcome by Mayor Walter E. Keyes and the response by T. H. Berchord of Portland. He urged the members to get down to business at once, especially as the federation was interested in matters to be presented to the legislature.

For the first time in the history of the federation of labor in the state of Oregon, the bricklayers were represented and an address was given by Oscar W. Horn of Portland of this union. The bricklayers have just recently been granted a charter in Oregon with the American Federation of Labor.

C. P. Strain of Pendleton, a fraternal delegate of the Farmers' Co-operative and Educational Union spoke briefly on the work of organization among the farmers and the efforts being made to bring the farmers in line with the labor organizations in securing desirable legislation.

Theodore Howard Pleaded Large Audience Last Night

Theodore (Ted) Howard, Salem's boy wonder, "made good," every promise made for him, when he appeared before an audience of over 300 people that packed the Unitarian church to the doors last night.

Every one of the fourteen numbers from "The Midnight Ride of Paul Revere" to and including "Casey at the Bat," was well received and warmly applauded.

A generous share of the applause greeted the teacher Mrs. Anna Rogers Fish, principal of the Fish School of Expression, whose painstaking instruction together with "Ted's" natural ability made possible an entertainment such as Salem had never known before.

The solo rendered by Mrs. Hallie Parrish Hinges and the organ and violin numbers by Mr. and Mrs. Frickey rounded out a perfect program.
