Otherwise, there was no damage and the fire department found nothing to do when it arrived on the scene. arrived on the scene.

Tonight Prof. G. R. McAuslan, of the University of Oregon extension depart-ment, will give his last lecture in the short course in salesmanship that has

club for the past three weeks. The lecture tonight will be on the subject o Silk" and will be of general interes to both those who sell and those who buy this article. "Fiber Silk." will also explained. This lecture will be illus trated by cards, charts, samples and 50 stereoptican slides. The meeting places will be the auditorium of the Commercial club and will be held at 8 p. n All interested are invited.

The Oregon Retail Grocers' association went on record as favoring a law s opposed to the consolidation of the making it a misdemeanor for any one to is opposed to the consolidation of the office of weights and measures with that of the dairy and food commission.

In fact the grocers believe the weights and measures commission is doing much for the citizens of the state that would not be done if combined with any other commission.

A plantit to the consolidation of the contract bills for the necessities of life and then avoiding payment thereof by moving to another locality. In other words, to run a bill at a grocery store and then skip out without paying it. The hotel keepers are protected by an innkeepers' law and the grocers want the same protection. A bill will probably be introduced to this effect. There A splendid selection in sizes 9½ and is also a feeling among the grocers that 10 for a little money.
