# Treat The Body As A Delicate Machine

You would not let a machine built for efficient work, get rusty and full of dust and dirt. Why let the body, the most delicate of all machines, get rusty and run down from inattention? Cleanse the blood; that's the secret; keep it clean. S. S. S., proven for 50 years the best of all blood tonics, will do it. Get a bottle at your druggist's TODAY and take it according to directions.
