ENDEAVORERS COME OUT THOUSAND STRONG

Many Special Trains Being Delegates—Keynote Address Tonight

Coming from all parts of the state, one thousand Christian Endeavorers met at the Christian church this morning for their annual conference. The whole city is alive to the situation and provision has been made to accommodate the great gathering. The Commercial club, Y. M. C. A. and Y. W. C. A. are all working hard to provide entertainment for the largest crowd of young people that ever met in Salem. The program commenced this morning with the registration of the delegates, followed by addresses by Clinton Ostrander and Governor With-combe. Luncheon was served at the Christian church at noon, after which the Bible study was conducted under the leadership of Dr. W. P. White. The "Let's Go" program followed this, with talks from many of the delegates. The program commenced this morning with the registration of the delegates, followed by addresses by Clinton Ostrander and Governor With-combe. Luncheon was served at the Christian church at noon, after which the Bible study was conducted under the leadership of Dr. W. P. White. The "Let's Go" program followed this, with talks from many of the delegates. Daniel A. Poling, associate president of the National Christian Endeavor society, arrived this morning, ahead of his special train, which was some hours late. The first train was on time, arriving at ten o'clock. This was the "Louella S. Dyer" special, coming from Portland. It brought seventy five delegates from that city. Following this, the special trains and cars came in all morning. When the Daniel Poling special came in, it brought some 150 delegates from the southern part of the state. Four banquets have been prepared for the reception of the guests, which will be held at 6:30 Saturday evening, one at the Methodist church, one at the Congregation, one at the Baptist, special for high school students, and one at the Evangelical church, featuring missions. The great meeting will be this evening, when Daniel A. Poling delivers his keynote address at the Christian church at 7:45 o'clock. The visitors were given a sight seeing trip over the city this afternoon, conducted by the various members of the local societies. The feature of this afternoon was the "Let's Go" program which consisted of thirty minute and a half talks by thirty delegates. Several of the topics which were discussed under this heading are: Let's Go, safety first, E. E. Felke; Let's Go, study traffic regulations, Gertrude Young; Let's Go, oil up, Gertrude Enkai; Let's Go, up grade Goldie Wells. Overlook meetings will be held at the Presbyterian church, which has one of the largest C. E. societies of the city. The wind up of the convention will probably be considered as the great mass meeting, in the house of representatives at the state house Sunday morning, when the convention Sunday school will be held, with Charles A. Phillips, of Portland in charge. Doctor Poling stated this afternoon that this meeting is in a four week convention tour taken by his party, which started in Washington, D. C., stopping at the towns of Cleveland, Detroit, Chicago, Spokane, La Grande, Portland, and now at Salem. He will go to Seattle Monday night, and from there to Winnipeg, Canada, for the provincial convention at Manitow. Mr. Poling also stated that the trip was very successful, and all the meetings so far had been very largely attended. In the United States, the last

YOU CAN'T BRUSH OR WASH OUT DANDRUFF The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. Do this tonight, and by morning, most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffier, lustre, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

year has been the most fruitful of any for the society. While in Washington, D. C., Mr. Poling had a conference with Secretary of War Newton Baker, during which Mr. Poling assured the secretary that the Christian Endeavorers were back of the president and his associates in their efforts to maintain peace, but that if the worst came to pass, the young people of the churches would be ready. Mr. Poling also appeared before the committee of postal affairs, which had under advisement the bill prohibiting the advertising of liquors in dry territory, urging the favorable report of the committee on the measure. The measure has since passed the senate. Mr. Poling has recommended to the local societies wherever he has gone, to get in touch with the local Red Cross authorities, and to prepare so that in case of need they might volunteer their services. The Christian Endeavor society was organized in 1881, by the reverend P. P. Clark, in the Williston Congregational church at Portland, Maine, and now covers the whole of the North American continent, with 80,000 societies and four million members. The society now embraces 80 different denominations.

Willamette Wins Last Game from Dallas In the last basketball game of the season the Willamette university quintet badly defeated the Dallas Athletic club's team by the score of 49 to 31, in the varsity gym last night. On the whole the contest was one of the best staged on the local floor this year. The playing was fast and spectacular in spite of the tendency to be rough, and the persistent fouling on both sides. CARRIED OUT SEVEN

Portland, Ore., Feb. 23.—Firemen carried seven persons to safety today when smoke from a blaze in the basement of Samuel Joseph's home swept through the house, trapping the inmates. Those saved were: Joseph, his wife, three children and two lodgers. One of the children was sick in bed.

Long and Faithful Services Are Ended

Known by practically every person in the city of Salem for the past twenty-nine years and eight months, which is the length of time he served as a letter carrier for the Salem post office, and highly esteemed on account of his cheerful good nature, it was regretfully learned this morning that George Hatch, whose long whistle announced the arrival of letters and papers, died at his home at 636 North Front street a few minutes after 11 o'clock last night at the age of 53 years. During all the twenty-nine years and eight months he gave to Uncle Sam, his service was always faithful and sincere. Had he been able to continue two months more, he would then have served the government 30 years and have been granted a pension for the remainder of his life. He was the oldest mail carrier in the service of the Salem postoffice. He was also a member of the Woodmen of the World and a prominent member of the First Methodist church of this city. Surviving him are his widow, Mrs. Lizzie M. Hatch; Miss Alice Hatch, of Salem; Mrs. Abbie Hatch Farrar, of San Diego, Calif.; two brothers, E. T. Hatch, of Brush Prairie, Wash., and H. L. Hatch, of San Francisco, Calif. Funeral arrangements are being made at the Terwillinger Home and the funeral will be held at the First Methodist church Saturday afternoon at 3 o'clock. Rev. Richard N. Avison will conduct the services. Interment will be in the Odd Fellows cemetery.

Premier's Statement Weakens Stock Market

New York, Feb. 23.—The New York Evening Sun financial review today said: The British premier's address to parliament on the subject of submarines and food imports was seized upon today by the bear element in the stock market to depress prices. Impressions of one to three points or so were recorded in the general list. Trad-

THAT BAD BACK

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Salem residents recommend Doan's Kidney Pills. Read this Salem man's statement. Joseph Wint, retired blacksmith, 668 High St., Salem, says: "My back and kidneys bothered me. My kidneys were disordered and my back seemed to lose strength. Short use of Doan's Kidney Pills soon put me right." (Statement given December 12, 1912.) On April 11, 1916, Mr. Wint said: "My opinion of Doan's Kidney Pills is just the same today as it was when I gave my first endorsement. I haven't had any of that former trouble for several years and I give them credit for bringing such lasting results." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wint has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

Clears Blotchy Skin

Don't worry about blotches or other skin troubles. You can have a clear, clean complexion by using a little Zemo, obtained at any drug store for 25c, or extra large bottle at \$1.00. Zemo easily removes all traces of pimples, black heads, blotches, eczema, and ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid, neither sticky nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable. The E. W.
