WOODBURN WINNER IN PRELIMINARIES

Salem and Roseburg Second and Third—Monroe Puts Up Good Game

Much interest was displayed last night in the opening games of the intercollegiate basketball tournament that is being promoted by the Salem High school. There was an enthusiastic crowd out to the Willamette University gymnasium, where the games are being played.

Woodburn, Salem, and Roseburg teams were winners of the preliminary games and the losers were Monroe, Amity, and Silverton. The officials for the games last night were: Jamison, of Jefferson High school, Portland, referee; Mathews, Willamette University, timer; and Putnam, Salem, scorer.

The first game on the card was between Woodburn and Monroe, with the result that Woodburn was winner by the score of 31 to 12. Although this is the first season that the Monroe High school has placed a team in the field it has proved a strong contestant.

Hibbs of Monroe was one of the stars of this contest. B. and E. Sims of the Woodburn team were the particular stars. The tabulated score follows:

Table with 4 columns: Player Name, W, L, T, P. Rows include Woodburn (B. Sims, E. Sims, Rice, Johnson) and Monroe (Ingram, Bradley, Brown, Hibbs, Utterback).

In the second game, Salem defeated Amity by the score of 31 to 12. With practically the second team of the Salem squad playing the score at the end of the first half was 13 to 6. Later, when the regular players went into the game, they increased the lead by a wide margin.

Goodenough, Ackerman, and Fry starred for Salem. The score follows:

Table with 4 columns: Player Name, W, L, T, P. Rows include Salem (L. Gill, Ackerman, H. Latham, O. Fry, Goodenough, M. Latham, W. Buren, E. Gill, Carson, Ross) and Amity (Groves, Walker, Umphlette, Strout, Frizell).

The most exciting and interesting contest of the evening was played between Roseburg and Silverton with the former winning by one point. The points were even up to within two minutes of the end of the game, when the score stood 13 to 13.

At this exciting time, Silverton won a free throw giving it one point lead. Then, with scarcely ten seconds yet of play, Jewett of Roseburg threw a basket and annexed two points, giving the Roseburgers 15 points. Durno scored all the points for Silverton. Jewett starred for Roseburg. The score follows:

Table with 4 columns: Player Name, W, L, T, P. Rows include Roseburg (Osborn, Willett, Jewett, Trumbo, Bemis) and Silverton (Jewett, Durno, Pittman, McLeary, Buel, Hollingsworth).

DRINK HOT TEA FOR A RAD COLD

Get a small package of Hamburg Broom Tea, or as the Germans folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

WON CONSOLATION GAME

In the consolation game played in the Willamette gym this morning the Monroe quintet won a 39 to 16 victory over the Amity aggregation. This game has no significance in relation to the regular tournament series.

No speculation has issued from any of the patrons of the contests as to the final winner, only this evening's game can tell. As the tournament is a self supporting affair an admission of 25 cents will be charged for the last contest.

Roseburg is winner. Roseburg won from Woodburn in their afternoon game in the basketball tournament by the score of 48 to 11. This puts Roseburg in the final contest this evening. The second game of this afternoon is between Salem and Oakland and it is believed Salem will win so that the championship game this evening will be between Roseburg and Salem.

Fibbister Develops on Neutrality Bill

Washington, March 3.—It became evident late this afternoon that Senator Stone's address against the armed neutrality bill had turned into what had every appearance of an out and out filibuster against the bill.

Whether he would attempt to, or indeed, is physically capable of carrying the filibuster through the long hours of tonight until the automatic close of congress at noon tomorrow, was, however, doubtful.

Resolutions will be introduced at the meeting of the city council next Monday evening designing the kind of paving to be used in the alley of block 47, Salem; that on Church street from Mill to D street; on D street from the west line of Oaks addition to Fifth street and that on the Portland road from the fair grounds north to the railroad. The new paving will cover nine and one half blocks.

The resolutions provide for the publication of notice to the property owners of the intention of the city council to improve these streets. The notice will be published for ten days after the first publication and property owners will then have ten days from the date of the last publication in which to file a remonstrance against the improvement.

The alley in block 57 will be paved with a six inch cement concrete. The Portland road will have a two inch asphaltic concrete laid on a red-dress of macadam. The paving on Church and D streets will be of one and one half inch asphaltic concrete wearing surface laid on a four inch cement concrete base.

Differential of \$17.50 To Be Stopped April 2. A decision of special significance to the Pacific Northwest and to Oregon has been rendered by the Interstate Commerce commission according to an announcement received by the Public Service commission today.

This decision is to the effect that the petition of the Alabama and Vicksburg Railway, et al., which includes the Southern Pacific, asking for an extension of the time for the going into effect of the order eliminating the \$17.50 differential against travelers going or coming east by way of the Northwest routes, is denied and that the differential will be eliminated after April 2, 1917.

One had typhoid fever. Berlin, via Sayville wireless, March 3.—Regarding recent insinuations about the fate of the men interned from the Yarrowdale, it is stated that one English sailor from the Yarrowdale was taken ill with spotted typhoid fever, said a press bureau statement today.

Nervous spells. And Combination of Troubles Relieved by a Combination of Medicines. A quotation from one recent letter: "I have been taking Hood's Sarsaparilla and Pepton Pills as a course of medicine and find this combination has worked like a charm. They told me I had neuralgia, and certainly I was in a very low and discouraging state of health. I suffered extremely with nervousness and had neuralgic pains so I could not sleep nights.

Those nervous spells were awful! "I heard about taking Hood's Sarsaparilla and Pepton Pills—one before meals, the other after—the suggestion struck me favorably so that I have taken the medicines carefully and faithfully with most pleasing results. "It is a long time now since I have had one of those severe nervous spells. I can do a good day's housework, can work in my garden and walk a mile." Mrs. Fred J. Weekley, Baydad, Fla. Your drugist will be pleased to supply you with these good medicines.

ANNUAL CONVENTION OF Y. M. C. A. TODAY

Attendance Is Good and Much Interest Manifested in Work

The Annual Convention of the Oregon-Idaho Young Men's Christian Association was opened this morning in the Salem Association building with a song service and devotional exercises led by Mr. I. B. Rhodes, State Secretary for Oregon and Idaho.

Following is the order and ballot numbers of the proposed amendments: 300, Yes; 301, No—Authorizing ports to create limited indebtedness to encourage water transportation.

302, Yes; 303, No—Oregon & California railroad land grant taxation bill. 304, Yes; 305, No—Limiting number of bills introduced and increasing pay of legislators.

306, Yes; 307, No—Declaration against repeal of constitutional provisions by amendments thereto. 308, Yes; 309, No—Uniform tax classification amendment.

310, Yes; 311, No—Requiring election city, town and state officers at same time. 312, Yes; 313, No—\$400,000 tax levy for new penitentiary.

314, Yes; 315, No—\$6,000,000 state road bond issue and highway bill.

A strong suspicion has been growing among Salem officials that back in New York state the gullible public of that extremely sophisticated center is being worked by land locators, and that as a result there have been twenty one applications for filing on the Oregon-Washington grant lands. The attorney general has stated that the government has issued a warning that no advantage can be gained by filing for the land until it is thrown open on the market. The bill that passed congress as the Chamberlain bill is to go before the supreme court to be tested.

The cruising and classifying of the land, part of which was done last summer and fall, will be continued this spring and summer. Up to March 1, County Recorder Brooks had received twenty-one applications for filing on the grant lands. Unless the Bear bill, which passed the legislature, and which provides for the immediate taxing of the lands, is approved by the people at the special election in June, County Assessor West will not place the lands on the tax rolls for four years. If it is approved he will place them on the rolls at once.

Under the law passed by the last legislature making the streams public highways and placing them under the authority of the public service commission, the Mill Creek Logging and Boom company yesterday made application to the commission for permission to construct a boom on that stream. This is the first application re-charter as amended by a vote of the people on May 7, 1907, that the city use the bonds that have already been authorized amounting to \$250,000 for the construction of a system of water and lights to be owned and controlled by the city. This has been agitated and promoted a number of times previous but strong action is being made at the present time to sign a large number of the taxpayers here. The petition at this date has two hundred names and its circulation will be continued for some time, according to the petitioners.

State House News

Secretary of State Olcott yesterday announced the numbers of the measures that are to go on the ballot at the special election on June 4 and also the order in which they will appear. The last one on the list is the six million dollar bond issue and the first of the eight is the measure authorizing ports to create a limited indebtedness. The order of the bills on the ballot was determined by the time of filing with the secretary.

Following is the order and ballot numbers of the proposed amendments: 300, Yes; 301, No—Authorizing ports to create limited indebtedness to encourage water transportation.

302, Yes; 303, No—Oregon & California railroad land grant taxation bill. 304, Yes; 305, No—Limiting number of bills introduced and increasing pay of legislators.

Articles of incorporation were filed this morning by the McEveel Investment company with Jacob Haas, Donald M. Graham and M. M. Mathieson of Portland, as incorporators for the purpose of conducting a general investment business. The capital is \$5,000 and the place of business is Portland.

Resolutions increasing the capital stock of the City Iron Works of Portland from \$10,000 to \$15,000 were filed today.

A certificate of dissolution was issued to the Boring Mutual Telephone company.

E. O. Sheck, deputy state forester, who has been absent from the city giving a series of lectures on forestry and fire protection at Carleton and Lafayette, has returned to the office.

Evidently the forty days and nights of lawmaking was pretty hard on the senate chamber for a group of men have been scrubbing and dusting ever since but the suite of dust clings to it still.
