It was decided at a meeting of the state board of control this morning to award the contract for the erection of the new wing under the provision of the contract by which he put up the original receiving hospital.

Lazarus came before the board and asked that he be given the contract for the erection of the new wing under the provision of the contract by which he put up the original receiving hospital.

Articles of incorporation were filed this morning with the incorporation commissioner by the Thieroff company of Medford with a capital of \$25,000 to deal in live stock and real estate.

TWO GOOD REMEDIES

WORKING TOGETHER, PRODUCE MARVELLOUS RESULTS.

For instance, Hood's Sarsaparilla, the standard blood purifier, is recommended for conditions that are scrofulous or dependent on impure blood.

Pepton Pills, the new iron tonic, are especially recommended for conditions that are radically or characteristically anemic and nervous.

Many persons suffer from a combination of these conditions. They are afflicted with swellings of the glands, bunches in the neck, cutaneous eruptions, and sores on different parts of the body, limbs and face, and are besides pale and nervous.

If these patients take both Hood's Sarsaparilla (before meals) and Pepton Pills (after meals) they are reasonably sure to derive fourfold benefit.

The incorporators are A. Nibley, H. A. Thieroff, and J. B. Pettingill.

One hundred thousand dollars is the capital of the Margaret Shipping company of Portland which filed this morning for the purpose of purchasing and chartering steam and sailing vessels.

Miss Nell Bell, a stenographer in the corporation department at the state house, leaves Salem today for Omaha, Nebraska, where she will pay a two months visit to relatives and take a well earned vacation.

Total receipts for the month of February by the state industrial accident commission were \$63,267.31, of which the employers paid \$55,253.72, the workmen \$7,542.34.

CLOTURE BILL IS

expelled for perfidious negotiations with enemies of this country. "Can the senate make a rule under which it might be held at bay?" Walsh protested against placing it within the power of any group of "misguided peace-at-any-price men who refused to believe that war is meritable, to such an extent as to tie the hands of the national authority."

"It is well known that an ardent parliamentarian in the service of corrupt masters of some of our legislative assemblies contrive speciously to have the rules so framed so as to be useful in obstructing remedial legislation and then tie the hands of later legislators by procuring the adoption of the rules of the last assembly."

Walsh's speech was short and the senate adjourned until noon tomorrow shortly after he concluded.

The closure bill agreed upon by the conferees is a double barreled preventive of filibustering. In addition to limiting debate to one hour per senator, it provides that no amendments or substitute bills are to be offered after an agreement to limit the debate has been reached. This will prevent practically unlimited debate on amendments to a proposed bill and prevent the proceedings from being started all over by offering a substitute bill.

The new steering committee was announced as follows: Martin, Williams, James, Reel, Simons, Smith, et al.

Senator Hitehook was named vice-chairman of the democratic caucus. As such he becomes an ex-officio member of the steering committee.

The democratic caucus meets again at 3 o'clock today. The republican caucus ratified the cloture rule amendment by a vote of 30 to 2, shortly after five o'clock.

The amendment will be presented tomorrow in the senate and efforts made to rush it through at once.

MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like a Mustard Plaster Without the Burn or Sting

Musterole is a clean, white ointment, made with the oil of mustard. It does all the work of the old-fashioned mustard plaster—does it better and does not blister. You do not rub it on—usually the pain is gone!

Many doctors and nurses use Musterole and recommend it to their patients. They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

der misapprehension," was also conspicuously missing from the new committee. The action was taken to indicate republicans wish it plainly understood they repudiate all responsibility for what they called the "most reprehensible filibuster in the history of the senate."

The new democratic steering committee is comprised of some of the strongest administration supporters. Among them are the principal leaders in the fight for the president's armed neutrality measure. Hitehook was in charge of the bill after Senator Stone's sensational revolt and fought for it to the final moment of closing.

The next strongest supporter was Robinson—also a member of the committee. Hitehook and Robinson are new members—apparently chosen to reward them for their strenuous efforts in behalf of the administration, as the committee was enlarged by two members.

John Sharp Williams and Ollie James, bulwarks of the administration; Martin of the appropriation committee and new democratic floor leader; Chairman Chamberlain of the military committee and Chairman Simmons of the finance committee are also members.

Senator Smoot is the only member of the republican steering committee re-elected. Cummins and Jones were not re-elected. Failure of Lodge of re-election occasioned some surprise.

The most notable addition to the committee is Senator Borah. Warren, Harding, Weeks and Wadsworth, the youthful senator from New York, are rated as distinct additions to the group. Senator Warren is chairman.

LAST OF SERIES WILL BE PLAYED TONIGHT

Only One Chance In Three That Championship Will Be Decided

Standing of Teams. Capital Nat. Bank, Price Shoe Co., Hauser Bros., Bishops, Watt Shipp Co., Fry's Drug Store.

With the last series of games looming up for tonight there is only one chance in three that the Commercial Basketball league championship will be decided tonight.

The only hope therefore of deciding the championship will carry with it the necessity of one of those two teams winning and the other losing. From the whole it is expected that tonight's games will not bring forth the champions but that additional games in the future will be necessary between these two teams in order to determine the winner.

These teams should lose and the Hauser Bros. team should win three of the three games in the championship. The Capital National Bank, Price Shoe company and the Hauser Bros. would each have the same percentage.

The first game tonight will be between the Capital National Bank and the Fry Drug Store. Recently the Drug team has been playing exceptional ball and one of the best games of the season is expected. This game will be staged at 7:30.

The second game will occur at 8 o'clock and will be between the Bishops and the Price Shoe company. This game will be as important as the first and with Bishops regular line-up in the game the game should be a topnotcher.

COMMENT ON WILSON'S SPEECH IS BITTER

German Press Claim President Has Standard of Partial Neutrality

Berlin, via Sayville wireless, Mar. 7.—The official German press agency today made public the following comment on President Wilson's inaugural address with the subjoined observations:

"Evening newspapers general comment on President Wilson and his address in bitter terms, pointing out that, according to his words, the president considers it incompatible with American honor to interrupt for a short while the traffic with French and English ports, but that for several years he has considered it perfectly compatible with this honor to submit to the British embargo and limit traffic and almost all intercourse with German ports."

"The newspapers insist that the president thus already long ago introduced into American politics a standard of partial neutrality by which he conceded to one party the right to warfare, while he denied the same right to the other party."

"Newspapers, discussing the humanitarian point of view, especially the Austro-Hungarian note, say: 'It is more in keeping with the principles of humanity if persons are prevented from going aboard endangered ships by timely warning than to leave to chance their rescue at sea!'"

FIGHT PROMOTERS HAVE LIVELY SCRAP

Men Who Control Boxers Unite In Boycott On Madison Square

By H. C. Hamilton (United Press staff correspondent)

New York, March 7.—The boycott on Madison Square Garden, installed when James Johnston was engaged to make matches for the big enclosure, was drawn a little tighter today when Jim Coffey was withdrawn by Billy Gibbons as a probable opponent for Bill Brennan, knockout artist.

Grant Hugh Brown, if he survives the determination of Paris Singer not to purchase the building, now will have to fall back on Mike Gibbons, Johnny Dundee, Jimmy Duffy, Billy Miske, Jess Willard, Fred Fulton, Johnny Ertle, Pete Herman and such.

However, the boycott has begun to hurt, for the triumvirate of managers who have declared it all off so long as Johnston is making matches control the very best local talent. Benny Leonard, Carl Morris, Coffey, Freddie Welsh and Charlie White are pretty fair attractions and don't cost a lot of money for transportation and training expenses. Furthermore, Welsh is the lightweight champion and a match with him among the lightweights would be stretching a point right now.

Grant Hugh Brown is now consumed with efforts to have Les Darcy given a new gubernatorial rating. Arrangements have been made, it has been stated, to have Darcy meet Governor Whitman and present the Australian's side of the case. Brown believes, with or without reason, that Darcy can brush aside Whitman's objections to the pugilist's appearance in a New York ring and wants to give him the opportunity.

Darcy has hidden out from fighters and everyone else. He refuses to talk business with anyone. Calls to the Grant Hugh Brown estate, where Darcy is residing, have gone unanswered. Darcy is taking more walks than any man in the state. Mike Gibbons has been endeavoring to have a showdown on a proposed match at Milwaukee, but he has been able to get no further than any of the others.

Kane to Meet Gibbons New York, March 7.—Eddie Kane, manager of Tom Gibbons, announced today he had signed articles for a ten round bout the night of March 20 between Gibbons and Battling Levinsky. The bout will be staged in St. Paul.

Johnson Got Decision Portland, Or., March 7.—Lee Johnson of Oakland held a draw decision today with Eddie Campil, the speedy San Francisco. Campil landed the more punches but Johnson evened it up by putting plenty of steam behind his wallop.

mining Democracy." An organization of Wheeling Jews which had booked him for its lecture course today cancelled the engagement, though they forfeited \$800 in doing so. The committee first took an informal census of Wheeling and received a vote of four to one asking LaFollette to stay away because of his part in the filibuster that killed the armed neutrality bill in the senate.

Salem Is Defeated by Eugene, Score 21 to 20

Tantalizing in the extreme was the way the little god of luck vaulted from one side to the other in the basketball game played last night in Eugene between the quintet of the Eugene high school and the Salem five, with the final result 21 to 20 points in favor of the Eugene bunch.

It is declared the contest was the most interesting and exciting seen in the up-valley city for many moons. So close did the game run that one minute before the referee's final whistle the score was 20 to 20. The interest pulled the spectators to their toe-tips.

At the end of the first half the score stood 13 to 6 in favor of Salem. Then the Eugene boys got busy and near the end of the second half tied the score. A foul called on the Salem boys with just one more minute of play gave Kays an opportunity to throw the ball within the

A DAGGER IN THE BACK

That's the woman's dread when she gets up in the morning to start the day's work. "Oh! how my back aches!" GOLD MEDAL Haarlem Oil Capsules taken today cures the backache of tomorrow—taken every day eases the back ache for all time. Don't delay. What's the use of suffering? Begin taking GOLD MEDAL Haarlem Oil Capsules today and be relieved tomorrow. Take three or four every day and be permanently free from wrenching, distressing back pain. But be sure to get GOLD MEDAL. Since 1686 GOLD MEDAL Haarlem Oil has been the National Remedy of Holland, the government of the Netherlands having granted a special charter authorizing its preparation and sale. The housewife of Holland would almost as soon be without bread as she would without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. This is the one reason why you will find the women and children of Holland so sturdy and robust.

GOLD MEDAL is the pure, original Haarlem Oil Capsules, imported direct from the laboratories in Haarlem, Holland. But be sure to get GOLD MEDAL. Look for the name on every box. Sold by reliable druggists in seal-tight packages at 25c, 50c and \$1.00. Money refunded if they do not help you. Accept only the GOLD MEDAL. All others are imitations.

East Oregonian: King Winter's last dash into eastern Oregon finds the city of La Grande facing a coal shortage, judging by a call for help reaching Pendleton today. The Smythe-Lounger company received an order to ship a ton of coal by express to the La Grande American Express company's office. As the company will handle the transportation of the coal the deal is not as remarkable as would be an order from a buyer who had to pay the charges. However, the transaction indicates a shortage in the supply at La Grande.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowels complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does, but have no had after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.
