Polk Starts Movement To Support Road Bond Proposition at Polls

(Capital Journal Special Service.)
Dallas, Ore., Mar. 16.—Taking the lead of the counties on the west side of the Willamette river in the campaign for the passing of the \$3,000,000 road building bond issue to be voted on at a special election held throughout the state on the 14th of June. A large number of representative business, professional and rural residents of Polk county met in Dallas Tuesday night and organized a Polk County Good Roads association with H. Hirschberg of Independence, as president, and Mrs. Winnie Hirschberg of this city, secretary. Hon. W. T. Vinton of McMinnville, having been induced to come to Dallas for the occasion, made an interesting explanation of the road measures as passed by the recent legislature and the means that would be employed in paying off the interest on the bonds should the election decide in favor of the measure. County Judge E. C. Kirkpatrick, L. L. Easterton, Oscar Hayter, Judge Malone of Benton county, Chan. Parks, C. V. Johnson and J. P. Thibault of Astoria, also made talks, favoring the passage of the measure. A booster campaign in the interest of the measure will be started at an early date and delegations from the cities of this county will hold meetings in school houses in each district and explain to the people the merits of the bill.

Fruitland News

(Capital Journal Special Service.)
Fruitland, Ore., Mar. 16.—Tuesday afternoon Miss Helen Cowgill, of O. A. C., gave a convincing demonstration at the school house in the presence of the pupils and several ladies of the district. In the evening Rev. T. J. Yes, go to church, that is if you are from right motives. If you don't go in this way don't go. Going to church in itself is no virtue and no passport to heaven. Some of the greatest scoundrels attend church regularly. God's sanctuaries are no places for sinners and hypocrites wearing the living of duty and religion. Read Matt. 23 and learn what Jesus said about some old time church goers. Yes, go to church, but take a clear conscience with you.
C. E. McIlwain has moved from Salem onto his Lake Labadie farm.
Well, I don't know as I ought to butt in, but will advise to say that it suits me well enough and it satisfies thousands of other people, simple souls though they be, and I had much sooner believe in the infallibility of that old book than that of all the modern high critics and lower anti-bible talkers with the organic evolution doctors and book smiths in addition who assail it.

THE MARKETS

The following prices for fruits and vegetables are those asked by the wholesaler of the retailer, and not what is paid to the producer. All other prices are those paid the producer. Corrections are made daily.

There is nothing especially startling in the market situation today. The prospects of a general railroad strike and tie up may stop the shipments of livestock for several days as today the railroads are not accepting shipments that will not reach destination before Saturday noon.
The city housekeeper will store eggs this spring at a few cents higher than a year or two ago. The bottom seems to have been touched several days ago and now the market is good for 22 cents cash and 24 cents in trade with a few stores going one cent better provided certain purchases are made.

COMB SAGE TEA IN FADED OR GRAY HAIR

Look Young! Common Garden Sage and Sulphur Darkens So Naturally Nobody Can Tell

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. When ever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By using at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old time recipe, improved by the addition of other ingredients, all ready to use for about 30 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.
A well known downtown druggist says, "everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it is so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease."
