MANY ATTEND SHOWER

At the home of Mrs. T. Y. McClellan a miscellaneous shower was given in honor of Miss Ossie Condit when about 30 of her friends and neighbors met last Saturday afternoon. There were several guests from Aumsville and several who could not be present sent gifts by others more fortunate. While all were present Miss Condit opened her parcels that the guests might enjoy seeing them. These gifts consisted of glassware, fancy china, aluminum and earthenware, bed linen, handsomely finished in hand work, dollies, scarfs, towels and many other pieces. Music and social converse were features of the afternoon entertainment. At the refreshment hour a delicious lunch was served by the hostess assisted by Miss Addie Condit, Mrs. Emma Condit, Mrs. Marguerite Martin and Mrs. Nipple. NERVOUS SPELLS

And Combination of Troubles Relieved by a Combination of Medicines.
A quotation from one recent letter: "I have been taking Hood's Sarsaparilla and Peppin Pills as a course of medicine and find this combination has worked like a charm. They told me I had neuralgia, and certainly I was in a very low and discouraging state of health. I suffered extremely with nervousness and had neuralgia pains so I could not sleep nights. "Those nervous spells were awful! "I heard about taking Hood's Sarsaparilla and Peppin Pills—one before meals, the other after—the suggestion struck me favorably so that I have taken the medicines carefully and faithfully with most pleasing results. "It is a long time now since I have had one of those severe nervous spells. I can do a good day's housework, can work in my garden and walk a mile." Mrs. Fred J. Weekley, Bagdad, Fla.
Your druggist will be pleased to supply you with these good medicines.

SENATOR LODGE IS ATTACKED BY PACIFISTS

One Alexander Bannwart, Is Beaten Up By Telegraph Operator

Washington, April 2.—Senator Lodge, veteran Massachusetts senator, was knocked down and painfully injured today in a clash with two Bostonians, a man and a woman—who are said to have come here in the pacifist cause.

Alexander Bannwart, 338 Washington boulevard, Boston, and Mrs. Anna Peabody, of Cambridge, were arrested, charged with making the assault.

The two approached Lodge near his room in the senate office building. Bannwart started to argue with Lodge, telling him his constituents are against war.

At last Lodge turned and said: "Any one who wants war at this time is a coward."

Bannwart, it is said, retorted: "Any one who wants war at this time is a coward."

It is said Bannwart struck Lodge, knocking him to the floor. David B. Herman, a telegraph operator passing through the corridor, threw himself on Bannwart. A rough and tumble fight followed.

The clash caused intense excitement in the corridors in the capitol, thronged by hundreds of the invading pacifists and anti's.

One account of the trouble was that Senator Lodge turned to Bannwart and struck him after Bannwart had called him a coward. Lodge suffered a slight bruise on the cheek.

Rev. Paul Harris Drake, pastor of

Christ's church, Dorchester, Mass., was said to be a third member of the pacifist party, but took no part in the fight.

Bannwart was later removed to the Sixth precinct police station. He said he was secretary of the Woodrow Wilson Independent League of Boston.

He was bleeding from several cuts from the beating administered by Herman.

Senator Lodge is 67 years of age.

ADVERTISING CONCERN TO TAKE NEW NAME

Chicago, April 2.—Today the Mahin Advertising company becomes the William H. Rankin company, taking its new name from that of its president, Wilbur D. Nesbit is vice president of the company and Herman A. Groth is secretary-treasurer.

The company specializes in creative advertising. Its work includes newspaper, magazine, farm paper, foreign language, trade paper, streetcar, billboard and outdoor advertising. The organization numbers 100 people and includes some widely known advertising experts.

Mr. Rankin is president of the Western Advertising Agency association organization and to create a better feeling among rival agencies.

Soldier Did Not Like the Mixture of Flags

Tacoma, Wash., April 2.—The first capture of a foreign flag by the United States army since the present mobilization is recorded here today. It is Austrian and is in possession of a sailor of the Second Washington infantry, who snatched it from the porch of John Mardesich's home here yesterday. The Austrian colors had been entwined with the American flag but with the former on top.

"American and Austrian flags don't mix well right now," the soldier remarked in reply to the angry protest of Mardesich.

JOHNSON VOICES THE SENTIMENT OF WEST

California Senator Speaks to Great Throng in Philadelphia

Philadelphia, Pa., March 31.—The voice of the far west as interpreted to the vast patriotic throng in Independence Square this afternoon by Senator Hiram W. Johnson of California, calls for war in defense of honor.

America will suffer much, "to the very tension of honor," before engaging in war, the California senator said. "But a nation such as ours," he added, "dependent for its perpetuity upon the character of its citizens that dare not maintain its ideals and will not protect the lives of its citizens sows within itself the seed of dissolution."

"Our destiny must be the ultimate destiny of the world democracy. America must keep burning the beacon light on the mountain top to which the eyes of all mankind may turn."

"But yesterday, China, benighted with her centuries of superstition and ignorance, looked across the Pacific for the light and fashioned her government with the spirit of America."

"Today Russia—autocratic Russia—after centuries of cruel despotism with wistful vision across the Atlantic has seen the beacon light of liberty and has added to the world a new democracy, with the spirit of America."

"In no vainglorious sentiment we would wrap this old banner of the Stars and Stripes about every American citizen.

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

"Pape's Diapepsin" Makes Sick, Sour, Gassy Stomachs Feel Fine

Do some foods you eat hit back—taste good, but work badly; ferment into acids and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, get this down: Pape's Diapepsin helps neutralize the excessive acids in the stomach so your food won't sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is upset you easily get happy relief in five minutes, but what pleases you most is that it helps to regulate your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is positive in neutralizing the acidity, so the misery won't come back very quickly.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder due to acid fermentation.

Let us make it his bugler and his shield and his absolute protection wherever he might be—on land or on sea."

Cannot Shake Hands With German People Under Hohenzollerns

Petrograd, April 2.—"We cannot shake hands with the German people until they rid themselves of the cursed Hohenzollerns," declared Vice President Shobelev of the duma, in a speech delivered today to a patriotic mass meeting outside the duma building. In the crowd were members of the workmen's and soldiers' council with hundreds of plain citizens.

"Kaiser Wilhelm and Chancellor Holweg are most redoubtable enemies to Russian liberty," Shobelev declared. "To their hypocritical greetings to the Russian revolutionists, we can only reply with the bayonet."

Grand Duke Nicholas, formerly commander in chief of Russia's armies, arrived at his estate at Alpha, Crimea
