Baby Boy Arrives at H. E. Martin Home—Rain Lessens Attendance at Party

Macley, Ore., April 12.—Amid the general rejoicing of the neighbors, Harry E. Martin, Jr., was ushered into the community on the evening of Good Friday, April 6. Mother and son are both doing nicely.

The Young People's Bible class held their monthly get-together assembly at the O. L. Martin home last Friday evening. Owing to the rain, but few were present, but the evening held many pleasures in store for those who were there. Luncheon was served picnic style, after which stories and romances were retold. Those partaking in the gaiety were: Hazel Bagher, Kenneth Martin, Marion Taylor, Sylvia White, Harlan Hoffman, Jean Byers, Homer Russell, Alta Martin, Elmo Wright, Mr. and Mrs. D. L. Mackenzie and the O. L. Martin family.

Grange met Friday morning, taking in three new members who are: Mrs. M. I. Mercer, Jess Yeager and Theron Russell. A lively discussion of the road bonds issue was held. Mr. McLain, of Shelburne, was a visitor. He is a granger there.

The Ladies' Aid society sewed away the entire day of Thursday last, at the D. L. Mackenzie home. Nearly all the members were present. A buffet luncheon was served at noon.

Don't forget the piano. Macley will soon have one for use of those who use the hall, if the young men and women of the neighboring communities turn out en masse with pocketbooks and baskets well filled, Saturday evening, April 14. The grange has prepared two short plays for the evening and as a special attraction has secured one of the best fancy dancers to be found in Salem for the evening's entertainment. Special music and vocal numbers will also swell the program. Everybody remember these three things: The place, Macley hall; the time, April 14, and the occasion, the grange bazaar.

Mrs. Miles, mother of Mrs. Wm. Witzel, who resides at Woodburn, is visiting at her daughter's home near Macley. William Tower, son of Gordon Tower, fruit grower of this vicinity, recently underwent a serious operation on his throat. The operation was performed at a Salem hospital.

Why Constipation Injures
 The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere.

Safe Medicine for Children
 "Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effective in relieving coughs, colds and croup. Obtainable everywhere.

Canada Offers 160 Acres Land Free to Farm Hands
BONUS OF WESTERN CANADA LAND TO MEN WHO ASSIST IN MAINTAINING HEEDED GRAIN PRODUCTION

The demand for farm labor in Canada is great. As an inducement to secure the necessary help at once, Canada will give one hundred and sixty acres of land free as a homestead and allow the time of the farm laborer, who has filled on the land to apply as residence duties, the same as if he actually had lived on it. Another special concession is the reduction of one year in the time to complete duties. Two years instead of three as heretofore, but only to men working on the farms for at least six months in 1917. This appeal for farm help is in no way connected with enlistment for military service, but solely to increase agricultural output. A wonderful opportunity to secure a farm and draw good wages at the same time. Canadian government will pay all fare over one cent per mile from Spokane to Canadian destinations. Information as to low railway rates may be had on application to:
