The morning session was taken up with the business of the day after

which J. P. Robertson gave a 25 minute talk on the road bond issue, which is to be voted on at the June election. After an excellent dinner served at the noon hour, the lecturer took charge of the meeting calling to order at 1:30. Instrumental music by Mr. Nye and B. E. Robertson, Recitations by Blanch Lewis and Lucil Gray. Dialogue by Thelma Delzell and Robert Gray. Duet by Mrs. Whitehead and Mrs. McKinney, and then a talk by Prof. Hyslop of the O. A. C., completed the day's work.  
Forage crop, was Prof. Hyslop's topic for the afternoon and was highly enjoyed by all as it is the one problem of all dairymen at the present time, on account of the scarcity of stock food and the high price it is now demanding.

All were interested and will surely profit by these lectures.

## Postum - Instant Postum Grape-Nuts and Post Toasties

No other food is quite so fine for building brain and brawn as Grape-Nuts. No other drink quite so excellent for the relief of harassed "coffee nerves" as Postum. No other cereal breakfast food quite so delicious and satisfying as Post Toasties.  
The trip through the plant is interesting. You are invited to take it when you come to Battle Creek. It conveys an idea of the immensity of the pure-food movement.
