When You Go to Church You Benefit Materially as Well as Spiritually

ONE can see at a glance that GOING TO CHURCH is a material as well as a spiritual benefit.

If you wish to be successful in your employment, in your business, in your profession, there is no better way to attain that end than by GOING TO CHURCH. The young man who GOES TO CHURCH has the confidence of his employer. The employer knows that a young man who is a regular church attendant cannot go wrong very far. The beneficial influence of the church is ever present.

What is true of the young man is true of the older business man. Observing persons are apt to patronize the man who GOES TO CHURCH. They feel that they are ASSURED OF HONEST AND SQUARE DEALING. Of course there are some hypocrites, but they are the exception rather than the rule. The professional man, the lawyer, the doctor, who GOES TO CHURCH is an immediate material gainer.

THEREFORE IT IS PLAIN THAT THE YOUNG MAN WHO WISHES TO RISE IN THE ESTIMATION OF HIS EMPLOYER, THE BUSINESS MAN AND THE PROFESSIONAL MAN WHO WISH TO BE SUCCESSFUL, MUST GO TO CHURCH. THE BIGGEST MEN IN THE UNITED STATES GO TO CHURCH. PRESIDENT WILSON IS A REGULAR CHURCH ATTENDANT. SO ARE THE LEADERS IN EVERY LINE OF ENDEAVOR.

You'll meet the right sort of people in church. They are the people whose hand clasps are sincere. They are the people who will look you in the eye. If you have not already joined the GO TO CHURCH through make up your mind to do so next Sunday. Don't procrastinate. Delays always are dangerous. Perhaps you already have delayed too long.

GO TO CHURCH at once and keep GOING TO CHURCH.

Sublimity Items

(Capital Journal Special Service.) Sublimity, Ore., April 21.—Stephen Weber and J. B. VanHandel, two of our prosperous farmers, have each invested in a Maxwell car. Edward J. Roeser, a promising young man of 20 years, passed away at the home of his parents, Mr. and Mrs. George Roeser, on Saturday, April 14, after an illness of over a month with erysipelas. He was laid to rest in the Sublimity cemetery Monday morning. Rev. Father Linnick conducting the funeral services. Besides a large number of local people who attended the funeral some friends of the family of Oregon City were present. He leaves besides his parents one brother, Frank, one sister, Teekla, both living at home, and another sister living in Wisconsin, to mourn his untimely end. Ed was well liked by all who knew him, and his parents and brother and sisters have the sympathy of the entire community in their great sorrow. James Ripp, the local mail carrier, is the owner of a new Ford. A very pleasant program was given at the C. F. hall Thursday evening, under the auspices of the Catholic Lady Foresters. Interesting and instructive talks were made by Rev. Father Linnick. Mrs. Kirk, deputy high chief ranger; Chas. Hottinger and Miss Minnie Hassler, Miss Clara Doerfler rendered several vocal solos which were regrettably encored. The St. Boniface singing society and the young folks also rendered several fine selections, while the Sublimity orchestra furnished excellent music. After the program the floor was cleared and the young folks tripped the light fantastic until the wee sma hours. The older people repaired to the upper floor where card playing was indulged in. A sumptuous lunch of cake, sandwiches and coffee was served, which was highly relished. The Lady Foresters deserve great credit and the thanks of the entire community for their royal hospitality and we are all ready to attend again the next time. The young men will give a basket social and dance at the C. F. hall next Tuesday night. It is hoped that the ladies will bring well filled baskets and the boys well filled pocketbooks. The newly elected city officials were sworn in at the council meeting Monday evening. Joseph Schrewe was re-elected president of council for the ensuing year, and S. H. Heltzel, of Stayton, was re-appointed city attorney. George Glover and Wm. Odenthal are back after extended trip to the coast.

Miss Kellermann in "A Daughter of the Gods"

Miss Annette Kellermann, proclaimed by sculptors to possess the ideal womanly form, has eclipsed all her previous aquatic achievements in her remarkable work as the star of William Fox's picture beautiful, "A Daughter of the Gods." In this film she is enabled to exhibit her swimming, diving, dancing and fencing skill in the most effective and exquisite natural settings imaginable. Miss Kellermann literally accomplishes what her audience neverthless insist is impossible. Shooting Niagara Falls in a barrel has been a daredevil's feat for years, but this unclad Venus, with wrists and ankles securely bound, allows herself to be swept down a rapids, carried over a graduated cascade and shot into the whirlpool below. "A Daughter of the Gods" will be shown at the Grand Wednesday and Thursday, April 25 and 26.
