MOVE TO STAMP OUT SUBMARINE MENACE

American Navy to Play Important Part--Saunders's Statement Doubted

By W. S. Forrest (United Press staff correspondent) Paris, May 7.-The allies' greatest concerted effort to stamp out the German submarine menace is being planned with an American naval officer in the conference on ways and means. He is Admiral W. S. Sims. On authority of a high British official attending the conference during the past week, the United Press is authorized to state today that the American navy will play a great part in this organized, co-ordinated plan. This official said Premier Lloyd-George and the other notables on the British commission were highly satisfied with the results of the conference with Paris governmental and military and naval chiefs and that on their return to London "the most vigorous anti-submarine campaign may be expected."

CALL FOR SELECTIVE DRAFT IS PROPOSED

President Waiting On Conference Committees--Some Provisions of the Law

Washington, May 7.-President Wilson has completed his proclamation calling for the selective draft of America's young men and its issuance awaits action by congress on the conscription bill. The urgent demands for an army--accentuated by appeals from the French and British commissions for troops in France--led congress on the draft measure to speed up their work today. Senator Chamberlain hoped to obtain agreement on the bill before tonight and report it out tomorrow. President Wilson's proclamation will detail fully what is expected of the young men of America under the selective draft bill. All men between the ages agreed upon between the conferees and approved by congress will be required to register, giving their age, whether married, and if married, whether their families are dependent upon them. There will be other information required also covering occupation, education, training along particular lines, etc. Exemptions will be determined after the registration has been completed. All single men will be taken first, together with married men whose families are not dependent upon them for livelihood. Most men trained along mechanical, medical and such lines, will be exempted in order to be of use in other work to which they will be called. Three months will be required to complete the work of registration.

Red Cross Arranges Course of Lectures with 33 Lessons In All

The educational committee of Wilmette chapter, American National Red Cross announces the formation of the following courses of lectures: 1. First and for men and women, 10 lessons. These lectures are to be given by a physician authorized by the Bureau of First Aid, Washington, D. C. 2. Elementary hygiene and home care of the sick, for women, 15 lessons. These lectures will be given by a Red Cross nurse, authorized by the bureau of nursing service, Washington, D. C. 3. Home dietetics, for women, 15 lessons. These lectures are to be given by a dietitian authorized by the bureau of nursing service. 4. Preparation of surgical dressings, for women, 8 lessons. The lecturer on this subject must also be approved by the bureau of nursing service. Any person desiring to register for any one or all of these classes may be organized and the work finished before vacation time. Books for registration are at headquarters, 491 Court street. The educational committee is sending out a circular letter to all physicians in Marion county asking them to give first aid lectures. All who are willing to take up the work of directing classes must be authorized from Washington before beginning the lectures. One class was started on Thursday evening, May 3. Two other classes are ready to begin lectures. The committee is endeavoring to secure the names of all physicians in Polk county also. Miss Lulu Geil, a graduate of the Presbyterian hospital of New York, and a registered Red Cross nurse, has been secured by the committee to give the lectures in elementary hygiene and home care of the sick. Miss Geil is one of the very few nurses authorized to give this work in the A. R. C. Women wishing to take up the work with her are urged to sign up at headquarters because Miss Geil will not be available indefinitely. The educational committee expects information from President Kerr of O. A. C., concerning authorized dietitians. The practical part of the preparation of surgical dressings is being given at the post office building by Mrs. Harry E. Clay. Mrs. Lawrence T. Harris, chairman of the educational committee will be at headquarters Tuesday afternoon, May 8, and Wednesday morning, May 9, to meet any one interested in taking up class work.

COMMITTEE EXPECT TO REACH AGREEMENT

Roosevelt Division, Age Limit and Prohibition All There Is To Settle

By Robert J. Bender, (United Press Staff Correspondent.) Washington, May 7.-That the so-called Roosevelt division amendment to the conscription bill will not be favorably reported by house and senate conferees on the measure seemed certain this afternoon. One member of the committee declared the house conferees would not accept the amendment and majority of the senate conferees are opposed to it. If the bill is reported out without the amendment there will be a lively fight on the floor of the senate. Senators Harding and Johnson are prepared to continue their struggle on the floor to get Roosevelt into France with an army and they appear to have many of the senators with them. At a two hour session today the conferees adjusted most of the minor differences, passing over the Roosevelt amendment, age question and prohibition. They meet again at 2 o'clock to resume work and expect to reach decisions on the important differences before night. There was some talk that senate conferees might give up the Roosevelt amendment in return for the house conferees accepting the age stipulation for draft approved by the senate. ing out a circular letter to all physicians in Marion county asking them to give first aid lectures. All who are willing to take up the work of directing classes must be authorized from Washington before beginning the lectures. One class was started on Thursday evening, May 3. Two other classes are ready to begin lectures. The committee is endeavoring to secure the names of all physicians in Polk county also. Miss Lulu Geil, a graduate of the Presbyterian hospital of New York, and a registered Red Cross nurse, has been secured by the committee to give the lectures in elementary hygiene and home care of the sick. Miss Geil is one of the very few nurses authorized to give this work in the A. R. C. Women wishing to take up the work with her are urged to sign up at headquarters because Miss Geil will not be available indefinitely. The educational committee expects information from President Kerr of O. A. C., concerning authorized dietitians. The practical part of the preparation of surgical dressings is being given at the post office building by Mrs. Harry E. Clay. Mrs. Lawrence T. Harris, chairman of the educational committee will be at headquarters Tuesday afternoon, May 8, and Wednesday morning, May 9, to meet any one interested in taking up class work.

ENGINEER CORPS TO BE SENT TO FRANCE

This Will Be the First of the American Forces To Reach the Front

Washington, May 7.-The war department issued orders today for the raising of the first American forces to be sent to France. The first expeditionary force to set foot on French soil will be a large number of the engineer corps. The orders provided for the raising of nine additional regiments of engineers which are destined to proceed to France "at the earliest possible moment for work on the lines of communication." The recruiting points for these nine regiments will be New York City, Chicago, Pittsburgh, Detroit, Atlanta, San Francisco, Boston and Philadelphia. The war department made the following official report: "It is requested of the press that no speculation or rumor of this force be carried by them other than given out by the war department. All details regarding the forces will be released by the department as fast as compatible with the public interest." The nine regiments to be raised by volunteering are additional to any troops thus mentioned. Authorization for obtaining these men is granted under the national defense act, which permitted of recruiting added units for special service, such as engineering, aviation and the like. Two officers of the regular army will be attached to each regiment of engineers. Williams to demonstrate her efficiency as an accomplished impersonator. Kipling's "Gunga-Din," by Louis Stewart. Mr. Stewart will please his audience with the rendition of this familiar poem. He must be heard to be appreciated. Wilbur H. Nesbit's "The Punishment of Robert," by Laura Bonney will be a treat, too. Miss Bonney will appear in recital for the first time Monday evening and her selection promises to furnish some good entertainment. Ellis Parker Butler's "Billy Brad and Big Lee," by Margaret Garrison will make a big hit. Miss Garrison recently won the state oratorical contest and leaves the fifteenth of May for Los Angeles to represent Oregon in the Pacific Coast Inter-Collegiate contest. "The Down Hill Road," by Miss Eye Bolin will prove to be a selection worth hearing and given by Miss Bolin will be doubly so. Miss Bolin has been popular on campus programs for the past two years and is an accomplished pianist as well as an expressionist. This is the first recital of the year and a good audience is expected and desired. Program begins at eight sharp.

Ex-Sheriff Esch and Mrs. Esther Hopkins Reported Married

Word was received in a semi-official communication to County Clerk Boyer this morning that Ex-Sheriff William Esch, of Marion county, who was divorced by his wife last December on the ground of desertion, has been married to Mrs. Esther Hopkins, former superintendent of the Girl's Industrial school located here, in San Francisco. The divorce here was granted by default. The communication was written by L. Horwitz, counselor-at-law, and attorney for Mr. and Mrs. William Esch, as he asks whether or not the marriage would be considered legal in the State of Oregon on account of the fact of the re-marriage of Mr. Esch before the lapse of the required six months. The attorney states that the marriage is legal in California, but should Mr. and Mrs. Esch decide to come to Oregon they wish to know if the union will be legal here. Mrs. Hopkins, early in the year, was granted a three-months leave of absence from the school on account of nervous break down. She was to have returned to her duties a few weeks ago, but resigned. County Clerk Boyer has not as yet made any reply to the letter and will consult with authorities before answering.

Table with columns for National and American leagues, listing teams like Philadelphia, New York, Brooklyn, Boston, Pittsburgh, Chicago, St. Louis, Cleveland, Detroit, and scores.

Campaign for 2500 Red Cross Members Began This Morning

Committees are out working in all parts of the town to secure the 2500 people who should belong to the Red Cross, Wilamette chapter. The city has been divided into seven districts under the following chairmen: District No. 1, Mrs. F. A. Elliott and T. Fillingimast; No. 2, Mrs. A. M. Clough and Mrs. Ingalls; No. 3, Mrs. McWhorter; No. 4, Mrs. E. T. Barnes and Mrs. Fred Stewart; No. 5, Mrs. P. S. Barton; No. 6, Mrs. C. P. Bishop; No. 7, William McGilchrist, Jr.; No. 8, Mrs. William Walton; No. 9, Mrs. C. L. Dick; No. 10, Mrs. Frank Brown and Mrs. Arthur Moore; No. 11, Mrs. Arthur Benson; No. 12, Mrs. Gordon McGilchrist; No. 13, Mrs. Harbison; No. 14, Mrs. McCallister; No. 15, Mrs. Fred Lamport; No. 16, Mrs. George Lewis; No. 17, Mrs. Elmo White. These chairmen with their assistants worked today and will continue Tuesday and possibly another day until the 2500 members of the Red Cross are secured. Several of these soliciting report that many people are not familiar with the workings of the Red Cross and do not appreciate the necessity of this work. Statistics show that this country is not prepared in any way for the work that will be necessary through the Red Cross as soon as American troops are called to France.

Prof. Helen Miller Senn Will Present Pupils in Character Parts

An evening of real entertainment is offered the Salem public on Monday evening, May seventh, when Prof. Helen Miller Senn will present some of her pupils of the public speaking department in recital at Waller hall. There is no entertainment quite so interesting and inspiring as that afforded by an evening with several good impersonators. The selections to be given Monday evening have been carefully prepared and will be presented in a finished manner. The program is as follows: O'Henry's "The Romance of a Busy Broker," by Mrs. Carl P. Williams. This is a selection that will prove most enjoyable. All of O'Henry's stories are "different" and this is no exception and offers many opportunities for Mrs.

Mother's Duty to Her Child

Science Shows Pre-Natal Suffering Has Later Effect

The subject of childbirth has demanded the attention of the world's best physicians and surgeons for centuries. Later day investigations prove that in reducing the suffering of the mother during the period of expectancy the health of the coming infant is greatly improved. Women tell of the safe, dependable preparation known as "Mother's Friend," which is composed of special penetrating oils. It is the prescription of a famous physician and a preparation of such a helpful nature as to be absolutely necessary to the expectant mother. "Mother's Friend" has been found by thousands of mothers to relieve much pain and suffering at the crisis. The period of expectancy is passed in comfort. All druggists supply "Mother's Friend." Write to Bradfield Regulator Company, Dept. K, 340, Atlanta, Ga., for valuable guide book for expectant mothers. This book is free to users of "Mother's Friend."
