PERSONALS

D. Harrington, of Dallas, was in the city yesterday. Miss Hilda Zellner is home from a short visit at Silverton. Ed Harriman and F. Carter, of Station, were in the city Friday. Forrest Davis, of San Jose, Cal., a former resident of Salem, is visiting in the city.

Dr. D. E. Brown, of Portland, is in the city. He will take the examination for dentist and join the navy. Mrs. Fred Iddings returned a few days ago from a three months' visit in Iowa and will leave tomorrow for Eugene. George A. Schultz will go to Portland tomorrow as a delegate to the grand lodge of Foresters to meet three days beginning next Monday. Dr. M. C. Findley attended a lecture in Portland Friday evening given by Dr. Otto F. Freer, of the Chicago Polyclinic. Dr. Freer is a noted specialist on eye, ear and throat diseases.

DIED

OLINGER—At the Willamette Sanatorium, Friday night, May 11, 1917, Albert Olinger, in his 83d year. His wife died in Salem, June 15, 1916. He is survived by five sons and one daughter: Olton Olinger, of Everett, Wash.; Dr. Harry H. Olinger, James Olinger and John B. Olinger, of Salem; Dr. B. C. Olinger, of The Dalles, and Mrs. R. Ring, of Salem. The funeral services will be held Monday morning at 10 o'clock from the chapel of Rigdon & Richardson and will be conducted by the Rev. Carl H. Elliott. Burial will be in the Odd Fellows' cemetery. Mr. Olinger was born at Milton, Ohio, May 24, 1834. He was wedded to Mary McConnell Banks, of Peru, Ind., December 30, 1856. During the Civil war he served in Company B, Fortieth Regiment Indiana Volunteers, and was promoted to first lieutenant in September of 1862. He moved to the Willamette valley in the spring of 1875 and has been a resident of Salem since 1864. He followed contracting and building for a number of years and erected many of the old time buildings in Salem. HARRIS—At his home on the Garden Road, Saturday morning, May 12, 1917, John S. Harris, at the age of 89 years. Besides his widow, he is survived by

two daughters, Mrs. Minnie Graber, of Salem, and Mrs. Josephine Barr, of Astoria, and three granddaughters. The funeral services will be held Monday afternoon at 2 o'clock from the home on the Garden Road and will be conducted by the Rev. Carl H. Elliott. Burial will be in City View cemetery. The funeral services will be conducted according to the rites of the Masonic lodge of which he was a member. Mr. Harris was born in Ayreshire, Scotland, December 22, 1836. When a young man he went to Australia and New Zealand, finally locating in Hollister, Cal., where he was engaged in the goat raising industry. Later he moved to Idaho and continued in the sheep and goat business until 1901, when he came to Salem. His only son was drowned in the Willamette at Portland, October 6, 1902. He was a pioneer in the Angus business in the United States, being the second man to bring them into this country. In 1875 he went to Thibet in central Asia but could not get goats out of that country. Later he went to India, where he found the Cashmere goat in the Himalaya mountains at an altitude of 22,000 feet. From this point in his search for goats to bring to this country, he went to Angora, in Asia Minor, where he secured two bucks and 10 does. These he brought to Constantinople and then to Liverpool, finally arriving in the United States at Baltimore in March of 1876. His Masonic membership was with Ascadia lodge, No. 14, A. F. & A. M., of Albion, Idaho, of which lodge he was a charter member.

All Around Town

COMING EVENTS

May 18.—"Maneuvers of Jane," senior play, high school auditorium. May 17—Salem Festival Church, First M. E. church. May 19.—Last day of registering for special election, June 4. May 23-24.—Annual convention W. C. T. U., Ramp hall. May 29.—Concert by College of Music, advanced class, First M. E. church. May 30.—Memorial day. All stores closed. June 4.—Special state election. June 8.—High school commencement at armory.

If a man is made of the right kind of material, there seems to be chances for advancement in the army service. Last evening 53 soldiers passed through Salem on their way to San Francisco, in charge of Corporal Gladly Gilliam. It was but eight months ago that Mr. Gilliam enlisted as private. Now he is a non-commissioned officer.

Meeting of Salem lodge No. 4, A. F. & A. M., Monday 12:30 p. m. to attend the funeral of our late Bro. J. S. Harris, late a member of Cassia lodge No. 14, Albion, Idaho. Members having automobiles will please bring them. Visiting brethren welcome.

The high school class in art is developing some real artists when it comes to painting advertising placards. The school will give an entertainment on the evening of May 18, entitled "The Maneuvers of Jane," and the placards announcing the show are really quite artistic. They may be seen in the store windows.

There is a lonely woman out in the country a short distance from Salem and she wants to get a boy between the ages of 19 and 14 years to come and live with her. She says she will give him a good home and take care of him in good style in return for his company. She wrote to Mrs. Dorsey, the police matron, and anyone wishing to find out more about the case can consult her.

The captain of the utility division of the Girls' National Honor Guard announces that the class in signaling and military drill will meet Tuesday evening in the gymnasium of the Y. M. C. A. instead of at the city hall. The signal work is under the direction of Mr. Chittick, formerly of the Canadian army, while A. A. Hall, formerly of Company M, has the military drill.

Here is something new under the sun and it is the gray fish which will soon be on the market. It is a salt water fish and the government food experts have decided that its food value ranks with the best. It has one advantage and that is the price as it will sell for three pounds for 25 cents. The government has issued several circulars calling attention to the food value of the gray fish.

Just as "Bill" Lerchen, a hard working commercial traveler, he does not object to being pinched for violating the speed ordinance of the city, as that is all in the day's work. But as William Lerchen, King Bing of the Cherrins, it is entirely a different proposition, working on the old saying that the ring can do no wrong. Hence Mr. Lerchen has secured the services of an attorney and will be properly represented when he is tried for driving faster than the ordinances of the city permit.

Now that everyone is studying geography on account of the world's war, a look at the large terrestrial globe at the Capital National Bank will disclose several facts not generally known. For instance, the city of Petrograd is farther north than Juneau, Alaska, and London is farther north than Vancouver, B. C. Honolulu is exactly west of Mexico City and the parallel of 10 degrees north of the equator passes through the Isthmus of Panama and the Philippine Islands. The globe also shows that wheat raised in western Canada may be shipped to Liverpool by way of the Hudson Bay since the railroad is completed and travel 1,000 less than if shipped to Montreal and then to Liverpool.

This is just a common every-day navy bean story and is especially for those who have an acre of ground to plant in navy beans. Just as a fair average, there are 2,500 beans to the pound. If the rows are planted two feet apart and the hills 15 inches apart, it would require 17,425 hills to the acre and if four beans were dropped in each hill, the number would be 69,700 beans to the acre. According to our ready rapid calculator, it would require about 28 pounds of beans to plant as above specified. But if the rows were two and a half feet apart and a distance of 18 inches between the hills, that would require only 46,400 beans, which the rapid calculator says would figure out about 18 pounds to the acre. These figures are submitted but not guaranteed.

A splendid program has been arranged for the pleasant Sunday evening service at the First Congregational church to-night at 7:30. Besides the special musical program arranged by the chorus choir the people of Salem will have the privilege of listening to Miss Margaret Garrison deliver her prize winning oration, "A New Reconstruction." Miss Garrison recently won the intercollegiate

Dr. Stone's Drug Store for trusses. Dr. Stone makes no charge for consultation, examination or prescription.

Sheriff Needham requests that all war marshals in the county send in a list of their assistants as soon as possible. He wants the name, address and precinct number, so that they can be sent to Portland. Headquarters in Portland require also the names of the marshals.

Cement Drain Tile. We have a large stock of cement drain tile for sale. Sizes from 4 to 12 inch. Prices same as clay tile. Salem Sewer Pipe Co., Phone 14, Salem.

A man with \$10,000 down in Arkansas wants to come to Oregon and has written the Commercial club that he would like a section of land fairly level. He is not particular as to the distance from a railroad. The county from which he hails, Phillips, is on the Mississippi river and subject to overflow about so often.

Dr. E. Meric Roberts, osteopathic physician, 309 Masonic bldg. Phone 409

late oratorical contest at McMinnville and will be entered in the Pacific coast contest to be held at Los Angeles in the near future. In addition to Miss Garrison's oration the French war film, "French Maneuvers," will be shown. Everybody is invited and everybody is welcome.

Here is the name of a new book at the public library. It is written by Jordan and the title is, "The Care and Culture of Men." Another interesting one is, "Feeding the Family." Take your choice.

The Seattle Racing Pigeon club is having a good time occasionally by sending out several lots of racing pigeons and then wondering whose pigeon will get home first. A few days ago 54 pigeons from 12 of the Seattle lots were sent to the Wells Fargo Express office in Salem. They were released at 7 o'clock in the morning and the first bird reached its loft in Seattle in exactly four hours and 22 minutes. The Seattle experts figure the fastest bird was traveling at the rate of 1,230 yards a minute. The air line to Seattle from Salem is figured at 184 miles while the railroad distance is 232. The pigeon experts regard Salem as a 200 miles course to Seattle.

This is a story of perseverance and how a man who was turned down on finally accepted as an army recruit. On 16th of February Russell V. McDonald, 18, of Seio, applied at the Salem recruiting station for enlistment, but failed to pass the physical examination as he had a chest expansion of only two inches. The recruiting officer told him to go home and take a chest and to that would develop the chest and to add a few miles of running each day. As the Linn county fair is held at Seio and there is a fair race track, young McDonald got busy every morning running around that track. Later he went through exercises tending to develop the chest. Yesterday with a chest so well developed that he could show a four inch expansion. That is regarded as a pretty fair expansion by the war department. The extra two inches was put on in less than two months.
