BRICK BROS. QUIT-BUSINESS

Salem probably never before witnessed a Clothing Sale when the people took such a deep interest as in this sale. They know our clothing is new and dependable --- none better. They know our Shoes and Furnishings are the best that money can buy. They know this store gives exactly what it advertises. They know that merchandise of all kinds is going higher and higher in price, and many a man is not only anticipating his present but future needs. This is no sale to reduce stock or unload. It is a real genuine, bona fide Closing-Out Sale and without regard to present high cost of merchandise, we are sacrificing our entire stock---bought before the big advance---at prices very much less than wholesale cost in many instances.

PATIENT PEPOLE REWARDED

On Saturday it was utterly impossible for twenty salesmen on the floor to serve all those who wanted Clothing, Shoes and Furnishing Goods. The crowd was good natured indeed, under the circumstances; but patience had its reward for those who could wait. A dollar to three and even ten dollars' saving is some reward in these days of sky-high prices.

"Idle Wives" brings truths to light with startling sincerity---there is no pretense---no hiding of the truth-"Idle Wives" holds the mirror to life and shows us as we really are. It is not a slanderous tale told to hold the morbid, nor a sensational story of fiction but a truly great conception of life unfolded by holding the X-ray on life itself for the betterment of all mankind.

7 BIG SMASHING ACTS STARTLING IN REALISM

Children

Admission 15c A super-master creation produced by Lois Weber from the famous novel by James Oppenheim. It will hold you. It will grip you as no other story or film production. It will make you think and ponder and wonder why such things must be. "Idle Wives" is the most remarkable drama of the season.

YE LIBERTY THEATRE

that referending petitions must be like a feet than 90 days after the final adjournment of the legislature. Also another section of the constitution provides the time when the laws take effect, which is 90 days after the final adjournment of the legislature. There are not mandanus con be instituted to compel a public official to do some act until the time prescribed to the state.

The demurrer attacks the petition mandanus proceedings should have been brought by a citizen of Current which is 90 days after the final demurrer attacks the petition on two grounds. The question is raised as to whether mandanus proceedings should have been brought by a citizen of Current which is 90 days after the final demurrer attacks the petition on two grounds. The contended by the defendants that mandanus proceedings should have been brought by a citizen of Current which is 90 days after the final adjournment of the legislature. There we when the laws take of the defendants of the defendants of the defendants of the defendants of the defendants. adjournment of the legislature. Therefore, the time when the laws are in effect cannot be deferred one day by reason of the fact that the last day on which referendum petitions may be filed falls on a Sunday.

The Portland Galvanizing Works filed articles of incorporation this morning with the corporation commissioner with a capital of \$25,000 to do galvanizing and tinning in Portland. The incorporators are Martin Leiser, Joseph Supple and Fred A. Ballin.
The Marvel Construction company

filed articles with a capital of \$4,000 to operate flour mills and manufacture cereal products. The incorporators are A. J. Bingham, H. T. Burntrager and C. A. Sheppard.

The "Oregon Memorial Annual for 1917," a booklet issued by J. A. Churchiff, state superintendent of public instruction, is now reacy for distribution to the teachers of the state. The book-let contains a foreword on Memorial day, "America," the story of "The Star Spungled Banner," rules for flag etiquet, the tradition of Betsy Ross, President Wilson's address on April 2, 1917, Lincoln's Gettysburg address, and Washington's farewell address, and oth er short selections from other great Americans.

No protests have been received by the state desert land board concerning the proposal of State Engineer Lewis to relinquish the Benham Falls project consisting of about 74,000 acres, and turn it over to the department of the interior for final disposition. It is probable that the proposal of the state engineer will pass the meeting of the state board this week. The project is near Bend, in central Oregon, and the people there are said to be favorable to the
