

How Publicity Helped Mrs. Thomas to Health

Doctor Had Decried Operation When She Read of Mrs. Dunlap's Experience

Some time ago Mrs. R. C. Dunlap of DeKalb, Mo., wrote to the St. Joseph, Mo. News-Press telling how, after years of suffering with stomach trouble, she had been relieved of a quantity of gall stones and restored to health through using Fruitola and Traxo. This letter was published and read by Mrs. George Coe Thomas of Lancaster, Mo., who had been told by her doctor, after months of treatment for similar trouble, that nothing but an operation would save her. Mrs. Thomas obtained Fruitola and Traxo from the drug store, and says:

"By the time I had taken a month's treatment I felt like a new woman; the first dose of Fruitola brought a large number of gall stones and I am certain Fruitola and Traxo saved my life."

Fruitola and Traxo are compounded from the original Eissal formulas at the Pina Laboratories in Monticello, Ill., and can be purchased in Salem at Daniel J. Fry's Drug Store, 280 North Commercial St., a doctor's prescription is not necessary. Fruitola is a pure fruit oil that acts as an intestinal lubricant and disintegrates the hardened particles, that cause so much suffering, usually sufficient to indicate its efficacy. Traxo is a tonic alternative that is most effective to rebuild and restore the weakened, rundown system. A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pina Laboratories, Monticello, Illinois.

Do You Want to Buy a Bond and Help Your Country? If So, This Is the Way

For those who would like to show some of their patriotism in the way of buying a government bond, especially buying a few of the bonds of the Liberty Loan, the following information is given:

The bonds with interest coupons attached may be bought in denominations of \$50, \$100, \$500 or \$1,000. Bonds that are registered as to interest and principal may be bought in denominations from \$100 to \$100,000.

Bonds are to be paid for in installments: 2 per cent on application, 18 per cent on June 28; 20 per cent on July 29; 30 per cent on August 15, and 30 per cent August 30, 1917.

Application for bonds may be made through the local banks, or with the Federal Reserve bank of the district or with the treasury at Washington. The best way is to call at one's bank and make application for the loan. The bank will attend to the details.

The bonds draw 3 1/2 per cent interest and the purchaser pays par and accrued interest. The applicant is asked to state on the blank whether he prefers to make full payment before the dates indicated and if such payments are to be made by check, upon what bank or trust company they will be drawn.

There is no red tape in buying a Liberty loan bond. Just fill out the amount to be bought, give the bank a check for two per cent of the amount and the application goes in to the treasury department.

The treasury reserves the right to reject any subscription or to make allotment of the amount subscribed for.

The loan is what might be termed a popular one in every respect as no big bank gets a change of a fat commission out of it. The government has passed the bonds direct to the people and those who buy will have the details cared for by their local bank.

Investigation of the death of John Dillard, of the farming district near Milton, disclosed the fact that he had money and certificates of deposit stored away in every conceivable hiding place, \$19,000 thus hidden were found. Besides this wealth his farm is worth \$50,000. He was 85 years old, and leaves one daughter, Mrs. Hill.

week or more, will return home in a few days.
School closes June 1.
L. S. Lambert was in from his farm on the Aumsville road early in the week.

The father, mother and brother of Mrs. Merton Mack are stopping with her, they having recently arrived from their place on the coast. Mr. Kinsey, her brother, has been afflicted with appendicitis.

Mother Martin is seen on fine days working in her garden much to the gratification of her friends. She had been confined to her room for some time.

W. E. Thomas, of Salem, was here this week looking after some of his property interests. Mr. Thomas has lived longer in Stayton than perhaps any other present resident.

Mrs. J. W. Nipple, of West Stayton, was in the city on Wednesday.
V. E. Robinson, circulation auditor of the Oregonian, spent Wednesday in Stayton arranging a house to house delivery for those patrons desiring this way.

Wayne Ashby, of Union Hill, was in Stayton this week.
The cemetery will be greatly improved this year according to plans of the Masonic and I. O. O. F. lodges, the owners. Representatives of these organizations spent the greater part of last Sunday morning at the burial place and decided to put in two crushed rock walks running the full width of the tract at right angles to a similar walk to connect from the main entrance. Another entrance will also be added. The new walks, all told, will measure nearly 600 yards. Those who visited the cemetery and made the plans as outlined above were: Dr. H. A. Beauchamp, James G. Gardner, Grant Murphy, S. H. Helzel and J. M. Ringo.

Will Weddle will go to Eugene next week to attend a grand lodge meeting.
Mrs. Niebart, who was buried last Saturday, had lived here for a long time and her passing was a cause of great regret on the part of her many friends.

Professor James P. Matthews, of Salem, will preach morning and evening in the M. E. church on Sunday. Rev. Marion Horne, of Eugene, will preach morning and evening in the Christian church.

The women of the local W. C. T. U. had a rally at the home of Mrs. Martha Brown last Wednesday when refreshments were served and work plans outlined. Those present were: Mrs. Anna Stayton, Mrs. Lydia Ruble, Mrs. Ella Ware, Mrs. Mary Folis, Mrs. Anne Cornish, Mrs. John Thomas, Mrs. M. K. Brown, Mrs. J. W. Nipple, Mrs. Jennie McLellan, Mrs. Susan Trask, Mrs. Hutchinson, Mrs. Kirkpatrick and Mrs. Barbara Kirkpatrick. Little Misses Hilda Trask and Beatrice Lockhart were the youthful waitresses during the refreshment period.

City Marshal J. B. Grier is making his rounds for the month in the interest of the water rent collection. He is a few days late on account of needed farming operations on his place.
Miss Ruth Fason, the Kingston school instructor, was in Stayton this week.

Last Day to Register for June Election

Tomorrow is the last day to register for the coming June 4 election. The county clerk's office will be open for registration until 5 o'clock in the afternoon when it will close, as the law so provides. This is a state election and no registering is necessary in the city hall. All must be done at the court house. Those who have not moved from their precinct since the last election are not obliged to register. However, if one has not voted for two years, it is necessary to register. The big proposition to come before the electors on June 4 is the \$6,000,000 road bond issue. During the last few days of the last legislature, an effort was made to have an emergency clause attached to the measure. Which would have prevented any action by the people. This action failed. The measure for the \$6,000,000 bond was carried by a majority of one vote during the last days of the session and those who want to express their opinion about it should register by tomorrow.

Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.
Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

TO BUY ANIMALS
Washington, May 18.—Four boards of cavalry officers were appointed today to visit Kansas City, Mo.; Fort Reno, Okla.; Fort Royal, Va.; and Fort Keogh, Mont., to buy about \$100,000,000 worth of horses and mules for the army.

Among the wedding presents to a bride at Cove were "a cow and a blooded sow." If all wedding gifts were as sensible as these in these war food times there would be more successful marriages, in the opinion of the Baker Herald.

SECOND UNIT OF FIGHTERS
Paris, May 18.—America's second section of fighting men went to the front today.
The unit was composed of about forty Americans comprising number two squadron of the American munitions transport, recently organized under A. Pitt Andrews of the American ambulance corps.
P. J. Bailey of Cambridge, Mass., Yale, 1910, was in command of the section.

SEPTEMBER MORN WAS "A TANGO SANDWICH"

Chorus Graceful and Pretty, Singing Fair and Comedian the Real Thing
"A tango sandwich, please."
"A tango sandwich?"
"Yes, and be quick."
"What is a tango sandwich?"
"Some chicken, very little dressing and not too much mustard."
Yes, ho, that just about characterized "September Morn" at the Grand theatre last evening, when "she" was presented in living pose to the audience. Yet it must be said that as far as the fair September goes, the picture on the easel gave a better impression of the original September than did the posur. "September Morn" brought with her a breath of the days gone by in Salem when musical comedies flitted through almost every week and were greeted with crowded houses. The house was medium last night, probably because the impression was general that it might be just a "wee bit naughty." But it wasn't. The company had a voluminous wardrobe that was noted for its variety if not for its richness.

The show was colorful, the singing passable, and the chorus really graceful and pretty. The dancing was good and thoroughly representative of what musical comedy generally is, or is planned to be.

Practically the whole burden of the show fell on the shoulders of Rudolph Plastric, professor of art, who was impersonated by William Moore. This droll personage shook the house time and time again with his odd mannerisms, sayings, and gags. His funniest was natural as a bubbling spring. His biggest hit was the song "A Spare Rib From the Butchery of Life," in which he takes a fling at the theory that woman is one of Adam's lost ribs.

Ruth Wilkins as "Argentina—the World's Greatest Tango Dancer," was clever and made good with the audience all the time.

JAP GUNBOATS REACH FRANCE
Paris, May 18.—Arrival of a number of Japanese gunboats at Marseilles to aid in combating the submarine warfare was officially announced today.

The New York Herald today printed a story asserting that a contingent of Japanese troops had been landed at Marseilles on April 29, according to information received in New York. The Japanese forces, it was said, will fight side by side with the Russians on the west front.
