

### Wants Others to Know Remedy That Helped Him

MR. CHAS. FROELICH

#### Can't Understand How He Was Cured So Quickly After Suffering Nin- teen Years

For nineteen years, Mr. Chas. Froelich, R. F. D. No. 2, Gorham, Kansas, suffered from stomach and kidney trouble. He tried all the doctors for miles around but got no relief, and had about given up, when Mrs. Froelich read in the Kansas City Post about Fruitola and Traxo and what it had done for a man with stomach trouble. He says, "She sent for Fruitola and Traxo and from the first I felt better. I only took two bottles and am well now and can eat and work like a young man. Fruitola and Traxo did it and I'll do all I can to get others to try it."

Fruitola and Traxo are compounded from the original Edsall formulas at the Pinus laboratories in Monticello, Ill., and can be purchased in Salem at Daniel J. Fry's Drug Store, 280 North Commercial St.; a doctor's prescription is not necessary. Fruitola is a pure fruit oil that acts as an intestinal lubricant and disintegrates the hardened particles that cause much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficiency. Traxo is a tonic alternative that is most effective to rebuild and restore the weakened, rundown system. A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Ill.
