

Lower Tire Cost Than Ever—NOW

For, in the old days, tires not only cost motorists more per tire, but were also so far inferior to the present product, that the final cost—the cost per mile—was from 50 to 100 or more per cent. higher than you pay now.

United States Tires—the 'Royal Cord', the 'Nobby', the 'Chain', the 'Uco' and the 'Plain',

- one for every need of price and use,
- produced by the largest rubber manufacturer in the world,
- produced by the most experienced tire manufacturer in the world,
- produced by a time-tried, exclusive, patented, vulcanizing process,
- produced of only the most carefully selected materials,
- have so far eclipsed every other make of tire that

United States Tires are famous for their mileage-giving qualities—their low cost per mile.

The proof?—the consistent and persistent tremendous sales increases of United States Tires.

United States Tires Are Good Tires

STRIKES CAUSING

(Continued from Page One.)

which adjourned Saturday, urged that "gatherings of idle men be discouraged" and that "no temporizing methods be used in handling those who will attempt to hinder the harvest."

"I have already issued an order forbidding street speakers to discuss war subjects," said the mayor today, "and since the war the police have had orders to watch all street meetings and to aid in every way possible the work of the federal authorities."

Ask Government Aid.

Washington, July 5.—Arizona copper companies today appealed for government aid in ridding mine districts in the southwest of "labor agitators and other enemies conniving at this country's defeat."

HEAVEN OR HELL? WHERE ARE THE DEAD?

Hear Mr. Hayward tonight in the tent in Marion Park.

1,000 Strikers Mobilize.

Globe, Ariz., July 5.—Following mobilization here today of 1,000 strikers who are massed at the Old Dominion mine picket line, Sheriff Armer's posse of 300 citizens has again resumed vigilance. They have established headquarters at the armory and are being drilled in squads in the business of loading rifles and the manual of arms.

Armed guards were again stationed on the Old Dominion property. It is reported their personal arms have been augmented by machine guns.

Situation is Tense.

Globe, Ariz., July 5.—The question of whether Federal support and aid is necessary here to cope with the I. W. W. strike situation has been put up to Governor Tom Campbell by the government. Thus far the governor is disposed to attempt mediation himself. Messengers were exchanged early today in apparently uncharged after armed clashes between miners and citizens passes were narrowly averted yesterday.

YE LIBERTY

CONDEMNATION SUIT CAUSES MUCH WORK

700 Pieces of Property Involved and Approximately 1600 Defendants

Tacoma, Wash., July 5.—The complaint in the suit to condemn 35,000 acres of the 70,000-acre cantonment site at American Lake, filed by J. T. S. Lyle, special counsel for Pierce county, today, is two inches in thickness and has kept 41 employees busy for weeks in its preparation.

There are 700 separate pieces of property in the first 35,000 acres, and approximately 1,600 defendants.

It is probable the biggest condemnation suit in extent of land covered, ever brought in the United States, and the biggest but one in point of money value, the Croton dam suit in New York, merely running into money.

It will take a map 12 by 18 feet big enough to carpet a good-sized living room—to show it to the court.

Sixteen stenographers have been kept busy in the preparation of the first half of the suit. Two crews of appraisers, one for property and one for improvements, have been in the field for six weeks and are not nearly through yet, four draughtsmen have been working steadily at maps, and nine rooms in the Tacoma building are crowded with typewriters, draughting tables and filing cases.

Every house, every barn, every chicken coop big enough to be called a structure, on the 35,000 acres, has been measured, and many of them have been photographed. The nature of the soil on every tract has been studied.

Lyle hopes to get into court on the first suit some time in August.

The land is to be used by the war department as a permanent training camp, the largest in America.

No Flossy Uniforms for Reserve Officers

San Francisco, July 5.—Those boys at the Presidio reserve officers' training camp who erstwhile strutted about in leather puttees and flossy uniforms got a jolt today. Colonel Fred Sladen, commandant, issued an order positively forbidding any student to wear at any time any detail of uniform except that of a private.

Leather puttees are barred, while shirts and collars are barred, tailored uniforms are barred. Nothing but the common or garden uniform of a private will be permitted, canvas leggings and all.

Furthermore, some of the company commanders have issued orders forbidding the men to smoke from the first formation in the morning until noon.

Sherman was right, say the students.

AUSTRIANS ALARME

Rome, July 5.—Reports from Vienna received here today stated that an official manifesto has been issued in that city in an effort to allay the alarm of Austrians caused by the Russian offensive.

HOW TEAMS SIZE UP IN THE BIG LEAGUES

Boston and Chicago About on Even Terms—Minor League Closes Parks

By H. C. Hamilton
(United Press staff correspondent)

New York, July 5.—Just as the averages are daily proving, figures of the half season mark today show that in the American league Boston and Chicago are working toward the same end with such concentration that there is little difference in their accomplishments.

However, by using the same process of figuring, with the Phillies and Giants the subjects, the Phillies should be leading the National league.

Including all games, the champion Red Sox have secured 245 runs, have hit safely 513 times, have accepted 2,644 chances in the field and have perpetrated 86 errors. As a scoring machine and as a hitting force the White Sox show slightly more punch at this stage of the drive, but otherwise there is little to choose between the teams.

The Giants have scored 236 runs; have accumulated 516 hits, have accepted 2,427 fielding chances and have 90 errors charged against them.

The Phillies have scored 263 runs, have hit safely 530 times, have accepted 2,435 fielding chances but have committed a total of 96 errors.

Leonard to Meet Kilbane

New York, July 5.—Benny Leonard, lightweight champion, and Johnny Kilbane of Cleveland, will meet in a six round bout in Philadelphia July 25.

The Three I League Quits

Chicago, July 5.—The Three I league, one of the oldest in the country will close its parks Sunday. A general lack of interest, owing to the war, has caused a loss of \$25,000 to the organization, President A. B. Torney said today.

Bentley Harbor, Mich.—Fans were practically agreed today that George (Knockout) Brown won a shute in his ten round bout with Phil Harrison here yesterday afternoon.

YESTERDAY'S SCRAPS

Rare, Wis.—Eddie Mohr is recovering today from the Fourth of July celebration he offered Bryan Downey, of Columbus, Ohio, here yesterday afternoon. The Milwaukee welterweight took a licking in each of the ten rounds.

Aurora, Ill.—Spike Kelly of Chicago and Tommy Sheehan of Chicago Heights, lightweights, drew in their ten round bout here yesterday afternoon.

Doan, Ia.—Tommy Krug of Mansfield, Wis., and Sailor Joe (Choyinski) fought ten rounds to a draw here. Bobby Fletcher of Philadelphia, was stopped in the ninth round when he sustained a broken rib in his bout with Jack Rose of Milwaukee.

Ogden, Utah.—Jack White of Chicago, broke his right hand in the second round of his scheduled fifteen round go with Al Young of Oklahoma, here yesterday afternoon, but refused to quit when his seconds tossed the sponge in the ring. The referee stopped the bout in the eighth.

Perry, Ia.—Johnny New, St. Paul lightweight, hit Harry Cook, local negro lightweight, so hard in the sixth round that the black was out for twenty minutes.

Everett, Wash.—Harry Anderson, Seattle lightweight, held Eddie Campi, Pacific coast featherweight champion, to a draw in their four round bout here yesterday afternoon.

Omaha, Neb.—Marin Plestina, Omaha, last night won from Henry Ordemann, Minneapolis, in straight falls. Time twenty three and fourteen minutes respectively.

Oakland, Cal.—Charlie Moe earned the decision over Jimmy Dundee in a

EASTERN OREGON IS IN NEED OF RAIN

Crops In Many Places Are Beginning to Suffer From Dry Weather

Crops are beginning to burn in the district surrounding Lane, eastern Oregon, according to the railroad crop report for the week ending June 30, which has been received at the Oregon Public service commission.

The statement from Lane is to the effect that there has been no rain there for some time and that, as a result, the country lacks moisture. The extent of the grain burning is estimated at about two per cent and it is expected that considerable damage will result unless the crops have moisture to mature and fill out.

From Condon, the report is not much better. It states there is no moisture there and that the weather has been hard on wheat and barley. This condition is estimated to affect the yields from ten to twenty per cent.

Shaniko has had no rain and much is needed. Hopner has had no precipitation and the soil is dry although the condition of the crops is reported good.

At The Dalles, the winter wheat acreage is below normal while the acreage of spring wheat is above normal no account of prevailing east winds for practically two weeks. The weather is good but rain is badly needed.

In the vicinity of Wasco the ground is getting quite dry and the wheat is commencing to dry in the shallow ground. If rain comes this week it is believed no special damage will result.

The report from Moro states the soil is getting very dry and that the wheat needs rain badly. On thin land and poor summer fallow the wheat is badly damaged as the weather has been dry and hot the past week.

Bend states the soil there is very dry and the crops need moisture. It is expected that the fruit will do well; hay is being cut.

At La Grande there has been no rain and the soil is dry in places and in others too wet for working. The fall grain is growing nicely and the spring grain showing up better than the previous week.

In Baker there has been no rain and it is predicted a continued lack will have a bad effect on the dry farmer. Other places are having a dry spell but are not suffering.

EVANGELIST HAYWARD

will speak tonight in the tent in Marion Park on "The Resurrection." You will want to hear him.

Some Good Races On Yesterday's Program

The races at the Fourth of July celebration held at the fair grounds yesterday showed some fast trotters and pacers. In the first race, a free-for-all trot, the time was 2:15 3-4 for the first heat, and 2:15 1-2 for the second heat. All the races were won in two straight heats, although they were the best two in three.

The summary:

Free-for-all trot—
 B and M (Mauser) 1 1
 Halie B (Swisher) 2 2
 Complete (A. G. Smith) 3 3
 Lottie Ansel (Woodcock) 5 5
 Mark H (Cook) 5 3
 Perrio (Ziegler) 4 dr.
 Time, 2:15 3-4, 2:15 1-2.

2:25 pace—
 Captain Mac (Woodcock) 1 1
 Lena Patch (Brown) 2 2
 Helen Mistletoe (Parker) 3 3
 Ruth Hal (Brain) 4 4
 Kinney Wave (Cook) 5 5
 Time, 2:12 1-2, 2:13.

2:35 trot—
 Hazel Patchen (Miller) 1 1
 Cavallet Gale (Swisher) 2 2
 Jet Loeck (Gill) 3 3
 Salem Boy (Mauser) 5 3
 the state of Oregon. The place of business is Portland and the capital \$20,000.

State House News

Secretary of State Elliott has received a bulletin issued by the postmaster general regarding the liquor laws that went into effect July 1 concerning the sending of advertising matter into states where advertising liquor and soliciting of orders is prohibited. The bulletin states that congress has passed a law that forbids depositing or carriage in the mails of matter containing either advertisement or solicitation of orders for intoxicating liquor when addressed to any place or point in any state or territory in which it is forbidden either to advertise or solicit orders for liquor.

The post office asks information concerning the liquor laws of the state of Oregon so that mail matter addressed there can be regulated.

Articles of incorporation were filed with the corporation commissioner this morning as follows:

The National Home Building company of Vancouver, Clark county, Washington, which engages in a general contracting business, filed a declaration of intention to do business in the state of Oregon. The place of business is Portland and the capital \$20,000.

MANY IN SALEM TRY SIMPLE MIXTURE

Many Salem people are surprised at the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-I-Ka. This simple remedy acts on BOTH upper and lower bowel, removing such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-I-Ka is astonishing. J. C. Perry, Druggist.

LITTLE SUPPORT FOR MONARCHY

Washington, July 5.—That the attempt to establish a monarchy in China may fail was indicated in state department messages today saying the north was not extending as great support to the emperor as anticipated. Some of the leaders, the message said, who had been listed as monarchists had not fallen into line.

TRADE MARK

ECZEMA REMEDY

stimulates the digestive organs to action so that the food that enters the stomach is digested and assimilated. Sold only by us, 50c and \$1.00. Capital Drug Store.

Scalp Irritation Stop It Now!

The heat of the sun dries out the natural oils of the scalp. Dandruff increases. Scalp itching becomes not only unpleasant but even dangerous.

Stop this itching now! You can, with very little trouble! Sprinkle, only twice a week, a little Pompeian HAIR Massage on your scalp. Rub it in the Pompeian way (carefully described in booklet enclosed in every package) and soon your scalp itching will stop.

Pompeian HAIR Massage
Stops Dandruff—Hair Coming Out

The success of Pompeian HAIR Massage is in the "massage" idea. It is a treatment, not merely a tonic. The massaging (rubbing) of the scalp wakes up the roots of the hair to new life. This massaging also opens the pores of the scalp to the wonderfully stimulating liquids in Pompeian HAIR Massage. Dandruff goes. Your hair will become soft, healthy, vigorous and attractive.

Pompeian HAIR Massage is a clear amber liquid (not a cream). Not oily. Not sticky. Very pleasant to use. 25c, 50c and \$1 bottles, at the store.

MEN—Have your barber give you a treatment; and prove to yourself how refreshed your scalp feels by one application.

Don't hesitate to use Pompeian HAIR Massage. It is made by the old and reliable makers of Pompeian MASSAGE Cream and Pompeian NIGHT Cream.
