## Suppose You Were Going "Over the Top"

\*

You know what that means, don't you? Getting out of the trenches for a charge. The order comes after hours and days of incessant artillery preparation. Then it's up to the men in the front lines.

Suppose you were waiting to go over the top in ten minutes. What would you want more than anything? What would be the one thing that would help---after the nerve strains of two days roar from those big guns?

You'd want a good smoke, of course.

But on the other hand, you're not "over there." You're here because you have to be. And you have no trouble laying your hand on a pipe or cigarette.

But they're scarce on the other side--cigarettes and tobacco; the kind our men like.

Blame scarce.

So help send smokes to the Soldiers.

We make it easy for you: all you have to do is to send a little money to:

The Capital Journal Tobacco Fund

has been started, to supply our boys with their favorite smoke. Will you help to make it a success? This has been endorsed by the Government. Through the efforts of this paper, arrangements have been made with The American Tobacco Company to send 45c worth of tobacco for 25c.

HERE IS WHAT THEY WILL GET:

4 books of Tuxedo Cigarette Papers

2 packages of Lucky Strike Cigarettes. Retail at 20c 3 packages of Bull Durham Cigarettes. Reail at 15c 3 books Bull Durham Cigarette Papers 1 tin of Tuxedo Tobacco . . . . . . . . . Retail at 10c

A return post card is enclosed in each package, so that every contributor will receive a personal asknowledgment of his gift. You will treasure this message from the trenches. Everybody wants to give a little. Will you help make it a success by doing your bit?

Contribute! Organize your club, your church, your town, your office, your factory and give the boys just a little comfort-their favorite smoke.
