## SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! Sage Tea and Sulphur Darkens Hair So Naturally that Nobody Can Tell

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50 cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them. Because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray haired unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

## Very Brief Biography of Lovely Mae Marsh

**MAE MARSH, Goldwyn Pictures Star.**  
Mae Marsh, the famous little celebrity who is the star of Goldwyn's first great production, "Polly of the Circus," that comes to the Liberty theater for three days starting Friday, Oct. 5, has had a meteoric career in motion pictures. She has become one of the screen's greatest and most popular stars in a very few years.

Miss Marsh, who is now only twenty years old, was born in Santa Fe, N. M. Her father was an officer of the Santa Fe railroad. Miss Marsh followed her sister into the motion picture industry. Her sister, using the name of Margaret Lovridge, had a part in a production being made by D. W. Griffith at Los Angeles. One day Mae Marsh was sent on a box in the studio watching a rehearsal when she came under the notice of Mr. Griffith. He inquired who she was and someone said she was the sister of Margaret Lovridge.

"Would you like to become a motion picture actress?" Griffith asked the little girl, and from the moment when she nodded assent her future was assured. Two years later she was the star of "The Birth of a Nation" and a year later the star of the great spectacle, "Intolerance."

Last September Samuel Goldfish, president of the Goldwyn Pictures Corporation, persuaded Miss Marsh at her home in California to become one of the stars of the company. He was then forming, and Mr. Goldfish freely admits she was really the actual inspiration for the formation of the big Goldwyn corporation. She is under a long time contract to Goldwyn, and now that her hard work in "Polly of the Circus" is ended she will soon be facing the cameras again in other Goldwyn productions of equal magnitude and beauty.

## Methodist Minister Is Under Suspicion

Butte, Mont., Oct. 2.—Statements made by Rev. C. A. Rexroad, pastor of the Lowell Avenue Methodist church, said to reflect on Butte's second contingent of drafted men, will be forwarded to Washington as soon as possible, Mayor W. H. Maloney said today.

Rexroad was called before the draft exemption board yesterday and closely questioned. Mayor Maloney denied today that Rexroad had been placed under arrest.

Ministers of all denominations met today to demand that saloons be closed for 36 hours before the next contingent leaves.

## YOU ARE PARTLY MADE OF IRON

What is iron? Iron is an essential constituent of pure, healthy blood. Peptonin, the new iron tonic, combines peptonin, iron, nux, celery and other blood and stomach tonics that physicians prescribe. It is a wonderful corrective of anemia, paleness, languor, nervousness—whether caused by hard work, worries—over-use of salts and other blood-depleting cathartics that are doing so much harm to many people just now—or any other cause. Peptonin will restore the iron strength that you must have for cheerful performance of daily duties. Peptonin is in convenient pill form, chocolate-coated and pleasant to take. Get it today.

## PAINS SHARP AND STABBING

Woman Thought She Would Die. Cured by Lydia E. Pinkham's Vegetable Compound.

Ogdenburg, Wis.—"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound." — Mrs. ERTA DORRIS, Ogdenburg, Wis.
