

# Giant Truck Tires

## Emphasize Firestone Leadership

Look for the GROOVES

**FIRESTONE** built the first successful truck tire and has led in improvements ever since. This Firestone Giant Truck Tire is the latest practical contribution to the world's vital needs of tonnage and transportation.

It gives amazing mileage and adequate protection to the truck. This great bulk of fine rubber in a single tread supersedes the two treads mounted together. It absorbs strains and shocks, regardless of irregularities in the road. There is skid prevention in the grooved tread.

### It Holds the Road in Mud, Snow and Ice

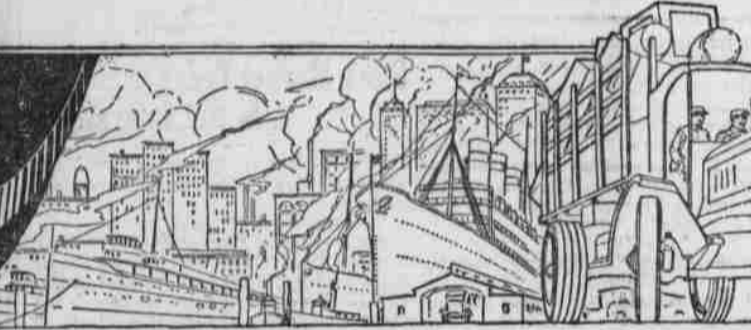

Its remarkable traction and resiliency saves fuel. These and other advantages result in Most Miles per Dollar and make it—

### The Dominant Truck Tire of the Day

Made in 7, 8, 10, 12 and 14 inch widths.

That motorists find extra value in Firestone Tires is proved by the fact that our sales increased 72 per cent this year up to September 1st. Our total business this year will exceed \$60,000,000.

### Mt. Angel Celebrated Liberty Day Yesterday

(Capital Journal Special Service)  
Mt. Angel, Oct. 25.—Places of business as well as public schools, Mt. Angel college and Mt. Angel academy were closed for a half holiday. Program was held at city hall to large and enthusiastic audience at 2 p. m. Governor Withycombe and Frank E. ...

### ASTOUNDING REPORT FOR SALEM

The wife of a merchant had stomach trouble so bad she could eat nothing but toast, fruit and hot water. Everything else would sour and ferment. ONE SPOONFUL buckthorn, mark, glycerine, etc., as mixed in Adler-ika benefited her INSTANTLY. Because Adler-ika flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICK-EST action of anything we ever sold. J. C. Perry, druggist.

gram was held at city hall to large and enthusiastic audience at 2 p. m. Governor Withycombe and Frank E. ...  
**THREE BILLION**  
(Continued from Page One.)  
allotment of \$16,500,000 today.  
Twenty-three Oregon cities have over-subscribed their quota. One town has practically doubled its allotment. The state will easily pass the maximum allotment of \$18,000,000 and probably roll up a substantial over-subscription, campaigners expect.  
The dark spots on Oregon's liberty loan map are parts of the grain and cattle country. Men made wealthy through war time prices of wheat and cattle are not buying bonds the way they should, while the city laborer and prosperous citizen, alike, are investing to the limit of their means.  
**'Frisco's Big Total.**  
San Francisco, Oct. 25.—San Francisco didn't parade only her men and women on liberty day. She paraded \$4,500,000 through bank windows as a day's work in subscribing liberty bonds, the figures on the last 24 hours of the bond drive showed today.  
Subscriptions so far total \$45,000,000.  
**Seattle's Million Dollar Day.**  
Seattle, Wash., Oct. 25.—More than a million dollars was raised in Seattle on "liberty day."  
This was the estimate made today by J. A. Swallow, chairman of the state central committee. The total raised here is well over the \$10,000,000 mark. Seattle's allotment is \$13,000,000.  
**O. A. C. Faculty Subscribes.**  
Oregon Agricultural College Corvallis, Ore., Oct. 25.—The faculty subscription to second liberty loan aggregates to date a little more than \$19,000. In the first 20 minutes of canvas in Agricultural Hall amounted to an even thousand. Corvallis subscriptions to date amount to \$160,000. Benton county subscriptions to date amount to \$190,000.

**"The Whip" Starts at the Liberty Theatre Tomorrow**  
"The Whip," the supreme offering of filmdom is coming to the Liberty theater on Friday, Saturday and Sunday to charm, delight and thrill the patrons of this show house with its thrilling story, its splendid characterizations, its truly wonderful photography and its sensationally magnificent scenic effects. "The Whip" is easily the world's biggest motion picture. One scene alone, that of the great train wreck, was staged at an enormous expense merely for this offering. And it is the biggest and best train wreck yet seen in motion pictures. An automobile race and wreck that is so vivid as to hold the spectators gasping off the screen reproduces the tension, the excitement and the enjoyment of Saratoga with striking fidelity. "The Whip" has not one star, but six. From start to finish it has been staged on a remarkably elaborate scale. The production has been made by that being of the screen, Maurice Tourneur, and he has excelled all his previous efforts in this tremendously successful production. By all means, see "The Whip." It is the only motion picture that you cannot afford to miss.

### ANGELS CUT DOWN LEAD OF THE SEALS

Have Less Than Full Game and Each Has Five More Games to Play

San Francisco, Oct. 25.—The Coast league pennant race tightened up again today. The Seals' defeat at the hands of Oakland, while Los Angeles was beating Portland, brought the Angels back within less than one full game of San Francisco. Each club has five more games to play.  
Today's standing is:  
Won Lost Pct.  
San Francisco ..... 115 92 .556  
Los Angeles ..... 113 92 .551  
If Los Angeles wins today and San Francisco loses today, the Angels will go into the lead with a percentage of .5533, while the Seals' percentage will be only .5500.

**Wins Four in Six Days.**  
Cleveland, O. Oct. 25.—When Benny Leonard knocked out Toughy Ramzer in the seventh round of a ten round bout here last night, he completed a record never before equaled by a lightweight champion in ring history. His victory was the fourth within six days. Here's the record.  
October 19.—Outpointed Jack Britton welterweight, in ten rounds, at New York.  
October 22.—Made Eddie Waggond look foolish in a bout at Philadelphia.  
October 23.—Overwhelmingly defeated Young Ernie at Buffalo.  
October 24.—Knocked out Toughy Ramzer in seven rounds at Cleveland. Ramzer had no chance with the champion, but he was game. Benny floored his opponent three times within sixty seconds in the seventh before Ramzer took the count.

**Called It Draw.**  
San Francisco, Oct. 25.—Referee Jim Griffin got a big laugh when he called a draw the fourth round bout between Battling Ortega and Ted Lewis, welterweight champion, at Emeryville last night. Lewis looked less like a champion than any fighter seen here in many a day. Lewis looked good enough in the first round, but faded in the second and held on or sprinted most of the time in the third and fourth.

**Jones Coming Home.**  
St. Louis, Mo., Oct. 25.—Fleider Jones manager of the Browns, was en route to his home in Oregon today, confident of returning next year to his old berth. Jones conferred with President Johnson of the American league and Owner Ball of the Browns before departing. While the club owners deny it, a report had been circulated that Pratt and

### DEADLY EPIDEMIC IS SWEEPING THROUGH THE CENTRAL EMPIRE

(By Henry Wood)  
(United Press Staff Correspondent)  
With the French Armies, Oct. 8.—(By Mail).—Thousands of letters taken from prisoners at Verdun describe in harrowing terms the rages of dysentery, cholera and typhus throughout Germany. Some idea, not only of the widespread nature of these epidemics, but of the effect they are having on the German population, can be gained from the fact that over one-half of the letters found contained references to spread of dysentery caused by improper and insufficient food.

### Northcliffe Predicts War Will Be Long

Chicago, Oct. 25.—Lord Northcliffe, head of the British commission, was on record today as believing that "we are only at the beginning of this strange and mysterious thing that is passing over the world."  
He made this declaration in a speech before the Chicago Association of Commerce last night and urged Americans to get ready for a long war.  
In illustrating the necessity for building six million tons of shipping in 1918 to counteract the submarine war, he said: "Your army, without its transports, would be just as valuable as your White Sox would have been without a train to New York."
