Hence there is an abnormal demand on California and hence again, prices are kiting skyward.

National 70,750; Salem Bk. of Commerce 63,200. Total \$436,900.

### Over Nineteen Million Dollars Is Subscribed

Portland, Or., Oct. 26.—The official liberty bond total was announced at noon as \$19,181,450, well over Oregon's minimum quota, while over \$10,000,000 remain to be obtained in just over 24 hours. The city of Portland, with over eleven million, is well over its maximum quota, but the rest of the state with some few exceptions, has fallen lamentably behind.

Portland has made a wonderful record. With one third of the wealth of the state it has subscribed nearly two thirds of the Oregon total, while in actual number of subscriptions it has subscribed 16,400 out of a total of less than 30,000. Moreover in Portland subscriptions, made by an employer for hundreds of employees, counts as only one subscription.

Pendleton's record and Umatilla county is one for the state to admire; declare the committee. Based on the maximum quotas, however, Lake county holds the state record outside of Portland with 83 per cent. Clatsop jumps to second place with 65 per cent and Umatilla takes third place with 64 per cent. Marshfield is now beginning to get its gear. The following towns have attained their maximum quota: Bridalveil, Seaside, Wheeler, Whitfall, Echo and Lafayette.
