GREAT DEFEAT

(Continued from Page One.)
a defeat at the "corner" of their line, where the French struck. Their lines were "impregnable." When those "impregnable" positions melted before the French fire, the demoralization must have been sudden, dramatic and of bitter relish to the German high command. The new advanced French line today was an average of three and a tenth miles beyond Monday's positions, over a total front of practically seven miles. Consolidation of the lines today swept more and more German positions into the Poles' hands.
France has already reoccupied the

territory between the Monkey mountain and Pargny, capturing the villages of Pinon, Pargny and Filain.
What made the Aisne victory all the more demoralizing to the German forces was the fact that on this particular ridge Hindenburg changed his forte battle tactics. It had been his schema heretofore to refuse battle and elastically to fall back to prepared new positions. Dwindling man-power impelled the German high command to husband all forces of men and not to fight and lose men where a retreat of a few hundred yards or possibly more might save troops.
The importance of the Aisne ridge, however, led Hindenburg to rush up his best troops and accept the battle offered by the French with all the power at his command. The French were victorious.

SYRUP OF FIGS FOR CROSS, SICK FEVERISH CHILDREN

If Little Stomach Is Sour, Liver Torpid or Bowels Clogged
Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.
When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No interference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomachache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown ups are printed on each bottle.
Beware of counterfeiting syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

San Francisco Boosts

San Francisco, Oct. 26.—San Francisco's subscriptions to the second liberty loan were increased \$2,000,000 during the three hours ended at noon today, bringing the total so far to \$55,513,350. All banks reported heavy subscriptions as soon as these institutions opened and it is believed in some quarters the day's total may reach \$10,000,000 before night.
San Francisco's maximum quota is \$85,000,000. She has already exceeded her minimum quota by more than \$4,000,000.
Today's subscriptions \$2,000,000; previously reported \$53,513,350; maximum quota \$85,000,000.

Limit Is Exceeded.

Sacramento, Oct. 26.—Sacramento city and the thirteen counties in this district passed their minimum liberty bonds allotments today. The city's minimum is \$4,200,000 and the district's \$7,853,000. Bond campaign leaders are now confident that the maximums of \$7,888,000 and \$12,655,000 respectively will be passed.
Today's subscriptions \$1,201,132; previously reported \$3,000,000; quota, \$4,200,000.

Oregon Is Ambitious.

Portland, Oct. 26.—Oregon—first asked to raise \$15,500,000—will buy \$30,000,000 worth of liberty bonds.
That today was the decision of the state committee.
Efforts to keep up with subscriptions have failed. Applications and reports today were piled three feet high on the floor of the campaign headquarters.
Unofficial estimates placed subscriptions well over \$18,000,000 this morning.

NEW SALEM HOSPITAL TO COST \$190,000

Campaign For Funds Will Begin Tuesday, Nov. 6—Close Nov. 9

Salem is to have a new hospital to cost \$190,000 or more.
At a meeting held last evening at the Marion hotel plans were outlined by an executive committee of prominent men who are interested in the building of the new hospital. It was pointed out that Salem is the only city on the coast of its size that has not adequate hospital facilities.
The fact that within a short time Salem will need a hospital for the benefit of its soldiers who return in need of surgical attention was brought to the attention of the committee. It has been well known that Salem was to have a new hospital and now that the military needs are pressing, it was decided to put on the campaign for the raising of the \$190,000 at once.
This campaign will begin Tuesday, Nov. 6, and close Friday evening, Nov. 9. It will be known as the Salem General Hospital \$190,000 campaign, with the slogan, "Give to your own—to the good of all."
Headquarters will be established in the Murphy building at the corner of State and Commercial street, in the rooms formerly occupied by the office of the Portland Railway Light & Power Co.
According to the plans discussed last evening, the workers will include 150 of the live wires of the city and will be divided into two sections, with a colonel in charge of each. Each colonel will have under his command five captains and each captain a team of ten men. The colonels of the divisions will be O. L. Ferris and O. B. Gingrich.
I. L. Patterson was selected as chairman of the executive committee to serve with the following members: Governor Withycombe, T. S. Kay, Ben Olson, Senator C. L. McNary, F. C. Deckebach, Chas. K. Snauding, H. W. Meyers, Wm. McGilchrist, Jr., Asahel Lush, J. P. Rogers, Mayor Walter E. Keyes, S. B. Elliott, Irving Griffith, P. W. Steudloff, Dan J. Fry and T. A. Livesley.
F. G. Deckebach has been selected as the campaign manager. The Rev. James Elvin will be chairman of the committee on speakers and Ivan G. McDaniel, chairman of the publicity committee.

County Assessor Completes His Assessment Roll
County Assessor West has completed his assessment roll for 1917, the grand total being \$36,833,350, an increase of \$36,132,120 last year; an increase of \$361,230. One of the largest increases is in automobiles, which last year were assessed at \$274,000 and this at \$469,215, almost double. Improvements on town and city lots show a small increase, about \$55,000. The increased amount shown by the assessment is just about Salem's quota to the liberty loan. The assessment is exclusive of railroads and all public utilities, which are assessed by the state tax commission.

Liberty Bond Campaign Stiffens Interest In Stocks
New York, Oct. 26.—The New York Evening Sun financial review today said:
Growing enthusiasm in the work on the liberty loan campaign and redoubled efforts on the part of the banking fraternity and, in fact, everybody in Wall street to make the loan a success in the fullest meaning of the term, served to divert attention still further from the securities market today. Trading was light and such business as was transacted was entirely in the hands of the professional element. A firm tone prevailed in most of the list.

California "Grizzlies" Subscribe Heavily For Liberty Bonds, Says Kyne

San Francisco, Oct. 26.—The United Press today received the following dispatch from Peter B. Kyne, author, now a captain in the army:
(By Peter B. Kyne)
(Captain 144th Field Artillery U. S. A.)
The 144th field artillery, formerly the Second California field artillery, and familiarly known as the "Grizzlies," in a liberty bond drive today subscribed in one hour \$150,000—a per capita of \$131. This breaks all records for the Fortieth division, encamped at Camp Kearney, and Kearny has led all other camps to date. It also breaks the record for the entire army, so far as I can learn.
Men and officers gave practically half of their pay to the cause.
The "Grizzlies" were raised from nothing to war strength in thirty days and are the only national guard regiment authorized since the declaration of war with Germany. Lieutenant Colonel Thornwall Mully commands.
The \$1,000,000 estimate takes no account of the economic loss to the country of from 20 to 40 days work for every man wrongfully sent to camp.
Rejections were highest among the men sent by Oregon boards, the percentage running up to 10. per cent. Montana comes second with rejections of 10.1 per cent. The average for all states is 7.8 per cent.
Utah had 198 men rejected; Nevada 72; Washington 49; Oregon 64; Idaho 178; Montana 376; Wyoming 49 and California 1098.

Mistakes of Draft Boards Are Being Paid For

Camp Lewis, Tacoma, Wash., Oct. 26.—The mistakes, carelessness and willful disobedience of the rules laid down by the war department for the selection of draft men for the national army units drawn from the states of the western department have cost the government \$1,000,000, according to the claims of army officers here today.
It is estimated that the transportation and care of the 3331 men who have been rejected so far out of the 42,776 sent to this camp, will have cost the government at least \$300 each by the time the men get back to their homes.

Well-Extended Lungs Not Enough

Pure blood is indispensable to the health and strength of the lungs. The delicate structure of these organs makes it necessary. When the blood impure the lungs lose their tone, and even if they are permitted to expand freely, they have not the power fully to perform their important work. The fact is, there is nothing more necessary in our physical economy than pure blood—the kind of blood that Hood's Sarsaparilla makes. This medicine is the good old reliable family remedy for diseases of the blood, scrofula, rheumatism, catarrh, and low or run-down conditions of the system. At this time, when coughs and colds are so prevalent, Hood's Sarsaparilla is an invaluable tonic. Get it today, and begin to take it at once. Accept no substitute.

German Agents Try To Start Mexican Row

El Paso, Tex., Oct. 26.—That German agents are trying to foment a revolt against the present Mexican government through the old scientific party, headed by General Felix Diaz was the assertion made here today by Roberto V. Pesqueira, fiscal agent of the Carranza government, following his return from a trip to Mexico City.
A coalition of the Diaz, Zapata and Villa forces in this revolt is planned, Pesqueira declared. He declared that the Mexican government does not anticipate great difficulty in crushing the threatened uprising and has already deported a number of the scientificists.

Paper Mill Workers at Oregon City Strike

Portland, Or., Oct. 26.—The Camas, Wash. and Oregon City plants of the Crown Willamette Paper company were shut down today by the strike of 1200-paper and pulp workers.
The men walked out late yesterday after the company had refused to grant wage increases, time and a half for overtime and better working conditions.
Company officials say the strike is an attempt to force the management to adopt the closed shop policy.

When the Skin Seems Ablaze With Itching and Burning

There's just one thing to do. If your skin seems ablaze with the fiery burning and itching of Eczema, red and lasting relief can only come from treatment that goes below the surface—that reaches down to the very source of the trouble. So-called skin-diseases come from a disordered condition of the blood, and the proper treatment is through the blood.
Search far and near, and you can not find a blood remedy that approaches S. S. S. for real efficiency. It has been on the market for fifty years, during which time it has been giving uniform satisfaction for all manner of blood disorders. If you want prompt and lasting relief, you can rely upon S. S. S. For expert advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. C Atlanta, Ga.
