

Cut down your coal bill—and get better heat service with these IDEAL Specialties

—for OLD or NEW Heating Plants

Norwall Siphon Air Valve

Gives full heating power to the steam radiator and prevents waste of heat. Sensitive and quick action, opens instantly to let out all air from steam radiators—closes tight against escape of steam or water. Stops sputtering and hissing steam—no perishable parts to wear out—never needs adjustment. Guaranteed for five years—try one!

Sylphon Water Regulator

No. 45A

For use on hot water heating outfits for automatic regulation of drafts. Saves heavily in fuel, reduces caretaking labor—prevents boiling—keeps fire burning evenly and requires no attention. Any Hot Water Boiler quickly fitted. Also used on hot water supply boilers, furnishes plenty of warm water at just the temperature desired, for domestic purposes.

Arco Temperature Regulator

Keeps the house at right temperature without care or attention—prevents under-heating and over-heating. Turns on dampers in early morning to give comfort at rising time. Provides cooler night temperature—prevents fire from running away, wasting coal and heat, or dying out, leaving unburned fuel. Soon saves first cost in fuel and eliminates all fussing and labor. Holds temperature without attention at any point you desire, day or night. May be attached to any radiator heating outfit or to hot air furnace.

Ideal Boilers for domestic Hot Water Supply

This is a most economical and satisfactory way of providing a bountiful supply of hot water for all domestic purposes. Used in homes, barber shops, stores, factories, garages, restaurants, hotels, clubs, etc. A few shovelfuls of coal will supply warm water for the whole family for a day and when the boiler is equipped with a Sylphon Water Regulator (as shown) the water is always just hot enough—never cold—never scalds. Made in all sizes for any hot water requirement.

Ideal Sylphon Packless Radiator Valve

An absolutely steam and water tight valve without packing of any kind, thus absolutely preventing leaks and damage. Every part is metal—nothing to wear or rust out. Most easily turned on or off, never binds or sticks, or needs attention. A wise investment on any job. Same measurement as old style valves so that this packless valve may be easily put in place of leaky or worn old-fashioned valves.

Ask your heating or plumbing contractor or dealer for these IDEAL Heating Specialties. If he does not have the article in stock, he can obtain it quickly for you from us. IDEAL Heating Specialties may be seen at our various showrooms, without obligation to buy. Send for IDEAL specialties booklet

Two Degrees Below at Denver—18 Above in Iowa—Snow in Missouri

Des Moines, Ia., Oct. 29.—Iowa today is in the grip of a cold wave that will continue for at least 24 hours. The weather bureau here predicted an average temperature of from ten to 15 degrees throughout the state tonight. The drop throughout Iowa during the night averaged 18 degrees, with snow reported from practically all sections.

In Kansas and Missouri.
Kansas City, Mo., Oct. 29.—A wet snow, driven by a high wind, was falling here today. Snow and blizzards are reported from several points in western Kansas.

Denver Is Coldest.
Denver, Colo., Oct. 29.—With a temperature of two degrees below zero, which smashed forty years' weather records, Denver was the coldest point in the west today.

A four-inch snow fall on the ground today interfered with street car and bicycle traffic.

Wall Street Moved by Disaster to Italians

New York, Oct. 29.—The New York Evening Sun financial review today said: Trading in today's stock market was dominated by the disquieting situation on the Italian front and prices gave way one to six points all along the line. The volume of business was not greatly in excess of Saturday proportion, but there were moments in which liquidation bordered on the feverish. A reactionary movement was to be expected, perhaps, in view of the rapid eleventh hour advance at the end of last week. Selling for war profits constituted a substantial part of the day's transactions. While the news from Italy was bad, it has not yet become so grave as to more than offset many other

DALLAS SOLDIER MISSING

Dallas, Or., Oct. 29.—Bud Badger, a former Dallas boy and a recent member of Company L, of the Third Oregon, according to information received in Dallas this week from California, has failed to report for duty to the California regiment to which he had been transferred from the Oregon troops.

Badger, accompanied by his wife, was in Dallas at the time of the county fair and left for California to join his regiment, according to his friends' information in Dallas. No word has been received from him since he left this city.

GALE ALONG COAST

Astorin, Or., Oct. 29.—A strong head wind is delaying northbound shipping along the coast today. The steamers Nebalem and E. A. Kilburna fought their way into the Columbia river yesterday, two days overdue. The oil barge Monterey, from San Francisco, had not been sighted up to early today, although due last Friday. Other vessels are delayed, but are believed safe.

Items highly favorable. Nevertheless, General Cadorna's reverses did more than neutralize the natural elation which people should feel over the wonderful performance of the second liberty loan flotation.

Another Sensational Murder Trial In Sight

St. Joseph, Mo., Oct. 29.—Sensational developments, rivaling those of the famous McDaniel murder case, were expected here this afternoon when it became known that Mrs. William G. Gould had been arrested in connection with the murder of her husband, a wealthy automobile dealer and church and civic worker, who was shot to death near his home last week. Police declare they believe Mrs. Gould knows who committed the crime.

"DEAR,—Stop Your Dandruff by using Pompeian HAIR Massage."

"Dandruff has made your hair straggly, thin looking and lifeless. Your coat collar is always covered with ugly scales. Stop your Dandruff now. You can. Just look at my hair. The Dandruff is entirely gone and almost overnight Pompeian HAIR Massage made my hair attractive."
The success of Pompeian HAIR Massage is in its name—"Massage." It is a treatment, not merely a tonic. The massaging (rubbing) of the scalp wakes up the roots of the hair to new life. This massaging also opens the pores of the scalp to the wonderfully stimulating liquids in Pompeian HAIR Massage. Dandruff goes. Your hair will become and stay healthy, vigorous, attractive. All that is needed is a little massaging once or twice a week. One application shows results. Your scalp will immediately feel

clean and invigorated. In one month your Dandruff will be gone. Pompeian HAIR Massage is a clear amber liquid. Not oily. Not sticky. Very pleasant to use. "Greatest treatment for Dandruff in the world," says J. A. Y., Chicago, Ill., "and I speak from experience. My hair before I started using it had gone beyond the ordinary stages of Dandruff and was covered with scales which embarrassed me greatly. I have introduced Pompeian HAIR Massage to my friends." Practically every user says—One bottle shows actual results. Get a 25c, 50c or \$1 bottle at the stores and say the same. Have your barber every now and then apply a careful Pompeian HAIR Massage. Used in over 20,000 of the best barber shops from Maine to California. Made by the reliable makers of the famous Pompeian MASSAGE Cream and Pompeian NIGHT Cream. * Adv. 3P

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

"Pape's Diapepsin" Makes Sick, Sour, Gassy Stomachs Feel Fine

Do some foods you eat hit back—taste good, but work badly; ferment into acids and cause a sick, sour, gassy stomach. Now, Mr. or Mrs. Dyapepsin, get this down: Pape's Diapepsin helps neutralize the excessive acids in the stomach so your food won't sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is upset you usually get happy relief in five minutes, but what pleases you most is that it helps to regulate your stomach so you can eat your favorite foods without fear. Most remedies give you relief some times—they are slow, but not sure. "Pape's Diapepsin" is positive in neutralizing the acidity so the misery won't come back very quickly. You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine. Go now, make the best investment you ever made, by getting a large fifty cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder due to acid fermentation.

There's just lots of good reading in Commerce Reports, a little daily published at \$2.50 a year by Uncle Sam. For instance Basra dates sold the past season in the Asia market at \$3.27 per bale of 168 pounds, new stock. Are you very fond of dates?

Choose a Piano as You Would a Friend

When you buy a piano don't make your choice in haste. Don't rely too much on what a smooth talking salesman tells you. Be sure the concern you are dealing with is a reliable concern. Don't permit "low price" talk to get the best of your good judgment.

THERE IS ONE WAY YOU CAN BE SURE

That is—come to Geo. C. Will, who has been in the Piano and Music business in Salem for many years. His record for square dealing is unquestioned. His guarantee is back of every instrument sold.
