### FRANKIE BURNS WILL TRY FOR COME-BACK

Meets Pete Herman at New Orleans for Bantam Championship

By H. C. Hamilton (United Press staff correspondent) New York, Nov. 5.—Tonight in the sunny south—New Orleans—the finishing touch on the most successful comeback the pugilistic game has seen will be achieved or lost by Frankie Burns.

Veteran bantam though he is, Burns is going better than at any time in his career. He will get his third chance at the world's bantam weight title when he meets Pete Herman of New Orleans in a battle scheduled to go over the 20 round route.

Burns has been fighting the good ones and the bad ones in the tiny division for nine years. He is 28 years old, an age at which most fighters have had their ears well cauliflowered and are willing to live happily ever after on the fruits of their efforts. But not so with Burns.

Back on November 15, 1915, Burns met the premier's toppling scrapper in the bantam division and laid him out in the twelfth round of what started out to be a 20 round brawl. Shortly thereafter he met Kid Williams, then leader of the division, and fought a draw in 20 rounds.

To Box at Denver Denver, Nov. 5.—Frankie Murphy of Denver and Lee Morrissey of Wallace, Idaho, are scheduled to meet in a fifteen round bout tonight at Lakeside arena. The men are lightweight.

Gibbons May Go to France Des Moines, Ia., Nov. 5.—Middleweight Champion Mike Gibbons may go to France with American Samuels to lick the kaiser.

Such a possibility was disclosed today when it was learned from the Minnesota scrapper's training camp that the phantom is going to study French. Gibbons is boxing instructor to thousands of drafted selectives at Camp Dodge, Ia.

Mike is heart and soul in this army game and wants to do all he can to lick the kaiser," said Eddie Cane, Gibbons' manager.

Trambita at Seattle Seattle, Wash., Nov. 5.—Alex Trambita, star Portland lightweight, meets Chet Neff here tonight in a four round bout. Joe Gorman and Butting Chico, featherers, are on the same card.

#### MARINES DEFEAT OREGON

Portland, Ore., Nov. 5.—"First to fight" is right. Also "until the last." Such expressions might be said of the famous United States Marines' football team which displayed its ability against the University of Oregon

From a letter on file from a U. S. officer in France

### The "Makings" of a Nation

Guaranteed by The American Tobacco Co. INCORPORATED

eleven Saturday before 2500 spectators on Multnomah field, when the hardy sons of Uncle Sam banded together from colleges all over the country, defeated the fighting Oregon team 27 to 0.

Forceful, subtle, terrible and anything else you might know to add, was the attack of the "U. S. C." It was a case of the marines from "soup to nuts," but they found the sons of Oregon fighting them to the last ditch.

In the maze of flying shrapnel which the daring figures of the marines resembled, the work of Quarterback Brown of the marine team, stood out like a ray of sunshine on a dull day. The former Washington state youngster threw the grandstand into a fit of frenzied madness in the third quarter when he received Steers' punt on the 20 yard-line and zigzagged his way with the aid of forceful interference for 80 yards skirting Oregon's left end for a touchdown. It was a great run and Brown showed that the many great tributes which have been paid to his ability have not been paid in vain.

#### O. A. C. DEFEAT CLUB

Oregon Agricultural College, Corvallis, Or., Nov. 5.—On a slippery field here Saturday the Oregon Agricultural College football team defeated the Multnomah Athletic club eleven by a score of 6-0. Owing to a heavy rain all night and part of the morning the ball was hard to hold, and fumbles were many. Both teams showed "pep" and put up a good game. All of the Aggie backfield starred and Perry, Hubbard and Bissett in the line. Day, Duffy and Murphy starred for the visitors.

#### EUGENE BEATS SALEM, 23-13

Eugene, Or., Nov. 5.—The Eugene high school eleven scored a touchdown in the first minute and one half of play with the Salem high school team here Saturday and finally carried their colors to victory. The score was 23 to 13. The sensation of the game came shortly after the opening of the second half, when Sciffe, of Eugene, caught a kick off and ran 70 yards, through the Salem team, for a touchdown.

#### CALIFORNIA WINS

University of California, Berkeley, Cal., Nov. 5.—Their blistering run attack riddling the purple and gold line for consistent gains of five, six and 10 yards at a stretch the University of California football team achieved its first victory over the University of Washington warriors Saturday on California field, by a score of 27 to 0. It was Washington's first football defeat in 10 years.

Superior weight in the line is the story of the contest in a nutshell. Outweighed eight pounds to the man, Washington could not withstand the vicious charges of the California giants and time and time again the backfield men of California found wide openings of which they never failed to take full advantage.

And now it's the high cost of taking your pen in hand.
