

Too Sick To Work

Many Women in this Condition Regain Health by Taking Lydia E. Pinkham's Vegetable Compound.

Convincing Proof of This Fact.

Ridgway, Penn. — "I suffered from female trouble with backache and pain in my side for over seven months so I could not do any of my work. I was treated by three different doctors and was getting discouraged when my sister-in-law told me how Lydia E. Pinkham's Vegetable Compound had helped her. I decided to try it, and it restored my health, so I now do all of my housework which is not light as I have a little boy three years old." — Mrs. O. M. RUMES, Ridgway, Penn.

Mrs. Lindsey Now Keeps House For Seven.

Tennille, Ga. — "I want to tell you how much I have benefited by Lydia E. Pinkham's Vegetable Compound. About eight years ago I got in such a low state of health I was unable to keep house for three in the family. I had dull, tired, dizzy feelings, cold feet and hands nearly all the time and could scarcely sleep at all. The doctor said I had a severe case of ulceration and without an operation I would always be an invalid, but I told him I wanted to wait awhile. Our druggist advised my husband to get Lydia E. Pinkham's Vegetable Compound and it has entirely cured me. Now I keep house for seven and work in the garden some, too. I am so thankful I got this medicine. I feel as though it saved my life and have recommended it to others and they have been benefited." — Mrs. W. E. LINDSEY, R. R. 3, Tennille, Ga.

San Francisco, Nov. 6.—The Southern Pacific directors in New York today declared the regular quarterly dividend of \$1.50 a share, payable June 2 to stockholders of record November 30.

SOCIETY

By ALINE THOMPSON

DURING the week just closed another pioneer family of Oregon added their names to the list of diamond weddings, when Mr. and Mrs. Samuel B. McBride celebrated their sixtieth anniversary—a celebration that is rare. In recognition of the event the celebrants were honored with a delightful dinner at the home of their daughter, Mrs. William H. Boot.

It was a family affair, and the honored couple was surrounded by about a dozen of their immediate relatives. An unusual feature of the occasion was the fact that Mrs. McBride's sister, Mrs. Ann Hampton, and Mrs. Abe Kern of Portland, who were present at the wedding, were also here for the celebration.

The McBrides were married in Albany, Iowa, from where they came to Oregon in the early days and have since spent the greater part of their happy married life.

Mr. and Mrs. Henry W. Meyers are spending a few days in Seattle and are the guests of the Frank M. Jordans. They left Saturday, Mr. Meyers having gone in the interests of the Red Cross.

Messages of congratulation are being showered upon Mr. and Mrs. Charles Reynolds (Frances Adams) of Silverton, upon the arrival of a daughter, born Monday night at the Salem hospital.

Mrs. William W. McCammon left yesterday for Fort Logan H. Roots, Arkansas, where she will visit her daughter, Mrs. Charles J. Nelson, wife of Major Nelson.

Mrs. McCammon had not planned on going to Arkansas until a little later in the winter, but as Major Nelson has received orders to leave for France within a short time, she desired to reach the fort before his departure.

She will probably remain with Mrs. Nelson the greater part of the winter.

The Misses Emma and Bertha Waldorf were hostesses Monday night when they entertained the members of the La Arca club at their first meeting of the season.

The early part of the evening was devoted to a business session, during which the annual election of officers was held.

Those elected were: Miss Echo Hunt president; Miss Grace Tollman, vice president; Miss Bertha Waldorf, secretary, and Miss Emma Waldorf, treasurer.

Later the time was whittled away by the playing of cards.

with sewing and knitting. The club which is composed of about 30 girls and matrons will meet once ever—two weeks during the winter, at the homes of the various members.

Those participating in the initial meeting were Mrs. Ada Zosel, Mrs. Pearl Collins, Miss Leona Peterson, Miss Joy Turner, Miss Stanis Anderson, Miss Thelma Blessing, Miss Freida Hoover, Miss Dorothy Anderson, Miss Grace Tollman and Miss Echo Hunt.

Dr. Arthur Van Dusen and George Judd of Astoria, spent the week end in Portland at the Multnomah hotel. Mr. Judd left Sunday for a visit with his mother in Salem, and plans to return today to Astoria.—Oregonian.

The aid society of the Woman's Relief Corps will meet on Thursday afternoon at the home of Mrs. N. C. Kafoury, 940 Union street.

The assistant hostesses will be Mesdames F. A. Thompson, Blanche Davis, M. E. Watson, M. L. Wells and J. Roberts.

The Relief Corps was well represented at the "Carnival of Nations" held in the armory Saturday and too much credit can not be given the members of the order, who helped so faithfully to make the benefit a big success. They were Mesdames Helen Southwick, Alice Snover, Florence Spencer, George Martin, L. L. McDams, Mary Cook, N. C. Kafoury and Harold Cook, who was everywhere as Uncle Sam.

The members of the corps are making great plans for their bazaar to be held on Saturday, November the twenty-fourth.

Miss Marie Bennett of 1234 Court street left Monday for Laramie, Wyoming, where she has accepted a civil service position.

Vice President and Mrs. Thomas R. Marshall will arrive in Salem tomorrow afternoon and will be guests at the Hotel Marion.

In honor of these distinguished visitors a dinner will be given in the evening at six o'clock to which all patriotic citizens are invited.

Later Vice President Marshall will speak at the armory on "National Tendencies."

WASHING WON'T RID HEAD OF DANDRUFF

The only sure way to get rid of dandruff is to dissolve it, then you get it entirely. To do this, get about four ounces of ordinary liquid arvon; mix with an equal quantity of water; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it; no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

HALLOWE'EN PARTY.

A very pleasant Halloween party was given at the home of Mr. and Mrs. Edgar Johnson on October 31st. Jack o'Lanterns and decorations of red and green and yellow were suggestive of the witches. Music and games were followed by a midnight lunch of sandwiches, pickles, cake and coffee. Those present were Mrs. Hattie Van Cleave, Mr. and Mrs. Wm. Mersinger, Misses Celia Zellinski, Hilda and Mildred Williamson, Adah Latham, Emma Fisher, and Eunice Johnson, Messrs. Louis and Eric Bartruff, Alvin Van Cleave, Henry Janssen, Merle Chapman, Chas. Zerk, Willie Williamson, Mr. and Mrs. Edgar Johnson, Ruth and Floyd Johnson.

State House News

The city of Portland has applied to the public service commission to be relieved from placing warning signs at more than 700 crossings in the city.

The Bendon Power company has asked the public service commission for permission to raise its rates. It did not file the proposed changes, but asks to be given such increase as the commission may find on investigation to be just.

Give The Stomach A Chance To Work

We can't expect the stomach to act normally if the natural avenues of elimination are blocked so it cannot dispose of its refuse. When the bowels are constipated, the stomach is called upon for work beyond its capacity and the result is bloating, belching, headache, and discomfort generally, and, unless the condition is promptly relieved, serious illness.

An effective remedy for constipation is sold in drug stores under the name of **Dr. Caldwell's Syrup Pepsin**. It is a combination of simple laxative herbs with pepsin that acts on the bowels in a gentle, natural manner, without griping or other pain or discomfort, affording speedy relief. Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and have it in the house when you need it; it costs only fifty cents and is the ideal family remedy, mild enough for children and old people, yet scientifically powerful for the strongest constitution. A trial bottle, free of charge, can be obtained by writing to Dr. W. J. Caldwell, 456 Washington St., Monticello, Illinois.

JEW HOPE ALLIES WILL WIN VICTORY IN PRESENT WAR

If Palestine Is Freed There Will Be No More Persecution of Jews

Chicago, Nov. 7.—The war, carried to a successful end by the allies, will solve the problem of zionism and greatly aid in the complete freedom of the Jew.

This is the belief expressed to the United Press by Mrs. Isaac Swett of Portland, Or., president of the Portland district of the council of Jewish women, and one of the speakers here at the triennial convention of the council.

"That there is a Jewish problem is admitted," she said. "It's solution has faced the Jew for years. But the war—the most hopeful sign the Jew has seen—has given him freedom from persecution in Russia and Rumania, and will, we hope, throughout the world.

Zionism has divided the Jewish people in America. Some believe in the movement to establish an autonomous Jewish kingdom in Palestine, where the American Jew might go to uplift and help his fellow countryman. But if the allies free Palestine from the sway of the crescent, the persecution of the Jew will cease and the plea of Zionism will be ineffective—because its need will have practically ended. I fear to think what effect a Teuton-Turkish victory would mean, not only to Zionism, but the whole problem of Judaism."

Speaking of the relation of the American Jew to the war, Mrs. Swett said: "You couldn't be a good Jew and not be a good American. But our problem goes beyond this and what the allies fail to do for us we must attempt to do for ourselves. That's why, unless the Jewish problem is settled in the final peace, Zionism and all the ramifications of Judaism will live."

RED CROSS BULLETINS

Willamette Chapter, American Red Cross Business Office and Supply Department, Room 413 U. S. National Bank Building

Workers are wanted at the postoffice for the surgical dressings. Those who are active in the Red Cross work have time to go out and solicit people to come in and help. If one is willing, all that is necessary is to apply any time at the postoffice building up stairs, except Saturdays. It is not necessary to belong to any auxiliary but it is expected that a worker should be a member of the Red Cross.

There was no overhead expense in the campaign of collecting and assorting two car loads of old newspapers for the Red Cross. Every one that worked gave the service free and Frank E. Loose of the Capital City Transfer gave the use of several trucks and the building without charge. Hence the \$388 returns was the net return, without a cent of expense.

People are asked to again begin saving their old papers and magazines, as there will be another Red Cross paper campaign. There is a feeling that Salem has a car load of old papers or magazines or old books stored and that if collected and sold, this old material would mean possibly \$200 for the Red Cross. Hence the suggestion—save all your old newspapers.

The net proceeds of the Carnival of Nations at the armory last Saturday and of the old paper campaign netted enough to buy all the materials and keep the work of headquarters going for one month.

Detectives have been employed by the National Red Cross to run down the absurd stories that some of the socks knitted by the Red Cross for soldiers had been sold. While the stories were absolutely untrue, yet it was thought best to locate the source of such tales, and deal in brakes.

HOW TO REMOVE WRINKLES QUICKLY

If the average woman only knew it, it is not at all difficult to preserve the youthful contour and velvety smoothness of complexion. Every woman hates to see her face wrinkled or baggy, and practically every one has experimented with some sort of patent remedy in the effort either to remove such condition or ward it off.

As a matter of fact, the most effective remedy in the world is one that any woman can easily make up herself at home, in a moment's time. Let her take one ounce of pure powdered saxonite, which she can purchase at any drug store, and dissolve it in a half pint of witch hazel. Apply this harmless and refreshing solution to the face every day for a while. The results are surprising—and instantaneous. Then after the very first application a marked improvement is apparent. The wrinkles are less in evidence and the face has a comfortable, snug feeling of firmness that is most delightful.

all told to discourage Red Cross work.

Not having been asked is not regarded as a proper excuse for not helping in the Red Cross work. All that is necessary is to go to headquarters in the U. S. National Bank building or to the postoffice and ask for work. There is plenty.

Auxiliaries in the city are asked to call for their materials any day in the week excepting Saturdays, as this day is reserved for the country workers. Office hours at headquarters are from 9:30 to 12 in the morning and from 1:30 to 5 o'clock in the afternoon.

During the past week headquarters has shipped eight boxes to Seattle. Two of these boxes were filled with Christmas packets. Two more boxes will go out this week. Christmas packets must come in this week as Tuesday Nov. 12 is the last day of shipments.

Materials from the auxiliaries have been received within the past few days as follows:

Macleay: 115 towels and 104 triangular bandages.

Marion auxiliary: 24 towels and a roll of old linen.

Seventh Day Adventist: 7 1-2 dozen abdominal bandages.

Babbitt auxiliary: 58 towels and 8 pairs pajamas.

Wacoona auxiliary: 57 towels and 12 packets of Christmas presents.

Silvertone: 1 operating gown, 11 1-2 dozen towels, 2 pairs operating leggings, 2 1-2 dozen bed socks, 1 1-2 dozen bed caps, 5 dozen bandages and 5 pairs pajamas.

Brooks auxiliary: 22 woolen socks and 12 Christmas packets.

Monmouth: 365 handkerchiefs, 60 T bandages, 16 napkins.

Richmond: 10 nightgowns, 3 dozen abdominal bandages, 19 T bandages, 30 triangular bandages, 17 four tail pieces and 14 handkerchiefs.

U. E. O. auxiliary of Woodburn: 35

triangular pieces, 22 dozen No. 3 safety pins, 3 nightgowns, 2 pairs woolen socks and one dozen washcloths.
