Father Given Custody
of Lenora May Burk

(Capital Journal Special Service)
Dallas, Nov. 15.—At the final hearing of the habeas corpus proceedings instituted by Mrs. Gladys Burk last summer for the possession of her little daughter, Lenora May Burk, held in Dallas, Saturday morning the child was given into the custody of its father, Earl Burk. The case created quite an amount of interest in this city owing to the fact that the father is a former Dallas boy, a son of Mr. and Mrs. Sam Burk, former residents of this city but now living on a farm near Airlie. The Burks separated in Portland about a year ago and the father brought the child to the home of his parents for safe keeping. Mrs. Burk appeared at the Burk country home in September and demanded the child and upon the refusal of the elder Burks to comply with her wishes she is said to have flourished a gun and threatened to shoot up the house. She afterwards came to Dallas and started the above proceedings and a trial was held in September but continued until the first of November when Judge "Belt" after hearing the facts in the case took the matter under advisement until last Saturday, when he made the above ruling.

Cascadia Items
(Capital Journal Special Service)
Cascadia, Or., Nov. 15.—Just a slight introduction to those who are not acquainted with our beautiful location up here might be very welcome. We are situated 30 miles due east of Lebanon in the mountains. A stage route which brings up mail semi-weekly. To those of you who get daily mail this would seem quite a handicap. In fact it is somewhat of a one but then, Mail Day, up here, is a "Big Day." Each vies with the other to be able to say they got the biggest package, or, as the case may be, the most letters.

Young Women
Are Told How to Find Relief from Pain.
Nashua, N. H.—"I am nineteen years old and every month for two years I had such pains that I would often faint and have to leave school. I had such pain I did not know what to do with myself and tried so many remedies that were of no use. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and decided to try it, and that is how I found relief from pain and feel so much better than I used to. When I hear of any girl suffering as I did I tell them how Lydia E. Pinkham's Vegetable Compound helped me."—DELINA MARTIN, 29 Bowers Street, Nashua, N. H.

Simple Remedy Saves Doctors' Bills
If you suffer from dyspepsia, indigestion, pain after eating, gastritis, heartburn or any stomach trouble due to acidity or food fermentation—and over ninety per cent of stomach complaints are due to these causes—go to your druggist and get 50 cents worth of Bi-Nesia. The next time you eat or have pain in the stomach take a teaspoonful in a little hot water and note how quickly all pain and discomfort ceases. It is said that thousands of soldiers use this simple remedy at the front and many attribute their freedom from all digestive troubles in spite of exposure, hasty eating and poorly cooked food, to its regular use. Chemists say that its almost invariable success is due to the fact that Bi-Nesia instantly neutralizes the excess acid and stops fermentation, thus promoting healthy, natural digestion. Being absolutely harmless as well as inexpensive, Bi-Nesia should be kept on hand in every home where economy and good health are sought.
