> Last evening as G. R. Watts, of the state institution for feeble minded, got into his machine to drive out to the institution, he found a black bull terrior had taken possession of the ar in his absence. As the terrior seemed not at all disposed to abandon the machine, even at Mr. Watt's most urgent solicitation, Mr. Watts just took him along home with him. The terrior may have thought that he was in is owner's machine and that Mr. Watts was the intruder, or, from the terriors standpoint, it may have been a case of "all Fords locked alike to him?" f "all Fords looked nike to aim ad he climbed into any one he come o. At any rate, Mr. Watts says that although the terrior is quite a handome dog and wears a collar without a sameplate, yet he is perfectly willing or the owner to have the dog if he
