#### Leg Mangled by Tractor When , Man Stumbles; Amputation Necessary

Albert Vanvalkenberg, foreman on the Stolz & McNary farm four miles north of town, had his right leg so badly crushed yesterday afternoon by a heavy Sampson tractor passing over it as to necessitate amputation of the leg at the Salem hospital last evening.

Mr. Vanvalkenberg, together with his brother, were pulling orchard trees with the tractor, the latter operating the tractor. Mr. Vanvalkenberg approached the machine from the rear, which was standing idle at the time, although the engine was running. although the engine was running, thinking that his brother was going to throw it in gear and start forward. Instead, the tractor was started backward and Mr. Vanvalkenberg in at empting to get out of the way of the heavy drive wheels tripped on a fallen tree behind him and fell over the tree backward. The operator, who was setting on the tractor, could not hear any thing but the noise the machine made, and before the fallen man could extra-cate himself the heavy "serve-grip" wheel had caught his leg and crashed

it into the carth. The accident happened about o'clock yesterday afternoon. Both of the injured man's legs were broken, although the wheel of the tractor did not pass over the left leg or ft too would have been mangled beyond saving. The right leg was amputated about I inches below the knee. The injured man is about 30 years of

age and has a family. He has been making his home on the farm of which

The surgical dresings department of the Red Cross will be closed from to-morrow till Monday owing to the fact that the shipment of gauze which was expected, has not arrived, thus causing a shortage of material to work with. The department received a small shipment of gauze the first of the week but this has all been used up. The gauzo had been ordered for weeks but has not arrived and until it comes the depart-ment will be compelled to remain idle. It is expected a supply will be received

Dinner will be served to 75 persons om 5:30 to 7 o'clock Friday evening in the rooms of the domestic science de-partment at the high school by the students of the department, under the di-rection of Miss Nell Sykes and Miss Sertrude Purinton. The reservation plan has been in assigning the plates and only 75 will be served. A charge of 50 cents a plate will be made. The instructors in charge of the department believe that with the members doing all the work half of the amount taken in can be donated to the Armenian-Syrian relief

At the weekly shoot of the Salem Rifle club held last night in the armory, five men qualified for the 75foot indoor range. Those who qualified were: B. W. Maey, Frank Mapes, Fred Day, H. V. Doe and C. W. Elgin, Others who shot were Don Wiggins, W. J. Entrees, Geo. Keuscher, Robt. Nicholson, A. B. Poole, Sam Hughes and Earl Jory. Weekly shoots are to be held each Wednesday night. The shoot last night was in the nature of a preliminary contest to qualify members for a match to be held later for the trophy cup on exhibition in the window of the Hartman Brothers jewelry store.

Out of nearly 300 essays handed in by the school children of Marion county in the school children of Marion county in the essay contest on Armenia, the list has been narrowed down to 21 essays, from which will be selected the prize winners. Eight of these are by high school students, ten by junior high, and three by grade pupils. The larger num-ber of papers which have been eliminatber of papers which have been eliminated were on account of verbatim copying which had been done by the writers from literature on Armenia, given out by the committee and obtained at the library. The three judges who have consented to make the final selection of the winning essays are: E. M. Burke, paster of the Unity church; Miss Flora M. Case, of the robble library, and E. M. Case, of the public library, and E. F. Carlton, assistant state superintendent. It is expected the results will be announced within the next few days.

### Rod and Gun Club Would Have Hatchery on Santiam

Action was taken at the annual meet ng of the Salem Rod and Gun Club held at the auditorium of the Commercial club last night, looking toward the establishment of a new fish hatch-ery on the Santiam river near Gates. The land that is desired as a site for the hatchery is held by the Hawley Pulp & Paper company, of Oregon City, which so far has shown a disinclinaion to sell the ground necessary for the site at any price. The club voted unanimously to request the state fish and game commission to take steps to acquire the site by condemnation pro ceedings if the company would not sell for a reasonable price.

The officers elected at last night's meeting for the coming year were A. G. Magers, president; Mark Sidal, secretary and treasurer, and Ralph Cooley field captain. Magers and Siddall rere re-elected.

The club passed resolutions favoring the closing of winter game fishing on the Willamette river and its tributaries above Gregon City. The sum of \$25 was also appropriated for the purchase of

obacco for the soldiers, It was decided to hold a registered boot on May 6 and 7 as a part of the club's intersfate association work. cbruary 27th is the date for the next
