# Simpson Will Make

Coos Bay Man Has Virtually Decided To Enter Race for Republican Nomination—Will be Fifth Candidate in Field

Bepresentatives of seven national farm organizations comprising the federal board of farm organization are planning to go before President Wilson to plead for the institution of a national farm program that will assure a supply of farm labor and grant financial aid to the farmers to meet the emergency.

However, this is dependent upon the date to be fixed for floating the next Liberty loan. Mr. Simpson wants to Liberty loan wants to great politics and aid the loan during that interim and be figures the amount to curtail its good business for the government of time alloted the liberty loan will have to be added to his campaign days. In commenting on the expectancy of Governor Withycombe announcing Judge Kirkpatrick, This same sentiment himself formally for the renormalized.

cial aid to the farmers to meet the emergency.

With over 'two million mechanics and laborers taken from the farms, since America entered the war, and facing danger of a crop shortage this year, the farmers painted a gloomy picture today declaring immediate government action is imperative.

Not only will the food supply be farmers be lacking, but shipments of food to the allies may be endangered farmers declared today.

'Unless sufficient government action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken, the country will face the greatest food shortage ever,' they said. 'Labor has drifted to the industrial action is taken the farmers declared today.

In commenting on the expectancy distribution the renomination, a Portland paper says:

"L. J. Simpson of Coos county, and short so make his anouncement from Portland in the early part of this month, as to just what he intends to make his anouncement from Portland in the early part of this month, as to just what he intends to make his anouncement from Portland in the early part of this month, as to just what he intends to make his anouncement from Portland in the early part of this month, as to just what he intends to make his anouncement from Portland in the early part of

tion is taken, the country will face the greatest food shortage ever, '' they said. ''Labor has drifted to the industrial centers to obtain higher wages. Farm machinery is scarce. The seed supply is greatly diminished and farmers are overburdened financially.''

They declared that ''even if the constitution must be rioned to pieces, the government must adopt a policy that will prevent the danger of a crop shortage by distributing money, labor and supplies to the food administration and the de.

candidate.

''If he comes out it will mean five candidates in the race all told—Government five candidates in the race all told—Government five pointing out that be simply supplying the base for roads a greater mileage would be gained, and at the same time would supply candidates in the race all told—Government five pointing out that by simply supplying the base for roads a greater mileage would be gained, and at the same time would supply candidates in the race all told—Government five pointing out that by simply supplying the base for roads a greater mileage would be gained, and at the same time would supply candidates in the race all told—Government five pointing out that by simply supplying the base for roads a greater mileage would be gained, and at the same time wing the roads later.

Clyde N. Johnson, of Junction City concurred in this view, pointing out that by simply supplying the base for roads a greater mileage would be gained, and at the same time wing the roads later.

Clyde N. Johnson, of Junction City concurred in this view, pointing out that by simply supplying the base for roads a greater mileage would be gained.

After considerable general discussion the meeting reached the only policy to be followed at this time in road building was that tentatively outlined by the commission. All sections of the state, represented at

With the wheat production in France flifty per cent normal the necessity of shipping more wheat abroad is fully dead and three are in a precarious conrection for the American farmers, who natriotically wish to raise more than a normal American crop.

Farm organizations will demand representation among various government bodies engaged in war work.

## ROAD BUILDING TO DEPEND UPON WAR

### State Highway Commission Will Improve Main Roads Only

Road construction in Oregon this year involving the expenditure of state funds, will be confined to completing the Pacific Highway, the Columbia River Highway and such other main-line sections of highways as may be found desirable and available for military uses. And even then this constructer the federal authorities have investi gated each separate improvement and

given it approval.

This curtailed policy of road building was adopted yesterday by the State Highway Commission at a meeting held in the rooms of the Portland Press club. It was decided upon following the expressed wishes of the government anthorities and was attended by the assurance of delegations of citizens from

washington, Feb. 6.—The food administration today took steps to curtail speculation in green coffee on the New York coffee exchange.

It issued an order whereby no speculation in the product over a price of 8 1-2 cents a pound of type number 7, green coffee, is permitted.

The food administration issued the following statement:

bonds advertised to be opened at yesterday's meeting. These proposals will not be opened and considered until the members of the commission shall have submitted to the proper federal authorities a détailed plan of their proposed road-building programme, as that programme relates to the completion of the main trunk lines, and are authorized to proceed with the work.

A week ago W. L. Thompson, member nds advertised to be opened at yes

The fool administration issued the following statement:

"The Buited States food administration issued a rule today prohibiting speculation in green coffee on the exchange and an experiment of the commission, telegraphed Secretary to sell \$500,000 of bonds for prohibition is effected by forbidding dealing in green coffee on the exchange at a price above \$ 1.2 cents a pound of type number 7 on the spot months.

"This action followed a conference of members of the New York Coffee and Sugar Exchange in Washington yes terday, in which the exchange members patriotically volunteered to take the necessary action to eliminate speculation in several of the federal reserve board, on January 29 tends of the foor of the coffee exchange in New York.

This rule is effective today. It was read on the floor of the coffee exchange in New York.

Dealers in coffee are prohibited to have more than a 90 day supply on hand. The stocks permitted to coffee deares, the food administration explained are in addition to those which they have now en route from foreign committee to the secondary of views and if it is possible somewhat to postpone that our other contracts with such contract with such countries.

It is intended to restrict dealers in Federal Reserve Bank at San Francisco in the result of numbers, and are authorized to have a green of the commission, telegraphed Screen the work of the French armies of the work of the commission at its meeting speculation in green coffee on the exchange members of the hounds Responsive to the aprical susues committee of the capital issues committee of the federal reserve board, on January 29 tends and the floor of the effective today. It was read on the floor of the coffee exchange in New York.
